A Journey in the Heart Christine Apter, PhD, ERYT 500, 2017-11-06 A Journey in the Heart By Christine Apter PhD ERYT 500 This book is meant to be an organized curriculum that takes a student beyond the foundational philosophy anatomy technical aspects and teaching methodology developed from many advanced yoga teacher training workshops The basics of yoga teaching with the standards of Yoga Alliance are not covered in this text It is designed as a manual intended to meet the criteria for 300 hours of knowledge and practice above and beyond what is taught in basic yoga teacher training A deep desire and enthusiasm for the teaching is perhaps a more important criterion for the aspiration to dive deeper To be proficient in teaching and practicing it takes thousands of

hours and perhaps decades of committed work The art and science of yoga teaching and practice come together with the flexible format surrounding factual structure presented in this book Rather than an authoritative tool this manual is fashioned to be a framework for the creative work it takes to teach yoga and practice deeper The reader is encouraged to build upon the information and inspiration and to be creative and innovative with the material **Enlighten Your Path**
