

Iron Men, Wooden Women

**Gender and
Seafaring in the
Atlantic World,
1700–1920**

edited by Margaret S. Creighton and Lisa Norling

Iron Men Wooden Women Iron Men Wooden Women

Richard Blakemore, James Davey

Iron Men Wooden Women Iron Men Wooden Women:

Iron Men, Wooden Women Margaret S. Creighton, Lisa Norling, 1996-05 From the voyage of the Argonauts to the Tailhook scandal seafaring has long been one of the most glaringly male dominated occupations In this groundbreaking interdisciplinary study Margaret Creighton Lisa Norling and their co authors explore the relationship of gender and seafaring in the Anglo American age of sail Drawing on a wide range of American and British sources from diaries logbooks and account ledgers to songs poetry fiction and a range of public sources the authors show how popular fascination with seafaring and the sailors rigorous male only life led to models of gender behavior based on iron men aboard ship and stoic women ashore Yet **Iron Men Wooden Women** also offers new material that defies conventional views The authors investigate such topics as women in the American whaling industry and the role of the captain's wife aboard ship They explore the careers of the female pirates Anne Bonny and Mary Read as well as those of other women transvestite heroines who dressed as men to serve on the crews of sailing ships And they explore the importance of gender and its connection to race for African American and other seamen in both the American and the British merchant marine Contributors include both social historians and literary critics Marcus Rediker Dianne Dugaw Ruth Wallis Herndon Haskell Springer W Jeffrey Bolster Laura Tabili Lillian Nayder and Melody Graulich in addition to Margaret Creighton and Lisa Norling

The Many-headed Hydra Peter Linebaugh, Marcus Rediker, 2000 For most readers the tale told here will be completely new For those already acquainted with the seventeenth and eighteenth centuries the image of that age which they have been so carefully taught and cultivated will be profoundly challenged

Sex Dolls at Sea Bo Ruberg, 2022-06-14 Investigating and reimagining the origin story of the sex doll through the tale of the sailor's dames de voyage The sex doll and its high tech counterpart the sex robot have gone mainstream as both the object of consumer desire and the subject of academic study But sex dolls and sexual technology in general are nothing new Sex dolls have been around for centuries In **Sex Dolls at Sea** Bo Ruberg explores the origin story of the sex doll investigating its cultural implications and considering who has been marginalized and who has been privileged in the narrative Ruberg examines the generally accepted story that the first sex dolls were dames de voyage rudimentary figures made of cloth and leather scraps by European sailors on long lonely ocean voyages in centuries past In search of supporting evidence for the lonesome sailor sex doll theory Ruberg uncovers the real history of the sex doll The earliest commercial sex dolls were not the dames de voyage but the femmes en caoutchouc women made of inflatable vulcanized rubber beginning in the late nineteenth century Interrogating the sailor sex doll origin story Ruberg finds beneath the surface a web of issues relating to gender sexuality race and colonialism What has been lost in the history of the sex doll and other sex tech Ruberg tells us are the stories of the sex workers women queer people and people of color whose lives have been bound up with these technologies

The Captain's Widow of Sandwich Megan Taylor Shockley, 2010-04-12 In 1852 Hannah Rebecca Crowell married sea captain William Burgess and set sail Within three years Rebecca Burgess had

