UH-1 Huey Gunship vs NVA/VC Forces Peter E. Davies, 2021-08-19 Often described as the US Army's aerial jeep the UH 1 Iroquois Huey was the general purpose vehicle that provided mobility in a hostile jungle environment which made rapid troop movement extremely challenging by any other means Hueys airlifted troops evacuated casualties rescued downed pilots transported cargo externally and enabled rapid transit of commanders in the field Although vertical aviation had only become a practical reality during the Korean War helicopters evolved rapidly in the decade before Vietnam and by 1965 the US Army and US Marines relied on them as primary combat tools This was principally because North Vietnam's armed forces had long experience of jungle operations camouflage and evasion Generally avoiding set piece pitched battles they relied on rapid frequent strikes and withdrew using routes that were generally inaccessible to US vehicles They commonly relied on darkness and bad weather to make their moves often rendering them immune to conventional air attack Gunship helicopters sometimes equipped with Firefly searchlights and early night vision light intensifiers were more able to track and attack the enemy Innovative tactics were required for this unfamiliar combat scenario and for a US Army that was more prepared for conventional operations in a European type setting One of the most valuable new initiatives was the UH 1C Huey Hog or Frog gunship conceived in 1960 and offering more power and agility than the UH 1B that pioneered gunship use in combat Heavily armed with guns and rockets and easily transportable by air these helicopters became available in large numbers and they became a major problem for the insurgent forces throughout the war Covering fascinating details of the innovations in tactics and combat introduced by gunship helicopters this book offers an analysis of their adaptability and usefulness in a variety of operations while exploring the insurgent forces responses to the advent of vertical aviation

AH-1 Cobra Gunship vs NVA Armor Peter E. Davies, 2025-01-16 A new study of how the first purpose built anti tank helicopter gunship the Bell AH 1 Cobra engaged communist armor and well armed irregular fighters in the war for control of Vietnam The Vietnam War was often dubbed the helicopter war because it was the first conflict in which helicopters took a dominant role As the only dedicated gunship to be fielded by US forces during the conflict the AH 1 Cobra saw combat against North Vietnamese Army NVA tanks armored personnel carriers APCs and heavy anti aircraft weaponry while joining OH 6A Loach scout helicopters on Pink Team hunter killer flights There were more than 700 Cobras operational in Vietnam by 1972 and it proved such an effective weapon that the NVA often avoided shooting at it fearing massive and instant retribution In this action packed new study

Vietnam War expert Peter E Davies examines the development and deployment of the Cobra its engagements with Soviet and Chinese supplied tanks and heavy machine guns and how it was adapted to counter devastating surface to air missile attacks in 1972 Numerous key clashes including the Tet Offensive and actions at Loc Ninh and An Loc are explored in detail with first hand accounts newly commissioned artwork and more than 50 photographs bringing the operations of this iconic helicopter to life **Shockwave: An Australian Combat Helicopter Crew in Vietnam** Peter Haran,2004 [Vietnam by Chinook](#)

Edward Corlew,2020-11-10 Like many other young men during the Vietnam War Ed Corlew enlisted in hopes of having some influence regarding assignment safety and training Instead he found himself in the dangerous door gunner position and soon after the crew chief aboard a CH 47 Chinook 15 miles from the DMZ in 1967 and 1968 Assigned to the famed 1st Cavalry Division Corlew was shot down three times in the Battle of Hue the Battle of Quang Tri and the A Shau Valley This memoir began both as a journal and as counselor recommended therapy for PTSD He earned four bronze service stars for his service an estimated 1000 flying hours during the war s bloodiest year enduring enemy mortar and rocket attacks Engaging frank and full of action Corlew describes his many combat experiences as well as the emotional effects all through the lens of his Christian faith **Heroes of Vietnam , Shooting Vietnam** Dan Brookes,Bob

Hillerby,2019-05-30 Discover what it was like to be amidst the action as a military photographer during the Vietnam War Shooting Vietnam takes you there as you read the firsthand accounts and view the hundreds of photographs by men who lived the war through the lens of a camera From the mid 1960s to the early 1970s they documented everything from the horror of combat to the people and culture of a land they suddenly found themselves immersed in Some juggled cameras with weapons as they fought to survive while carrying out their assignments to record the war Others did not survive Shooting Vietnam also finally brings recognition to these unheralded military combat photographers in Vietnam that documented the brutal unpopular and futile war Often during a brief respite from trudging through swamps and rice paddies or jumping from a chopper into a hot landing zone the photographers would wander the streets of villages or even downtown Saigon curiously photographing a people and a culture so strange and different to them It is these photographs of a kinder more personal nature removed from the horror and death of war that they also share with the reader The accounts in this book come from young men thrust into a conflict half way around the world and all who had their own unique perspective on the war Some were seasoned photographers before the military others had only recently held a camera for the first time The photography is excellent an essential read to anyone interested in the Vietnam War or conflict photography in general War History Online

A Soldier's Journey to Vietnam and Back Paul Walters,2018-10-26 This book is about the journey a young man took to find his identity He had a strong sense of patriotism and believed that his path was toward the military and service in Vietnam He subsequently enlisted in the army and volunteered to fight in Vietnam After serving his one year tour as a grunt he volunteered to extend his tour and flew as a door gunner on a helicopter gunship When he returned to the States he

became a drill sergeant training soldiers to serve in combat in Vietnam The book chronicles the young man s journey from boyhood to a man His experiences in Vietnam helped shape the man he became **Vietnam-Perkasie** William Daniel Ehrhart,1995 In 1982 John Newman curator of the Vietnam War Literature Collection at Colorado State University said of W D Ehrhart As a poet and editor Bill Ehrhart is clearly one of the major figures in Vietnam War literature This autobiographical account of the war the author s first extended prose work demonstrates Ehrhart s abilities as a writer of prose as well Vietnam Perkasie is grim comical disturbing and accurate The presentation is novelistic truly a page turner but the events are all real the atmosphere intensely evocative **Vietnam: May 1972** James G. Lowenstein,Richard M. Moose,1972

