

John Burrowes

Irish

The Remarkable Saga of a Nation and a City

...full of intriguing details, some humorous, some tragic ...
Burrowes has written a good, solid, lively piece of popular history.
—*Sunday Herald*

"Burrowes has done a remarkable job in telling this engaging tale
of privation and evolving social history in an incisive way."
—*The Good Book Guide*

Irish The Remarkable Saga Of A Nation And A City

David G. Barrie, Susan Broomhall

Irish The Remarkable Saga Of A Nation And A City:

Irish John Burrowes, 2011-10-14 Irish is the story of the mass migration from Ireland to Glasgow that took place in the wake of the Great Famine of the mid nineteenth century It is an epic account of the coming together of a nation and a city This is the tale of those who escaped a nightmare existence in the poorest and most deprived country in Europe and changed the city of Glasgow forever Irish brings to life the horrot of those grim days and reveals the unimaginable suffering endured as a result of the Potatoe Blight It describes in vivid detail the hazards and hardships faced by those fleeing Ireland in search of a better life overseas including a startling account of one of the most deplorable maritime crimes ever committed the voyage of the SS Londonderry The coming of the Irish to Glasgow had a bigger impact on the city than other event Now for the first time the truth about this most significant and stirring episode is vividly unfolded It tells of the contribution made by Irish labourers in Glasgow to the Industrial Revolution reveals that the legendary football clubs of Celtic and Rangers may never have existed were it not for the migrant s arrival and describes the Partick War and the occasion of the first ever Orange Walk

Emigrant Players Paul Darby, David Hassan, 2013-10-18 Ireland and its inhabitants have often been described as being sports mad As a relatively small geographical entity Ireland north and south has produced a disproportionately high number of world class sports men and women who have excelled at the highest levels of their chosen sport The significance of sport in Ireland though extends far beyond the achievements of such individuals Sport has historically assumed a centrality in the lives of the island s inhabitants a fact that can be measured by the numbers and commitment of participants as well as the emotional and financial investment of fans This book seeks to address the ways in which Irish aptitude and ebullience for sport has manifested itself in those parts of the world that have or have had relatively large Irish communities The first part of the book explores the diffusion of Gaelic games to a number of centres of Irish immigration and examines the social economic political and psychological impact that these games had in helping the Diaspora adjust to life in what were often inhospitable environs The second part of the book extends the analysis by examining the contribution of Irish sports men and women to the sports culture that they encountered in their new homes and assessing the ways in which their involvement in these sports allowed them to come to terms with and make their way in their new locales This book was previously published as a special issue of the journal Sport in Society

Being poor in modern Europe Inga Brandes, 2006 Edited papers from an international conference at the University of Trier 2003

Police Courts in Nineteenth-Century Scotland, Volume 2 David G. Barrie, Susan Broomhall, 2016-04-22 Volume 2 of this two volume companion study into the administration experience impact and representation of summary justice in Scotland explores the role of police courts in moulding cultural ideas social behaviours and urban environments in the nineteenth century Whereas Volume 1 subtitled Magistrates Media and the Masses analysed the establishment development and practice of police courts Volume 2 subtitled Boundaries Behaviours and Bodies examines through themed case studies how

these civic and judicial institutions shaped conceptual spatial temporal and commercial boundaries by regulating every day activities pastimes and cultures As with Volume 1 Boundaries Behaviours and Bodies is attentive to the relationship between magistrates the police the media and the wider community but here the main focus of analysis is on the role and impact of the police courts through their practice on cultural ideas social behaviours and environments in the nineteenth century city By intertwining social cultural institutional and criminological analyses this volume examines police courts external impact through the matters they treated considering how concepts such as childhood and juvenile behaviour violence and its victims poverty migration health and disease and the regulation of leisure and trade were assessed and ultimately affected by judicial practice

Bessie Quinn: Survivor Spirit Ursula Howard, 2022-03-31 Bessie Quinn was an early 20th century New Woman a mother living her love story in the enchanted world of the Garden City When she died in the Spanish Flu epidemic of 1918 19 her shattered husband abandoned her memory belongings and life history Her disappearance reverberated down generations Starting with only an Arts and Crafts kettle one photo and a linen smock Ursula has restored her grandmother to life After long searches she found Bessie in the Scottish Borders eighth child of working class Irish parents who fled hunger after the Great Famine of the 1840s This biography of a poor family unearths hard journeys of love luck and loss weaving historical fact with memory and imagination into a compelling story

Football and Diaspora Jeffrey W. Kassing, Sangmi Lee, 2023-12-12 This is the first book to examine football soccer through the lens of diaspora studies Presenting case studies from across four continents it considers how diasporic minorities develop a sense of belonging between their national and transnational ethnic communities through an active participation in football Bringing together a cross disciplinary group of scholars working in anthropology communication cultural studies history psychology politics sociology and sport it unearths the connections between culture identities politics nationalism globalization and how those manifest in the lived experience of diasporic peoples Against a background of the continued internationalization of sport and pervasive global migration it explores key themes in the social sciences including migration acculturation and assimilation sport identity fandom and representation and nationhood citizenship and politics As the book focuses on diverse ethnoreligious groups dispersed around the world it covers a wide range of geographic locations with cases addressing the Bolivian Ethiopian Moroccan Zimbabwean Croatian Irish and Basque diasporas It is fascinating reading for anybody working in sport studies diaspora studies political science sociology cultural studies international history or social history