crossed the equator eleven times and learned to navigate a vessel This title examines how Burgess constructed her own legend and how the town of Sandwich embraced that history as its own Museum, Place, Architecture and Narrative Annika Bünz,2022-09-13 A characteristic trait of the maritime museums is that they are often located in a contemporary and or historical environment from which the collections and narratives originate The museum can thereby be directly linked to the site and its history It is therefore vital to investigate the maritime museums in terms of relationships between landscape architecture museum and collections This volume unravels the kinds of worlds and realities the Nordic maritime museums stage which identities and national myths they depict and how they make use of both the surrounding maritime environments and the architectural properties of the museum buildings The Maritime World of Early Modern Britain Richard Blakemore,James Davey,2025-10-01 Britain s emergence as one of Europe s major maritime powers has all too frequently been subsumed by nationalistic narratives that focus on operations and technology This volume by contrast offers a daring new take on Britain s maritime past It brings together scholars from a range of disciplines to explore the manifold ways in which the sea shaped British history demonstrating the number of approaches that now have a stake in defining the discipline of maritime history The chapters analyse the economic social and cultural contexts in which English maritime endeavour existed as well as discussing representations of the sea The contributors show how people from across the British Isles increasingly engaged with the maritime world whether through their own lived experiences or through material culture The volume also includes essays that investigate encounters between English voyagers and indigenous peoples in Africa and the intellectual foundations of imperial ambition Women of Piracy Brittany VandeBerg,2023-01-20 Drawing from an interdisciplinary body of research and data Women of Piracy employs a criminological lens to explore how women have been involved in and impacted by maritime piracy operations from the 16th century to present day piracy off the coast of Somalia The book challenges and resists popular understandings of women as peripheral to the criminal enterprise of piracy by presenting and analyzing their roles and experiences as victims perpetrators and criminal justice actors showing that women have been and continue to be central figures in maritime piracy Unfolding in three parts part one sets the context by providing readers with a history of the masculinization of the sea Part two focuses on the gendered division of labor in piracy operations discussing how and why the roles and responsibilities associated with this gendered labor have emerged persisted evolved and or ceased over time as well as considering which roles and responsibilities appear to be context specific and which seem to transgress geographical locations Part three explores how women have or have not been brought to justice for their participation in crimes of piracy as well as the roles of women in efforts to combat piracy The overarching objective is to ignite a broader discussion about the various cultural social historical and economic forces that create opportunities for women to participate in maritime piracy and counter piracy why women continue to be invisible figures of piracy and what implications this has for how we study police and bring pirates to justice The first criminologically grounded global study

exploring the continuity and evolution of women in maritime piracy this book will be of great interest to students and scholars of criminology gender feminist studies international relations anthropology history and political geography It will also be useful to maritime and law enforcement professionals **Occupied Women** LeeAnn Whites,Alecia P.

Long,2009-06-15 In the spring of 1861 tens of thousands of young men formed military companies and offered to fight for their country Near the end of the Civil War nearly half of the adult male population of the North and a staggering 90 percent of eligible white males in the South had joined the military With their husbands sons and fathers away legions of women took on additional duties formerly handled by males and many also faced the ordeal of having their homes occupied by enemy troops With occupation the home front and the battlefield merged to create an unanticipated second front where civilians mainly women resisted what they perceived as unjust domination In *Occupied Women* twelve distinguished historians consider how women s reactions to occupation affected both the strategies of military leaders and ultimately even the outcome of the Civil War Alecia P Long Lisa Tendrich Frank E Susan Barber and Charles F Ritter explore occupation as an incubator of military policies that reflected occupied women s activism Margaret Creighton Kristen L Streater LeeAnn Whites and Cita Cook examine specific locations where citizens both enforced and evaded these military policies Leslie A Schwalm Victoria E Bynum and Joan E Cashin look at the occupation as part of complex and overlapping differences in race class and culture An epilogue by Judith Giesberg emphasizes these themes Some essays reinterpret legendary encounters between military men and occupied women such as those prompted by General Butler s infamous Woman Order and Sherman s March to the Sea Others explore new areas such as the development of military policy with regard to sexual justice Throughout the contributors examine the common experiences of occupied women and address the unique situations faced by women whether Union Confederate or freed Civil War historians have traditionally depicted Confederate women as rendered inert by occupying armies but these essays demonstrate that women came together to form a strong localized resistance to military invasion Guerrilla activity for example occurred with the support and active participation of women on the home front Women ran the domestic supply line of food shelter and information that proved critical to guerrilla tactics By broadening the discussion of the Civil War to include what LeeAnn Whites calls the relational field of battle this pioneering collection helps reconfigure the location of conflict and the chronology of the American Civil War **They Fought Like Demons** DeAnne Blanton,Lauren Cook Wike,2002-09 Popular images of women during the American Civil War include self sacrificing nurses romantic spies and brave ladies maintaining hearth and home in the absence of their men However as DeAnne Blanton and Lauren M Cook show in their remarkable new study that conventional picture does not tell the entire story Hundreds of women assumed male aliases disguised themselves in men s uniforms and charged into battle as Union and Confederate soldiers facing down not only the guns of the adversary but also the gender prejudices of society *They Fought Like Demons* is the first book to fully explore and explain these women their experiences as combatants and the controversial issues

