Ira Documentary History 1916 2005

**Scott N. Romaniuk, Martin Scott
Catino, C. Augustus Martin**

Ira Documentary History 1916 2005:

The IRA Brian Hanley, 2015-09-18 This history of the Irish Republican Army tells the story in its own words through rarely seen internal documentation photographs and newspaper clippings Secessionism and Terrorism Glen Duerr, 2018-07-20 This book examines secessionist terrorism in a comparative context across Europe and Eurasia The volume seeks to uncover comparative linkages between terrorism and secessionism specifically examining terrorist organizations that also have a political goal of independence It examines a wide range of case studies including the IRA in Northern Ireland ETA in the Basque Country FLNC in Corsica and ARD in Brittany KLA in Kosovo PKK and TAK in Turkish Kurdistan and IK in Chechnya In doing so the book shows the linkages in terrorist tactics and demands as well as when and how ceasefires come into place Ultimately none of the terrorist organizations studied here has obtained their maximalist goal of gaining independence but each has caused significant bloodshed and has contributed to the debate on the future of governance in Europe and Eurasia The major strength of this format is to glean wider lessons on ethno nationalism as well as the causes and outcomes of terrorist actions Each case study also updates the literature on the individual cases to provide the most recent account of events in these countries This book will be of much interest to students of terrorism and political violence ethnic conflict nationalism European politics and International Relations in general The Irish Republican Brotherhood, 1914-1924 John O'Beirne Ranelagh, 2024-06-20 This captivating book delves into the secretive world of the Irish Republican Brotherhood IRB and its profound impact on Ireland's political landscape between 1914 and 1924 With the aid of new documentation Ranelagh unravels the true influence of the oath bound society without which the 1916 Rising might never have taken shape For Michael Collins the IRB was the true custodian of the Irish Republic and the only body he pledged his loyalty to but its legacy remains obscured by its intense secrecy This book reintroduces the IRB as the organisation that created and furnished the IRA influenced the result of the critical 1918 election and changed the face of Irish history From amon de Valera's recollections of how he first learned of the Treaty to narratives from Nora Connolly O'Brien Emmett Dalton et al testimonies from key figures paint a vivid picture of the IRB's inner workings and external influence A fascinating exploration of secret societies political manoeuvres and personal sacrifices *The Irish Republican Brotherhood 1914 1924* casts new light on a pivotal chapter in Ireland's quest for independence Murder and Mayhem David Nash, Anne-Marie Kilday, 2018-04-25 This introductory book offers a coherent history of twentieth century crime and the law in Britain with chapters on topics ranging from homicide to racial hate crime from incest to anarchism from gangs to the death penalty Pulling together a wide range of literature David Nash and Anne Marie Kilday reveal the evolution of attitudes towards criminality and the law over the course of the twentieth century Highlighting important periods of change and development that have shaped the overall history of crime in Britain the authors provide in depth analysis and explanation of each theme This is an ideal companion for undergraduate students taking courses on Crime in Britain as well as a fascinating resource

for scholars *Remembering 1916* Richard S. Grayson, Fearghal McGarry, 2016-03-02 The year 1916 witnessed two events that would profoundly shape both politics and commemoration in Ireland over the course of the following century Although the Easter Rising and the Battle of the Somme were important historical events in their own right their significance also lay in how they came to be understood as iconic moments in the emergence of Northern Ireland and the Irish Republic Adopting an interdisciplinary approach drawing on history politics anthropology and cultural studies this volume explores how the memory of these two foundational events has been constructed mythologised and revised over the course of the past century The aim is not merely to understand how the Rising and the Somme came to exert a central place in how the past is viewed in Ireland but to explore wider questions about the relationship between history commemoration and memory **Kilmichael** Eve Morrison, 2022-04-26 The Kilmichael Ambush of 28 November 1920 was and remains one of the most famous successful and uniquely controversial IRA attacks of the Irish War of Independence This book is the first comprehensive account of both the ambush and the intense debates that followed It explores the events memory and historiography of the ambush from 1920 to the present day within a wider framework of interwar European events global memory wars and current scholarship relating to Irish British oral and military history Kilmichael The Life and Afterlife of an Ambush features extensive archival research including the late Peter Hart's papers as well as many other new sources from British and Irish archives and previously unavailable oral history interviews with Kilmichael veterans There has always been more than one version of Kilmichael Tom Barry's account certainly became the dominant one after the publication of *Guerilla Days in Ireland* in 1949 but it was always shadowed and contested by others and in this book Eve Morrison meticulously reconstructs both British and Irish perspectives on this momentous and much debated attack **Between Two Hells** Diarmaid Ferriter, 2021-09-02 THE IRISH BESTSELLER Ferriter has richly earned his reputation as one of Ireland's leading historians Irish Independent Absorbing A fascinating exploration of the Civil War and its impact on Ireland and Irish politics Irish Times In June 1922 just seven months after Sinn Féin negotiators signed a compromise treaty with representatives of the British government to create the Irish Free State Ireland collapsed into civil war While the body count suggests it was far less devastating than other European civil wars it had a harrowing impact on the country and cast a long shadow socially economically and politically which included both public rows and recriminations and deep often private traumas Drawing on many previously unpublished sources and newly released archival material one of Ireland's most renowned historians lays bare the course and impact of the war and how this tragedy shaped modern Ireland *Informers in 20th Century Ireland* Angela Duffy, 2018-07-10 Informers have been active during many periods of unrest in Ireland but until Tudor times they had never been an organized phenomenon until the twentieth century The decision or refusal to inform is dangerous thus the motives of the informers are compelling as is their ability to deceive themselves Drawing on firsthand and newspaper accounts of the Easter Rising and other events this book provides a history of the gradual development of informing in Ireland Each informer

