Had Other Wonderful Piano Pieces:

Jazz Child Ellen Johnson, 2014-09-12 When Sheila Jordan dropped a nickel in the juke box of a Detroit diner in the 1940s and heard Now s The Time by Charlie Parker she was instantly hooked and so began a seventy year jazz journey In 1962 she emerged as the first jazz singer to record on the prestigious Blue Note label with her debut album Portrait of Sheila Exploding on the jazz scene this classic work set the bar for her career as an iconic jazz vocalist and mentor to other promising female vocalists As The New York Times then announced Her ballad performances are simply beyond the emotional and expressive capabilities of most other vocalists *Jazz Child A Portrait of Sheila Jordan* as the first complete biography about this remarkable singer s life reveals the challenges she confronted from her growing up poor in a Pennsylvania coal mining town to her rise as a bebop singer in Detroit and New York City during the 1950s to her work as a recording artist and performer under the influence of and in performance with such jazz luminaries as Charlie Parker George Russell Lennie Tristano Charles Mingus Sonny Rollins and Thelonious Monk Jordan s views as a woman living the jazz life in an era of racial and gender discrimination while surrounded by those often struggling with the twin evils of alcohol and drug abuse are skillfully woven into the tapestry of the tale she tells With Jordan s full cooperation author Ellen Johnson documents the fascinating career of this jazz great who stands today as one of the most deeply respected jazz singers and educators For jazz fans Johnson s biography is a testament to a vanishing generation of musicians and her indomitable spirit is an inspiration to all walks of life More information is available at <http://www.jazzchildthebook.com> **Universal School**

Linn, 2024-05-07 Description Who might be the next to fall in love in Pine City and find a loving spouse so they can be married and serve God together in unity Maybe somebody we haven t met because the ones we already know aren t ready to start thinking in that direction yet but give them time As you read this third novel in the Sunshine Series be looking for clues about the unmarried people in the Character list which is in the Addendum Some

will get married and some will decide to stay single Either way how much can the people in Pine City do for Jesus before he returns You ll get to notice how Jesus loves and leads some his followers to love and serve him in new or old ways You might also get some ideas of places where you might like to travel Maybe you ve wondered what happened during the amount of time the author skipped at the end of the second novel in this series This book fills in some of that interval If you haven t read the first two novels in the series it would be most helpful for you to read Everywhere There s a Sunrise Let s Tell the Good News and Rejoice as the Sun Shines on Restorations before you read this one Gladly Serve God In Sunshine or Storms All three books are available to buy as printed copies from thebookpatch com Or you could get each of these books as eBooks or PDF files free of charge and read them in the right order Peters' Musical Monthly ,1869 New York Weekly Review ,1860 Derrick Puffett on Music Kathryn Bailey Puffett,2017-07-05 I listen to a piece and ask myself what has made the greatest impression on me What has moved me the most about it what has excited me the most what it is I want to write about what sets my mind working what sets off my imagination Derrick Puffett s description to a group of Cambridge graduate students of his approach to listening and writing about music is clearly evident in the articles reprinted in this collection For the first time the book makes available in one place writings previously widely dispersed amongst many journals and symposia Resonances emerge that cross from essay to essay with the result that a larger coherent project is revealed Insistent on the need of music analysis to be accompanied by a wider historical knowledge Puffett believed strongly that the methods to be adopted on each occasion must be dictated by the music at hand His work on Bruckner Strauss Webern Zemlinsky Delius and Debussy is of enduring importance to the study of music With a prose style distinguished for its elegance and clarity Puffett s writings will enhance the understanding and enjoyment of the music that he discusses amongst students and teachers alike **Music News** ,1928 Dwight's Journal of Music John S. Dwight,2022-06-13 Reprint of the original first published in 1861 **Sibelius Volume III: 1914-1957** Erik Tawaststjerna,2012-04-19 Erik Tawaststjerna embarked on his monumental and acclaimed study of Jean Sibelius s life and music in 1960 and it occupied him for over a quarter of a century His study differs from other work on the composer in one important respect he had unrestricted access to the composer s papers diaries and letters as well as the advantage of numerous conversations with the composer s widow and other members of the family Thus his researches can justifiably claim to have thrown entirely fresh light on the great Finnish composer Far from the remote personality of the Sibelius legend Sibelius emerges as a highly colourful figure This third volume traces the composer s career from the outbreak of the First World War in 1914 which found him poised on the brink of the Fifth Symphony through to his death in 1957 It traces the genesis of the Fifth Symphony and gives a vivid portrait of Finland during the early years of independence and civil war Tawaststjerna relates in fascinating detail the composer s financial plight during these years and his struggles with his own psyche We follow his career through to the Seventh Symphony and Tapiola and the increasingly corrosive streak of self criticism which blighted Sibelius s last years and

resulted in the destruction of the Eighth Symphony Translated by Robert Layton himself a Sibelius specialist this is a compelling and insightful account of the music of one of the twentieth century's greatest composers , **Dwight's Journal of Music** John Sullivan Dwight, 1852 **Dwight's Journal of Music** , 1869 **In the Realm of Tones** Allen Shawn, 2025 A poignant compelling and clear-eyed memoir of a life in music with the dogged pursuit of composing at its center Perhaps no art form has ever splintered into as many factions genres languages philosophies and mutually exclusive audiences as the art of music did in the mid twentieth century Allen Shawn's memoir fascinatingly evokes this tumultuous time while weaving together his art and his life hinting at their unexpected and sometimes paradoxical interconnections Shawn grew up in an atmosphere of cultural privilege in New York City the son of New Yorker editor William Shawn An instinctive composing prodigy at age ten it took him until the age of thirty to compose music he was proud of Shawn sketches his childhood and long apprenticeship his experiences composing for theater dance and concert hall his forty years as a teacher at Bennington College and his unexpected emergence as a writer The book balances an account of his musical evolution ups and downs and life choices offering glimpses into family life and of the many people with whom he interacted including Leon Kirchner Earl Kim Nadia Boulanger Pierre Petit Jacques Louis Monod J D Salinger John Updike Benny Goodman Louis Malle and Vivian Fine Along the way Shawn offers reflections on such issues as social class aging loneliness politics and music education *In the Realm of Tones A Composer's Memoir* is a unique and touching account of one individual's internal search for self-expression and self-understanding and of his effort to construct a life around it **Musical Opinion and Music Trade Review** , 1918