surrounding their military service Relying on more than a decade of research in primary sources Blanton and Cook document over 240 women in uniform and find that their reasons for fighting mirrored those of men patriotism honor heritage and a desire for excitement Some enlisted to remain with husbands or brothers while others had dressed as men before the war Some so enjoyed being freed from traditional women's roles that they continued their masquerade well after 1865 The authors describe how Yankee and Rebel women soldiers eluded detection some for many years and even merited promotion Their comrades often did not discover the deception until the young boy in their company was wounded killed or gave birth In addition to examining the details of everyday military life and the harsh challenges of warfare for these women which included injury capture and imprisonment Blanton and Cook discuss the female warrior as an icon in nineteenth century popular culture and why twentieth century historians and society ignored women soldiers contributions Shattering the negative assumptions long held about Civil War distaff soldiers this sophisticated and dynamic work sheds much needed light on an unusual and overlooked facet of the Civil War experience *Bawdy City* Katie M. Hemphill, 2020-01-02 A vivid social history of Baltimore's prostitution trade and its evolution throughout the nineteenth century *Bawdy City* centers woman in a story of the relationship between sexuality capitalism and law Beginning in the colonial period prostitution was little more than a subsistence trade However by the 1840s urban growth and changing patterns of household labor ushered in a booming brothel industry The women who oversaw and labored within these brothels were economic agents surviving and thriving in an urban world hostile to their presence With the rise of urban leisure industries and policing practices that spelled the end of sex establishments the industry survived for only a few decades Yet even within this brief period brothels and their residents altered the geographies economy and policies of Baltimore in profound ways Hemphill's critical narrative of gender and labor shows how sexual commerce and debates over its regulation shaped an American city *Gender at Sea* Marleen Reichgelt e.a., 2022-12-14 For centuries seafaring people thought that the presence of women on board would mean bad luck rough weather shipwreck and other disasters were sure to follow Because of these beliefs and prejudices women were supposedly excluded from the maritime domain In the field of maritime history too the ship and the sea have predominantly been perceived as a space for men This volume of the Yearbook of Women's History challenges these notions It asks to what extent were the sea and the ship ever male dominated and masculine spaces How have women been part of seafaring communities maritime undertakings and maritime culture How did gender notions impact life on board and vice versa From a multidisciplinary perspective this volume moves from Indonesia to the Faroe Islands from the Mediterranean to Newfoundland bringing to light the presence of women and the workings of gender on sailing whaling steam cruise passenger pirate and navy ships As a whole it demonstrates the diversity and the agency of women at sea from ancient times to the present day Warrior Women and Popular Balladry, 1650-1850 Dianne Dugaw, 1996-01-15 Masquerading as a man seeking adventure going to war or to sea for love and glory the transvestite heroine flourished in all kinds of literature

especially ballads from the Renaissance to the Victorian age Warrior Women and Popular Balladry 1650 1850 identifies this heroine and her significance as a figure in folklore and as a representative of popular culture prompting important reevaluations of gender and sexuality Dugaw has uncovered a fascination with women cross dressers in the popular literature of early modern Europe and America Surveying a wide range of Anglo American texts from popular ballads and chapbook life histories to the comedies and tragedies of aristocratic literature she demonstrates the extent to which gender and sexuality are enacted as constructs of history *Life-writings by British Women, 1660-1815* Carolyn A. Barros, Johanna M. Smith, 2000 A pioneering diverse collection that provides insight into the powerful motive of self expression that inspired women autobiographers around the eighteenth century *Women, travel and identity* Emma Robinson-Tomsett, 2016-05-16 The years between 1870 and 1940 are often considered a golden age of travel as larger and evermore sumptuous ships and trains were built including the Orient Express Blue Train Lusitania and Normandie journeying abroad became and remains today synonymous with chic splendour and luxury Utilising women s diaries and letters art advertising fiction and etiquette guides this book considers the journey s impact upon understandings of female identity definitions of femininity modernity glamour class travel tourism leisure and sexual opportunity and threat during this period It explores women s relationship with train and ship technology cultural understandings of the journey public expectations of women journeyers how women journeyed in practice their use of journey space sociability with both Western and Other non Western journeyers experience of love sex and danger during the journey and how women fashioned a journeyer identity which fused their existing domestic identities with new journey identities such as the journey chronicler The journey is revealed to be an experience of sociability as much as mobility dominated by ideas of respectability and reputation class power vision and observation and home as well as the foreign and new **Transatlantic Women Travelers, 1688-1843** Misty Krueger, 2021-03-12 This collection examines images of late seventeenth through mid nineteenth century transatlantic women travelers in historical and literary works The volume features women of a variety of races ethnicities and social classes traveling in all directions of the Atlantic Ocean as well as the people they encounter in their travels and residences *Ballads and Broadsides in Britain, 1500-1800* Patricia Fumerton, Anita Guerrini, 2017-05-15 Bringing together diverse scholars to represent the full historical breadth of the early modern period and a wide range of disciplines literature women s studies folklore ethnomusicology art history media studies the history of science and history *Ballads and Broadsides in Britain 1500 1800* offers an unprecedented perspective on the development and cultural practice of popular print in early modern Britain Fifteen essays explore major issues raised by the broadside genre in the early modern period the different methods by which contemporaries of the sixteenth through nineteenth centuries collected and appreciated such early modern popular forms the preoccupation in the early modern period with news and especially monsters the concomitant fascination with and representation of crime and the criminal subject the technology and formal features of early modern broadside print together with its bearing on gender class and