s story details their life and secrets and the outcome of their actions All of them have shared two experiences the accusation of informing whether true or false and betrayal whether committed or endured

Out of the Ashes Robert White, 2017-04-25 Out of the Ashes is the definitive history of the Provisional Irish Republican movement from its formation at the outset of the modern Troubles up to and after its official disarmament in 2005 Robert White a prolific observer of IRA and Sinn F in activities has amassed an incomparable body of interview material from leading members over a thirty year period In this defining study the interviewees provide extraordinary insights into the complex motivations that provoked their support for armed struggle their eventual reform and the mind set of today s dissidents who refuse to lay down their arms Those interviewed stem from every stage of the Provisionals history from founding figures such as Se n Mac Stiof in Ruair Br daigh and Joe Cahill to the new generation that replaced them Martin McGuinness Danny Morrison and Brendan Hughes among others Out of the Ashes is a pioneering history that breaks new ground in defining how the Provisionals operated caused worldwide condemnation and were transformed by constitutional politics

Combatants and Civilians in Revolutionary Ireland, 1918-1923 Thomas Earls FitzGerald, 2021-03-31 This book is based on original research into intimidation and violence directed at civilians by combatants during the revolutionary period in Ireland considering this from the perspectives of the British the Free State and the IRA The book combines qualitative and quantitative approaches and focusses on County Kerry which saw high levels of violence It demonstrates that violence and intimidation against civilians was more common than clashes between combatants and that the upsurge in violence in 1920 was a result of the deployment of the Black and Tans and Auxiliaries particularly in the autumn and winter of that year Despite the limited threat posed by the IRA the British forces engaged in unprecedented and unprovoked violence against civilians This study stresses the increasing brutality of the subsequent violence by both sides The book shows how the British had similar methods and views as contemporary counter revolutionary groups in Europe IRA violence however was in part an attempt to impose homogeneity as beneath the Irish republican narrative of popular approval there lay a recognition that universal backing was never in fact present The book is important reading for students and scholars of the Irish revolution the social history of Ireland and inter war European violence

Frank Aiken Bryce Evans, Stephen Kelly, 2014-04-14 Revolutionary statesman polymath Frank Aiken cuts a colossal figure in twentieth century Irish history However he remains a controversial figure regarded as a war criminal by some and a principled proponent of National liberation by others In this engaging biographical collection contributors scrutinise Aiken s thoughts and actions at several critical junctures in modern Irish and world history taking readers through the War of Independence Civil War the birth of the new state the Second World War the Cold War and the modern Northern Ireland Troubles Divided into two sections Nationalist and Internationalist and based on an unrivalled breadth of testimony from academics family members rivals and colleagues this study ultimately details the footprints Aiken left on the national and international political stage Aiken owed his early eminence to military rather than