Surviving Combat Memories Russ Warriner,2022-11-30 After serving a 1 year tour in Vietnam with the 1st Cavalry Division and surviving a total of 8 years 9 months and 21 Days in the US Army Russ Warriner learned he had PTSD Dealing with the Combat Memories he calls Combat Demons is a lifelong struggle Writing about my combat life and the aftermath has become one of his outlets Becoming a life member of many veteran groups as well as starting a group that served in my type of unit and starting a POW MIA weekend event has served me well to deal with the demons Everyone who has PTSD deals with these demons in their own way If this book can help at least one person to understand PTSD or help them deal with their demons I feel it was worth the effort I put into writing it The Morenci Marines Kyle Longley,2015-06-15 In 1966 nine young men left the Arizona desert mining camp of Morenci to serve their country in the far flung jungles of Vietnam in danger zones from Hue to Khe Sanh Ultimately only three survived Each battled survivor s guilt difficult re entries into civilian life and traumas from personally experiencing war and losing close friends along the way Such stories recurred throughout America but the Morenci Marines stood out ABC News and Time magazine recounted their moving tale during the war and in 2007 the Arizona Republic selected the Morenci Nine as the most important veterans story in state history Returning to the soldiers Morenci roots Kyle Longley s account presents their story as unique by setting and circumstance yet typical of the sacrifices borne by small towns all across America His narrative spotlights a generation of young people who joined the military during the tumultuous 1960s and informs a later generation of the hard choices made many with long term consequences The story of the Morenci Marines also reflects that of their hometown a company town dominated by the Phelps Dodge Mining Corporation where the company controlled lives and the labor strife was legendary The town s patriotic citizens saw Vietnam as a just cause moving Clive Garcia s mother to say He died for this cause of freedom Yet while their sons fought and sent home their paychecks Phelps Dodge sought to destroy the union that kept families afloat pushing the government to end a strike that it said undermined the war effort Morenci was also a place where cultures intermingled and the nine friends included three Mexican Americans and one Native American Longley reveals how their backgrounds affected their decisions to join and also helped the survivors cope with Mike Cranford racing his Harley on back roads at high speeds while Joe Sorrelman tried to deal with demons of war through Navajo rituals Drawing on personal

interviews and correspondence that sheds new light on the Morenci Nine Longley has written a book as much about loss grief and guilt as about the battlefield It makes compelling reading for anyone who lived in that era and for anyone still seeing family members go off to fight in controversial wars **Letters Home: Vietnam 1968-1969** Don Bishop,2009-08-30

It is my hope that by reading these narratives from a lonely boy far away from home that future generations might get a small sense of what survival is what the love of a family can accomplish in the most desolate desperate lonely times **A History of Marine Observation Squadron Six** Gary W. Parker, Frank M. Batha, 1982 **To Vietnam in Vain** Edward A. Hagan, 2015-12-22

American military advisors in South Vietnam came to know their allies personally as few American soldiers could In addition to fighting the Viet Cong advisors engaged in community building projects and local government initiatives They dealt firsthand with corrupt American and South Vietnamese bureaucracies Not many advisors would have been surprised to learn that 105mm artillery shells were being sold on the black market to the Viet Cong Not many were surprised by the North Vietnamese victory in 1975 This memoir of a U S Army intelligence officer focuses on the province advisors who worked with local militias that were often disparaged by American units The author describes his year 1969 1970 as a U S advisor to the South Vietnamese Regional and Popular Forces in the Mekong Delta **Surviving Vietnam** Bruce Philip Dohrenwend, Nick Turse, Thomas J. Yager, Melanie M. Wall, 2019

Uniquely using historical material and military records as well as personal interviews and clinical diagnoses Surviving Vietnam focuses on veterans war zone experiences and the development in some of PTSD It addresses controversies regarding reported rates of PTSD and the importance of exposure to traumatic events compared with pre war personal vulnerability **Answering the Call** Bob Grandin, 2019-07-05

In 1966 Bob Grandin was a Royal Australian Airforce helicopter pilot stationed in Vietnam This book is written from the logbook he kept while working in Nui Dat and is a fascinating look at life during war the dangers the challenges and the mundaneness On 18 August he was co pilot on a 9 Squadron Iroquois Huey helicopter that flew over the enemy to resupply desperate soldiers engaged in battle at the Long Tan rubber plantation Enduring extremely poor weather conditions and enemy fire the critical role played by Bob and 9 Squadron in the Battle of Long Tan contributed to the success of this battle The narrative of his war experiences are interwoven with stories of his life after Vietnam revealing the difficulties he faced back home the impact of the war on his psyche and relationships and his struggles with PTSD A collection of Australian newspaper articles saved by Bob's father feature throughout giving further insight into how important helicopters were in Vietnam and also how the press reported the war to the Australian public Answering the Call provides the unique perspective of a wartime helicopter pilot and is an important addition to Vietnam War history 20th Century Words John Ayto, 2002 **Pathfinder** Richard R. Burns, 2008-11-26