Scottish Gods Bruce Steve Bruce, 2018-09-17 Steve Bruce here presents a highly readable account of the changing nature and place of religion in Scotland in an increasingly irreligious society In 1900 Scotland was a largely Presbyterian country and the Christian churches were a major social force Now less than 10 per cent of Scots attend church As religion has declined it has become more varied Catholicism has grown as have Charismatic Christian fellowships Buddhist and Hindu themes have easternised our religious vocabulary a significant Muslim population has become established and a notable number of Scots now pursue

personal spiritual interests in forms which would once have been dismissed as pagan Both this decline and the diversification deserve explanation The Protestant Catholic divide has faded but Scots have new controversies over the proper public place of religion in the light of growing secularization and diversification The growth of individual liberty and increasing cultural diversity combine to weaken all shared beliefs by changing religion from a social matter into a private personal concern All religious groups are faced with the choice of either accommodating that trend and losing their distinctiveness or resisting it and making membership too costly for most potential adherents This radical remapping of Scotland's religious character is a fascinating summary of a remarkable career of research and analysis by one of Scotland's leading social historians Topics include Lewis Orkney and Shetland compared the integration of the Irish the growth and decline of the Catholic Church Scotland Orange and Protestant the Post War Kirk factionalism in the conservative Presbyterian churches the failure of the charismatic movement in Scotland Samye Ling and Buddhism Findhorn and New Age spirituality Scots Muslims and arguments over the ordination of women and gay rights *Moments, Metaphors, Memories* Kausik Bandyopadhyay, Souvik Naha, 2021-05-13 As the most popular mass spectator sport across the world soccer generates key moments of significance on and off the field encapsulated in events that create metaphors and memories with wider social cultural psychological political commercial and aesthetic implications Since its inception as a modern game the history of soccer has been replete with events that have changed the organization meanings and impact of the sport The passage from the club to the nation or from the local to the global often opens up transnational spaces that provide a context for studying the events that have defined the sport and its followers Such defining events can include sporting performances decisions taken by various stakeholders of the game accidents and violence among players and fans and invention of supporter cultures among other things The present volume attempts to document identify and analyse some of the defining events in the history of soccer from interdisciplinary and comparative perspectives It revisits the discourses of signification and memorialization of such events that have influenced society culture politics religion and commerce This book was originally published as a special issue of the journal Soccer Society *Sectarianism in Scotland* Steve Bruce, 2019-06-01 No detailed description available for Sectarianism in Scotland *Face to Face* Kausik Bandyopadhyay, 2021-03-31 While rivalry is embedded in any sporting event or performance soccer the world's most popular mass spectator sport has been an emblem of such rivalries since its inception as an organized sport Some of these rivalries grow to become long term and perennial by their nature extent impact and legacy from the local to the global level They represent identities based on widely diverse affiliations of human life locality region nation continent community class culture religion ethnicity and so on Yet at times such rivalries transcend barriers of space and time where soccer clubs nations personalities organizations styles and fans float and compete with intriguing identities The present volume brings into focus some of the most fascinating and enduring rivalries in the world of soccer It attempts to encapsulate analyse and reconstruct those rivalries between nations between clubs between

personalities between styles of play between fandoms and between organizations in a historical perspective in relation to diverse identities competing ideologies contestations of power psychologies of attachment bonds of loyalty notions of enmity articulations of violence and affinities of fan culture some of the core manifestations of sporting rivalry The chapters in this book were originally published as a special issue of Soccer Society *Our Glasgow* Piers Dudgeon,2012-10-25 This ebook edition contains the full text version as per the book Doesn t include original photographic and illustrated material This oral history of Glasgow spans most of the last century a time of economic downturn and eventual renewal in which the many communities making up the city experienced upheavals that tore some apart and brought others closer together It tells of the beating heart of no mean city in the words of the people who made it what it is Piers Dudgeon has listened to dozens of people who remember the city as it was and who have lived through its many changes They talk of childhood and education of work and entertainment of family community values health politics religion and music Their stories will make you laugh and cry It is people s own memories that make history real and this engrossing book captures them vividly *The Sectarian Myth in Scotland* M. Rosie,2004-06-22 The question of sectarianism in Scotland belongs within a wider framework than it has hitherto been placed It offers insights into continuing indeed pressing debates about religious identity and civil and political society in the modern world This book questions the view that religion and politics do not and cannot mix in pluralistic tolerant and increasingly secular societies and reveals that memories bitter memories can outlive and obscure the demise of actual conflict The 10 Football Matches That Changed the World Jim Murphy,2014-06-11 The assertion that football isn t a matter of life or death it s much more important than that has been verified repeatedly throughout modern history It has bolstered tyrants and helped depose them contributed to conflict and created ceasefires It has been an incubator of racism at home and helped bring down a racist regime abroad shaped cities changed cultures and inspired resistance Its impact is as dynamic as the game itself In this fascinating exploration Jim Murphy takes us on a journey around the world and through the years from Franco s Spain to Africa s Alcatraz Robben Island Charting the match that sparked a Central American war the Barcelona team threatened at gunpoint and the game that helped save Rupert Murdoch s media empire among much else Murphy lends a fresh new perspective to some of the most iconic moments in international football Blending a love of the game with an appreciation of its place in global events this is an authoritative and often humorous mix of sport and history featuring fascinating first hand insights from those most involved in the ten matches that changed the world and the one that didn t **The Eucharist and World Hunger** Izunna Okonkwo,2011-12-21 Hunger is a menace in different parts of the globe It has more unnatural than natural causes Though efforts have been made towards alleviating its causes and consequences more actions still need to be taken for its genuine alleviation and eventual eradication in the world For Joseph Grassi painful hunger is a daily occurrence that must be countered by ongoing effective programs that enter into the lives of every Christian Such position not only recognises the frequency and excruciating nature of hunger but also suggests that