authority authorship and finally the nationalizing and internationalizing of popular culture through crossings against and sometimes with cultural Others in ballads and broadsides of the time *The Island Race* Kathleen Wilson,2014-06-03

Rooted in a period of vigorous exploration and colonialism *The Island Race* Englishness empire and gender in the eighteenth century is an innovative study of the issues of nation gender and identity Wilson bases her analysis on a wide range of case studies drawn both from Britain and across the Atlantic and Pacific worlds Creating a colourful and original colonial landscape she considers topics such as sodomy theatre masculinity the symbolism of Britannia the role of women in war Wilson shows the far reaching implications that colonial power and expansion had upon the English people s sense of self and argues that the vaunted singularity of English culture was in fact constituted by the bodies practices and exchanges of peoples across the globe Theoretically rigorous and highly readable *The Island Race* will become a seminal text for understanding the pressing issues that it confronts **Women's Historical Fiction Across the Globe** Catherine

Barbour,Karunika Kardak,2025-03-03 This book explores contemporary women s historical fiction from global perspectives and expands substantially on existing studies by drawing on intersectional transnational and decolonial approaches to examine texts originating in different languages and engaging with diverse time periods contexts and cultural settings The chapters explore how the genre of women s historical fiction unearths women s historical experiences and adds to historical narratives in order to counter and challenge colonial heteropatriarchal official histories The collection addresses how women writers utilise the genre to reclaim personal and collective memory as well as write back into history marginalised oppressed and overlooked subjectivities especially those of racialised migrant disabled LGBTQIA and other minoritised communities Chapter 1 of this book is available open access under a CC BY 4 0 license at link.springer.com thanks to the generous support of Trinity College Dublin Trust **Criminals as Heroes in Popular Culture** Roxie J. James,Kathryn E.

Lane,2020-03-07 This book delves into humanity s compulsive need to valorize criminals The criminal hero is a seductive figure and audiences get a rather scopophilic pleasure in watching people behave badly This book offers an analysis of the varied and vexing definitions of hero criminal and criminal heroes both historically and culturally This book also examines the global presence gendered complications and gentle juxtapositions in criminal hero figures such as Robin Hood Breaking Bad American Gods American Vandal Kabir Plunkett and Maclean Martha Stewart Mary Read Anne Bonny Ocean s 11 Ocean s Eleven and Let The Bullets Fly Thomas and Charity Rotch Barbara K. Wittman,2015-10-13 This first full length study of Quakers Charity and Thomas Rotch early New England settlers to northeast Ohio 1811 1824 explores their role in the transformation of the frontier environment from wilderness to a prosperous market town The book utilizes a wide selection of archival sources to provide insights into early community building in Ohio The letters of Charity Rotch suggest that Quaker women forged particular sorts of relationships that encouraged their interconnections and interdependence Women also recognized the significance of gender in their lives as they defined themselves collectively as women The vocabulary and the

cultural grammar that women used to reinforce kinship ties were crucial to building and maintain their faith communities over extended geographic distances This book will be of interest to scholars of early Ohio economic history and development Quaker history and settlement in Ohio gender and the household in 19th century American history

The Top Books of the Year Iron Men Wooden Women Iron Men Wooden Women The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Iron Men Wooden Women Iron Men Wooden Women : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papan, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Iron Men Wooden Women Iron Men Wooden Women Introduction

In today's digital age, the availability of Iron Men Wooden Women Iron Men Wooden Women books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Iron Men Wooden Women Iron Men Wooden Women books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Iron Men Wooden Women Iron Men Wooden Women books and manuals for download is the cost-saving aspect. Traditional books and

manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Iron Men Wooden Women Iron Men Wooden Women versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Iron Men Wooden Women Iron Men Wooden Women books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Iron Men Wooden Women Iron Men Wooden Women books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Iron Men Wooden Women Iron Men Wooden Women books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Iron Men Wooden Women Iron Men Wooden Women books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Iron Men Wooden Women Iron Men Wooden Women books and manuals for download

and embark on your journey of knowledge?
