

"Stuart Sutherland has surveyed the entire range of human irrationality; its experimental investigation, its root causes and its attempted cures in a book which is terrifying, sometimes comic, very readable and totally enthralling."

"It makes one wonder how Aristotle could have called man a rational animal."

OLIVER SACKS

IRRATIONALITY

THE ENEMY WITHIN

"I really enjoyed this book, which is extremely gripping and unusually well written. Whether Sutherland is right or wrong in his criticism of the irrationality of judges, generals and financiers, I am mischievous enough to hug myself with glee at the spectacle of a scientist telling them where to get off."

RICHARD DAWKINS

STUART
SUTHERLAND