political leadership he was commandant of the 4th Northern Division of the IRA during the War of Independence and was driven to undertake the most daring and spectacular feats of the Irish Civil War. He went on to become the Chief of Staff of the Anti Treaty IRA but was expelled for backing de Valera's plan for a Republican government at the beginnings of Fianna Fáil. Thereafter his instrumental role was to be political a Minister for Defence Finance and External Affairs over the course of the following decades he was to oversee much success and controversy in the burgeoning state. This biography represents the first deserving assessment of a monumental personality in 20th century Irish History. The Dublin Lockout, 1913 Conor McNamara, Padraig Yeates, 2017-07-24 Putting Ireland on trial Jim Larkin's verdict was damning and resolute. His words resound shuddering towards the present day where class division and workers rights disputes make headlines with swelling frequency. In this pioneering collection an exemplary list of contributors registers the radical momentum within Dublin in 1913 its effects internationally and its paramount example in shaping political activism within Ireland to this day. The narrative of the beleaguered yet dignified workers who stood up to the greed of their Irish masters is examined revealing the truths that were too fraught with trauma shame and political tension to remain within popular memory. Beyond the animosity and immediate impact of the industrial dispute are its enduring lessons through the First World War the Easter Rising and the birth of the Irish Free State its legacy real and adopted instructs the surge of activism currently witnessed but to what effect. The Dublin Lockout 1913 illuminates this pivotal class war in Irish history inspiring shocking and the nearest thing Ireland had to a debate on the type of society that was wanted by its citizens. The Oxford Handbook of Modern Irish History Alvin Jackson, 2014-03-27 The study of Irish history once riven and constricted has recently enjoyed a resurgence with new practitioners new approaches and new methods of investigation. The Oxford Handbook of Modern Irish History represents the diversity of this emerging talent and achievement by bringing together 36 leading scholars of modern Ireland and embracing 400 years of Irish history uniting early and late modernists as well as contemporary historians. The Handbook offers a set of scholarly perspectives drawn from numerous disciplines including history political science literature geography and the Irish language. It looks at the Irish at home as well as in their migrant and diasporic communities. The Handbook combines sets of wide thematic and interpretative essays with more detailed investigations of particular periods. Each of the contributors offers a summation of the state of scholarship within their subject area linking their own research insights with assessments of future directions within the discipline. In its breadth and depth and diversity The Oxford Handbook of Modern Irish History offers an authoritative and vibrant portrayal of the history of modern Ireland. **The Princeton History of Modern Ireland** Richard Bourke, Ian McBride, 2016-01-12 An accessible and innovative look at Irish history by some of today's most exciting historians of Ireland. This book brings together some of today's most exciting scholars of Irish history to chart the pivotal events in the history of modern Ireland while providing fresh perspectives on topics ranging from colonialism and nationalism to political violence famine emigration and feminism. The Princeton History

of Modern Ireland takes readers from the Tudor conquest in the sixteenth century to the contemporary boom and bust of the Celtic Tiger exploring key political developments as well as major social and cultural movements Contributors describe how the experiences of empire and diaspora have determined Ireland's position in the wider world and analyze them alongside domestic changes ranging from the Irish language to the economy They trace the literary and intellectual history of Ireland from Jonathan Swift to Seamus Heaney and look at important shifts in ideology and belief delving into subjects such as religion gender and Fenianism Presenting the latest cutting edge scholarship by a new generation of historians of Ireland

The Princeton History of Modern Ireland features narrative chapters on Irish history followed by thematic chapters on key topics The book highlights the global reach of the Irish experience as well as commonalities shared across Europe and brings vividly to life an Irish past shaped by conquest plantation assimilation revolution and partition

The Irish Citizen Army Ann Matthews,2014-09-05 The Irish Citizen Army was originally established as a defence corps during the 1913 Lockout but under the leadership of James Connolly its aims became more Republican and the IRB fearing Connolly would pre-empt their plans for the Easter Rising convinced him to join his force with the Irish Volunteers During the Rising the ICA was active in three garrisons and the book describes for the first time in depth its involvement at St Stephen's Green and the Royal College of Surgeons at City Hall and its environs and using the first hand account of journalist J J O Leary who was on the scene in the battle around the GPO The author questions the much vaunted myth of the equality of men and women in the ICA and scrutinises the credentials of Larkin and Connolly as champions of both sexes She also asserts that the Proclamation was not read by Patrick Pearse from the steps of the GPO but by Tom Clarke from Nelson's Pillar She provides sources to suggest that the Proclamation was not as has always been believed printed in Liberty Hall and that the final headquarters of the rebels was not at number 16 Moore Street but somewhere between numbers 21 and 26

The Handbook of Homeland Security Scott N. Romaniuk,Martin Scott Catino,C. Augustus Martin,2023-07-07 The Handbooks of Homeland Security Handbook is a convenient one stop reference and guide to the latest regulations and developments in all things relevant to the homeland security and defense domain The book is divided into five parts and addresses such critical areas of as countering terrorism critical infrastructure protection information and cybersecurity military and private sector support for Homeland Security risk assessment and preparedness for all hazards and evolving threats In total more than 100 chapters outline the latest developments in homeland security policies directives and mandates as well as emergent threats and topical considerations for the Department of Homeland Security DHS and its stakeholders The diverse array of chapter topics covered contributed to by dozens of top experts in the field provides a useful and important resource for any student professional researcher policy maker or library in understanding the domestic initiatives of public sector Homeland Security entities and their responsibilities in the current global environment

