Iran From Religious Dispute To Revolution Harvard Studies In Cultural Anthropology:

Iran, 1980 *The U.S. Press and Iran* William A. Dorman, Mansour Farhang, 2023-04-28 No one seriously interested in the character of public knowledge and the quality of debate over American alliances can afford to ignore the complex link between press and policy and the ways in which mainstream journalism in the U S portrays a Third World ally The case of Iran offers a particularly rich view of these dynamics and suggests that the press is far from fulfilling the watchdog role assigned it in democratic theory and popular imagination This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1988 No one seriously interested in the character of public knowledge and the quality of debate over American alliances can afford to ignore the complex link between press and policy and the ways in which mainstream journalism in the U S portrays a Third Worl

The Rite of Urban Passage Reza Masoudi, 2018-08-17 The Iranian city experienced a major transformation when the Pahlavi Dynasty initiated a project of modernization in the 1920s The Rite of Urban Passage investigates this process by focusing on the spatial dynamics of Muharram processions a ritual that commemorates the tragic massacre of Hussein and his companions in 680 CE In doing so this volume offers not only an alternative approach to understanding the process of urban transformation but also a spatial genealogy of Muharram rituals that provides a platform for developing a fresh spatial approach to ritual studies *Iran* Nikki R. Keddie, 2013-10-28 First Published in 1983 This book brings together the best of Professor Keddie s articles on Iran both published and newly written and spans almost two decades Long before the current religious political alliance in Iran startled the world and toppled the Shah Prof Keddie undertook a series of studies that reveal the social economic doctrinal and political roots of what she was the first to call the Religious Radical alliance in Iran

Cultural Practices and Identity Politics in Manipur Lisham Henthoba, Laishram Churchil, 2015-01-01 This compendium of ten essays earlier published in the quarterly journal Alternative Perspectives is an attempt to evaluate conventional understanding of identity culture and resistance and at the same time present some key underlying arguments in a comprehensive form This volume consists of three different themes which are closely interrelated The first theme on identity deals with the assertion of discomfort against the politics of homogenising articulation of identity and the oversimplification of gender issues on the pretext of women being a celebrated identity within our constructed sensibilities The chapters on economy as the second theme of this volume examine underdevelopment of Manipur s economy and its ramifications and corelation with the above mentioned issues The essays of the last theme on resistance underscore the forms of protest which are arguably belittled within the purview of the all pervasive armed conflict and its diverse narratives **Colonising Egypt** Timothy Mitchell, 1991-10-11 Extending deconstructive theory to historical and political analysis Timothy Mitchell examines

the peculiarity of Western conceptions of order and truth through a re reading of Europe s colonial encounter with nineteenth century Egypt

Food for Health, Food for Wealth Lynn Harbottle,2004 Food and eating practices are central to current sociological and anthropological concerns about the body health consumption and identity This study explores the importance of these themes as they intersect with processes of globalization and cultural production within a specific group of consumers British Sh iite Iranians Through the analysis of the consumption practices of this particular migrant group this book illustrates how both the nutritional value and symbolic significance of food contribute to its health giving properties and how gender and ethnic identities are preformed and reinforced through the medium of food work in public and private spheres At the same time as this study demonstrates migration modifies and transfigures such identities and produces hybrid cultures and cuisines

Shi'i Materiality Beyond Karbala ,2024-05-21 This book examines material and multi sensorial expressions of Shi i Islam in diverse and understudied demographic and geographic contexts It engages with conceptual debates and makes

several propositions that push the frontiers of scholarship on Islamic and Religious Studies Material Religion Heritage Studies and Anthropology and Sociology of Religion The contributions presented in this volume demonstrate how material things and less thing like materialities make the praesentia and potentia of the Sacred tangible how they cultivate intimate relations between human and more than human beings and how they act as links and gateways to the Elsewhere and Otherworldly The volume posits that materialities of religion are integral to processes of heritagization shaped by competing social and political actors involved in the construction and canonization of religious in this case Shi i heritage Innovation in Education Jasmine E. Larkley, Viola B. Maynhard, 2008 This book presents new and important analyses on one of the most important topics throughout the world innovation in education It is in the field of education that the future of countries is determined and forged It is also one of the most diverse and difficult fields in which change can be eventuated because of the complexity of the problems and their connection to society and its problems because the changes usually take time and politicians detest investments in the long term and because the field itself is changing so rapidly across a wide spectrum

