Ironman Author Chris Crutcher Oct 2004:

Chris Crutcher Bryan Gillis, Pam B. Cole, 2012-08-17 Chris Crutcher is a literary icon in the field of young adult literature. With his first book *Running Loose* published in 1983, Crutcher established a reputation for giving young adults a voice in realistic fiction. Since then, Crutcher has written a number of books with a spot on depictions of young adults growing through hard times, including *Ironman*, *Whale Talk*, *Staying Fat for Sarah Byrnes*, and *Stotan In*. Chris Crutcher: A Stotan for Young Adults by Bryan Gillis and Pam B. Cole examine the life, career, and works of this young adult advocate. This volume opens with a never-before-published comprehensive portrait of the author's life gleaned from numerous conversations with Crutcher. The authors explore Crutcher's childhood, his adolescent years, his life as an adult, and his career as a family counselor, and examine how those experiences became fodder for his stories. The authors also discuss Crutcher's encounters with censorship and his philosophical stance. Gillis and Cole also analyze Crutcher's novels, short stories, and novellas, examining his literary craft and such social themes as bigotry, identity, sexuality, relationships, and loss, themes almost always positioned within a sports story. The most comprehensive study of Crutcher's life and work to date, this book benefits tremendously from the cooperation of Crutcher himself. Generally reserved about private matters, Crutcher talks candidly about his life and how his experiences helped shape his character and his stories. His cooperative spirit gives voice to a book that will appeal not only to teachers and librarians but to students who have been enthralled by the works of this generous writer.

Sport in American Culture Joyce D. Duncan, 2004-11-19 A unique and timely exploration of the cultural impact of sport on American society, including lifestyles, language, and thinking. *Sport in American Culture* is the first and only reference work to provide an in-depth and up-to-date exploration of sport and its impact on American culture. Essays from more than 200 scholars, professionals, and sports enthusiasts address how sport has changed our lifestyles, language, and thinking. Arranged alphabetically, the work introduces key sport figures and national icons with a focus on their cultural impact; examines individual sports and how they have influenced society; and discusses such phenomena as the billion-dollar athletic apparel industry, sport as big business, and the effect of sport on gender, racial views, pride, and nationalism. In addition to expected topics, the work also includes less-studied areas such as myths, audience rituals, Wheaties comic books, the hula hoop, and religion.

Creating Writers Vicki Spandel, 2005 *Creating Writers* Fourth Edition is the most comprehensive exploration of the 6-trait approach to writing yet. Written by the pioneer of 6-trait writing, this Fourth Edition brings everything up to date, offering a comprehensive overview of the best education strategies and philosophies from the worlds of writing assessment and instruction. It provides clear guidelines on helping students draft, assess, and revise their writing, as well as explicit criteria to show students precisely what they must do to succeed as writers in virtually any situation. Widely used at the state level, school districts are incorporating the 6 traits into their state standards or assessments. This is the only book on the market that effectively helps teachers of writing prepare their students for success on state tests. New format.