De Valera Volume 1 David McCullagh,2017-10-20

amón de Valera was the single most consequential Irish figure of the twentieth century He was a leader in the Easter Rising

the figurehead of the anti Treaty rebels during the dark days of the Civil War and later as the founder of Fianna Fáil and president of Ireland the pivotal figure in the birth of the Republic In this the first volume of a magisterial new biography acclaimed historian and broadcaster David McCullagh charts De Valera's vertiginous rise from humble beginnings to electoral victory with Fianna Fáil in 1932 Riveting nuanced provocative and humorous it draws on a wealth of new and neglected sources to present a truly ground breaking portrait of de Valera the man his times and his complex ever shifting legacy David McCullagh combines the investigative skills of an experienced journalist with the detachment of an accomplished historian In this vividly readable and at times gripping biography he tackles head on all of the perennial de Valera controversies including his parentage his role in the 1916 Rising his relationship with Michael Collins his responsibility for the Civil War and his subsequent rise to power and does so with acuity and objectivity McCullagh's range and command of the source material is masterly a comprehensive mature biography both enlightening and entertaining

MAURICE MANNING The War of Independence in Kildare James Durney, 2013-07-08 The Kildare IRA was heavily outnumbered by crown forces and had neither the manpower nor weaponry to seriously challenge them With about 300 activists in County Kildare and only about a third of them ready to take to the field at one time they faced nearly 6 000 troops and hundreds of police and Black and Tans However the county was an important axis for intelligence gathering and communications to the south and west and it is here Kildare made its greatest impact The open flat plains of Kildare militated against ambushes while its proximity to the capital also inhibited the Kildare Volunteers Nevertheless there was a strong revolutionary element in the county The book looks at the group of Volunteers who followed the railway track into Dublin to partake in the 1916 Rising and details attacks at Greenhills Maynooth and Barrowhouse The author also examines the Rath internment camp in the Curragh reaction in the county to the Truce and Treaty and the eventual split in the republican movement in the lead up to civil war This comprehensive account will be a valuable addition to literature on this formative period in Ireland's history

Radical Basque Nationalist-Irish Republican Relations Niall Cullen, 2023-12-14 This volume explains the genesis and development of the nexus between radical Basque nationalists and Irish republicans how they have learnt from each other historically and how they have utilised this relationship at times to their benefit From medieval tales of shared origins to the violent conflicts largely wrought by ETA and the IRA the Basque Country and Ireland have long been associated in popular imagination Despite this little is known of historical Basque Irish relations and in particular the web of party political military and social movement connections between radical Basque nationalists and Irish republicans since the Irish Revolutionary Period 1916-23 Drawing on extensive archival research undertaken in Spain Ireland and the UK and more than 70 interviews conducted with politicians former paramilitaries and grassroots activists this is the first study to comprehensively document and analyse the emergence evolution and implications of this mythified transnational relationship **Radical Basque Nationalist Irish Republican Relations A History** will appeal to students and scholars of Irish republicanism

Basque nationalism terrorism studies and social movements studies as well as those interested in the contemporary history of Western Europe's two most volatile regions **A Nation and Not a Rabble** Diarmaid Ferriter, 2017-02-21 The renowned Irish historian delivers an excellent scholarly reevaluation of the 1916 Easter Rebellion and the turbulent decade that followed Library Journal On Easter Monday of 1916 the Irish Republican Brotherhood launched an armed uprising against British rule that would continue for six days But Easter Rising was only the beginning of an ongoing revolutionary struggle In **A Nation and Not a Rabble** Diarmaid Ferriter presents a fresh look at Ireland from 1913-1923 drawing from newly available historical sources as well as the testimonies of the people who lived and fought through this extraordinary period Ferriter highlights the gulf between rhetoric and reality in politics and violence the role of women the battle for material survival the impact of key Irish unionist and republican leaders as well as conflicts over health land religion law and order and welfare

Unveiling the Energy of Verbal Art: An Mental Sojourn through **Ira Documentary History 1916 2005**

In a global inundated with monitors and the cacophony of instantaneous connection, the profound power and psychological resonance of verbal art often fade into obscurity, eclipsed by the continuous assault of sound and distractions.