City of Knowledge in Twentieth Century Iran Setrag Manoukian, 2012-03-12 This book presents a cultural history of modern Iran through the perspective of the city Addressing the relationship between history poetry and politics in Iran the author demonstrates that the question of knowledge is crucial to an understanding of the political and existential dimensions of life in Iran today **Islamic Modern** Michael G. Peletz, 2018-06-05 How do Islamic courts work What sorts of cultural understandings inform judicial process and litigants strategies How do women s claims fare Do these courts promote social tolerance And how do states use them to consolidate power build nations and shape a modern citizenry These are among the questions addressed in this book which not only enhances our understanding of diversity among and within the world s Muslim communities but also provides ethnographic historical and transnational perspectives on contemporary Islam in the shifting landscape of a strategically important region of the world Focusing on Malaysia which has sustained more rapid development than probably any other Muslim nation Michael Peletz explores the culture political economy and history of Islamic courts He demonstrates that they are centrally involved in the creation and policing of new Malay Muslim identities such as middle class urban dwellers that the state sees as the basis for a national polity that will be highly competitive He also shows how and why Islamic courts are key sites in struggles involving ethnic and religious groups social classes political parties and others with a major stake in defining Islam s role with respect to the maintenance of sovereignty and the achievement of modernity and civil society in an age of globalization Peletz deepens our knowledge of Islamic political development in a country very much concerned with forging an Islamic modernity viewed by its leaders as a viable alternative to Western style modernization Anthropology in the City Italo Pardo, Giuliana B. Prato, 2016-05-23 With half of humanity already living in towns and cities and that proportion expected to increase in the coming decades society both Western and non Western is fast becoming urban and even mega urban As such research in urban settings is evidently timely

and of great importance Anthropology in the City brings together a leading team of anthropologists to address the complex methodological and theoretical challenges posed by field research in urban settings clearly identifying the significance of the anthropological paradigm in urban research and its centrality both to mainstream academic debates and to society more broadly With essays from experts on wide ranging ethnographic research from fields as diverse as China Europe India Latin and North America and South East Asia this book demonstrates the contribution that empirically based anthropological analysis can make to our understanding of our increasingly urban world

Theory in Social and Cultural Anthropology

R. Jon McGee, Richard L. Warms, 2013-08-28 Social and cultural anthropology and archaeology are rich subjects with deep connections in the social and physical sciences Over the past 150 years the subject matter and different theoretical perspectives have expanded so greatly that no single individual can command all of it Consequently both advanced students and professionals may be confronted with theoretical positions and names of theorists with whom they are only partially familiar if they have heard of them at all Students in particular are likely to turn to the web to find quick background information on theorists and theories However most web based information is inaccurate and or lacks depth Students and professionals need a source to provide a quick overview of a particular theory and theorist with just the basics the who what where how and why In response SAGE Reference is publishing the two volume Theory in Social and Cultural Anthropology An Encyclopedia Features Benefits Two volumes containing approximately 335 signed entries provide users with the most authoritative and thorough reference resource available on anthropology theory both in terms of breadth and depth of coverage To ease navigation between and among related entries a Reader's Guide groups entries thematically and each entry is followed by Cross References In the electronic version the Reader's Guide combines with the Cross References and a detailed Index to provide robust search and browse capabilities An appendix with a Chronology of Anthropology Theory allows students to easily chart directions and trends in thought and theory from early times to the present Suggestions for Further Reading at the end of each entry and a Master Bibliography at the end guide readers to sources for more detailed research and discussion