Christians and other religious groups have a very important role to play in order to eradicate hunger and its devastating effects This book explores the nuances of hunger its causes dimensions and approaches as well as its connection to the Eucharist It argues that hunger can be eradicated and that the Eucharist stands out as a veritable model **Ireland of the Welcomes** ,2003 **Welfare Peripheries** Steven King,John Stewart,2007 This volume investigates the development of welfare structures in the peripheral states of Europe Focusing on Ireland Wales Scotland Finland The Netherlands Denmark and Norway it explores what the welfare systems shared in common with each other and where the experiences of these states differed from other European welfare structures *Police Courts in Nineteenth-Century Scotland, Volume 2* Professor Susan Broomhall,Dr David G Barrie,2015-01-28 Taking the form of two companion volumes *Police Courts in Nineteenth Century Scotland* represents the first major investigation into summary justice in Scottish towns c 1800 to 1892 Whereas Volume 1 subtitled *Magistrates Media and the Masses* analysed the establishment development and practice of police courts Volume 2 explores through themed case studies the role of police courts in moulding cultural ideas social behaviours and urban environments in the nineteenth century *Police Courts in Nineteenth-Century Scotland, 2-volume set* David G. Barrie,Susan Broomhall,2022-07-30 Taking the form of two companion volumes *Police Courts in Nineteenth Century Scotland* represents the first major investigation into the administration experience impact and representation of summary justice in Scottish towns c 1800 to 1892 Each volume explores diverse but complementary themes relating to judicial practices relationships experiences and discourses through the lens of the same subject matter the police court Volume 1 subtitled *Magistrates Media and the Masses* provides an institutional social and cultural history of the establishment development and practice of police courts It explores their rise purpose and internal workings and how justice was administered and experienced by those who attended them in a variety of roles Special attention is given to examining how courtroom discourse was represented in print culture the role of the media in providing a discursive commentary on summary justice and the ways in which magistrates and the police engaged in a law and order dialogue with the press Throughout consideration is given to uncovering the relationship between magistrates the courts the police and the wider community and to charting the implications of the rise of summary justice and the police man state for the urban masses as evidenced through prosecution conviction and punishment patterns Volume 2 subtitled *Boundaries Behaviours and Bodies* examines through themed case studies how these civic and judicial institutions shaped conceptual spatial temporal and commercial boundaries by regulating every day activities pastimes and cultures As with Volume 1 *Boundaries Behaviours and Bodies* is attentive to the relationship between magistrates the police the media and the wider community but here the main focus of analysis is on the role and impact of the police courts through their practice on cultural ideas social behaviours and environments in the nineteenth century city *Ireland and Scotland in the Nineteenth Century* James Richard Redmond McConnel,2009 This collection published in association with the Society for the Study of Nineteenth Century Ireland re

examines the relationship between Ireland and Scotland in the nineteenth century Adopting a cross disciplinary approach it questions received ideas about the extent of cultural harmony between the two countries arguing instead that conflict and difference were central themes in nineteenth century Irish Scottish relations Book Jacket **Irish Economic and Social History** ,2004

Irish The Remarkable Saga Of A Nation And A City Introduction

In the digital age, access to information has become easier than ever before. The ability to download Irish The Remarkable Saga Of A Nation And A City has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Irish The Remarkable Saga Of A Nation And A City has opened up a world of possibilities. Downloading Irish The Remarkable Saga Of A Nation And A City provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Irish The Remarkable Saga Of A Nation And A City has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Irish The Remarkable Saga Of A Nation And A City. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Irish The Remarkable Saga Of A Nation And A City. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Irish The Remarkable Saga Of A Nation And A City, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and

validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Irish The Remarkable Saga Of A Nation And A City has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Irish The Remarkable Saga Of A Nation And A City Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
