

Do not put dangerous materials such as flammable, explosive matters, high corrosive acid and alkali in your refrigerator.

Do not put drugs, vaccines and other chemical agents in your refrigerator which is designed for household usage only and not capable of storing materials which have strict temperature requirements.

Do not risk storing or using flammable materials such as gasoline near the refrigerator which may lead to fire hazard.

Do not put unstable objects (objects which are either heavy or contains water) on top of the refrigerator, as they may fall and cause injury or electric shock hazard.

Do not swing the door by holding the bottle bins, otherwise the door and bottle bin may get damaged. Do not step on the door or cabin of the convertible drawer when accessing food.

While the refrigerator is in operation, do not touch the frozen surfaces of the freezer, especially with wet hands, or you hands may get frostbitten.

The clearances between doors and the cabinets are very tight, mind not to reach your hands in between these areas, in case your fingers may get pinched. While operation the doors, please keep kids away from the refrigerator.

Do not try to clean the refrigerator by flushing or pouring water, neither should you sit the refrigerator in a humid environment, these will reduce the electrical isolation performance of the machine.

Do not try to dismantle or improve the refrigerator, nor should you operate it with greater force. Take care not to damage the piping of the machine, risk of property loss or injury may arise. Maintenance of the machine must be carried out by professionals.

Do not keep beers and other drinks in bottles which may be cracked down by low temperature in the freezer compartment. When using the convertible compartment as freezer, please also observe the above instructions.

Unplug the refrigerator at power failure or cleaning. Keep the machine unplugged for at least 5 minutes before it's plugged again, otherwise the compressor may be damaged due to successive startups.

Before disposing your old refrigerator, make sure to remove the doors along with its gaskets, and the selves within the refrigerator, and dispose them properly, so that children may not get hurt when playing with it.
