Inventing Herself Claiming A Feminist Intellectual Heritage

Elaine Showalter

Inventing Herself Claiming A Feminist Intellectual Heritage:

Inventing Herself Elaine Showalter, 2001-03-20 Sure to take its place alongside the literary landmarks of modern feminism Elaine Showalter's brilliant provocative work chronicles the roles of feminist intellectuals from the eighteenth century to the present With sources as diverse as *A Vindication of the Rights of Woman* and *Scream 2* *Inventing Herself* is an expansive and timely exploration of women who possess a boundless determination to alter the world by boldly experiencing love achievement and fame on a grand scale These women tried to work travel think love and even die in ways that were ahead of their time In doing so they forged an epic history that each generation of adventurous women has rediscovered Focusing on paradigmatic figures ranging from Mary Wollstonecraft and Margaret Fuller to Germaine Greer and Susan Sontag preeminent scholar Elaine Showalter uncovers common themes and patterns of these women's lives across the centuries and discovers the feminist intellectual tradition they embodied The author brilliantly illuminates the contributions of Eleanor Marx Zora Neale Hurston Simone de Beauvoir Margaret Mead and many more Showalter a highly regarded critic known for her provocative and strongly held opinions has here established a compelling new Who's Who of women's thought Certain to spark controversy the omission of such feminist perennials as Susan B Anthony Eleanor Roosevelt and Virginia Woolf will surprise and shock the conventional wisdom This is not a history of perfect women but rather of real women whose mistakes and even tragedies are instructive and inspiring for women today who are still trying to invent themselves

Dreams, Visions and Realities Stephanie Forward, 2003-10-31 This anthology introduces stories written by British and American Women from 1877 to 1910 The collection and the detailed authoritative introduction and notes will enable the twenty first century reader to explore the themes and techniques these women developed as the Victorian was superseded by a new Modernist sensibility Authors covered include Edith Wharton Charlotte Perkins Gilman and Kate Chopin **A Jury of**

Her Peers Elaine Showalter, 2010-01-12 An unprecedented literary landmark the first comprehensive history of American women writers from 1650 to the present In a narrative of immense scope and fascination here are more than 250 female writers including the famous Harriet Beecher Stowe Dorothy Parker Flannery O'Connor and Toni Morrison among others and the little known from the early American bestselling novelist Catherine Sedgwick to the Pulitzer Prize winning playwright Susan Glaspell Showalter integrates women's contributions into our nation's literary heritage with brilliance and flair making the case for the unfairly overlooked and putting the overrated firmly in their place *On Mary Wollstonecraft's A*

Vindication of the Rights of Woman Susan J. Wolfson, 2023-04-25 Mary Wollstonecraft's *A Vindication of the Rights of Woman* 1792 made a pioneering and durably influential argument for women's equality Emerging from the turbulent decade of the French Revolution her vindication delivered a systematic critique of the treatment of women across time and place Drawing on extensive experience teaching and writing about Wollstonecraft Susan J Wolfson offers new insight into how Wollstonecraft's particular methods style and energy make this case for her readers Wolfson places this polemic in its

political and literary contexts and in relation to Wollstonecraft's other works about political rights. She considers how Wollstonecraft balanced advocacy for the seemingly universal ideals of the French Revolution with analysis of the gendered exclusions in the vaunted rights of man. This book pays particular attention to Wollstonecraft's literary craft, highlighting the force of her close reading. Wollstonecraft pinpointed the role of gendered phrases and concepts in political discourse both in her opponents' metaphors and received ideas and in her own efforts to craft a new political language with which to defend women's capabilities. Wolfson reveals her as a pioneer in decoupling sex from gender and shows how she provided an enduring model of how to be a female intellectual. Sharing the excitement of reading Wollstonecraft's work with care for her literary as well as political genius, this book provides fresh perspectives both for first-time readers and those seeking a nuanced appreciation of her achievements.

Heroines in History Katie Pickles, 2022-07-21 *Heroines in History: A Thousand Faces* moves beyond stories of individual heroines, taking a thematic, synthesising and global in scope approach to challenge previous understandings of heroines in history. Responding to Joseph Campbell's *Hero with a Thousand Faces*, Katie Pickles explores the idea of a transcultural heroine archetype that recurs through time. Each chapter addresses an archetypal theme important for heroines in history. The volume offers a new consideration of the often awkward position of women in history and embeds heroines in the context of their times as well as interpreting and analysing how their stories are told, re-told and represented at different moments. To do so, it recovers and compares some women now forgotten along with well-known recent heroines and brings together a diversity of women from around the world. Pickles looks at the interplay of gender, race, heredity, status, class and politics in different ways and chronicles the emergence of heroines as historical subjects valued for their substance and achievements rather than as objects valued for their image and celebrity. In an accessible and original way, the book builds upon developments in women's and gender history and is essential reading for anyone interested in this field.

The Broadview Anthology of Expository Prose - Third Canadian Edition Laura Buzzard, Don LePan, Nora Ruddock, Alexandria Stuart, 2017-08-08 The third Canadian edition of this anthology has been substantially revised and updated for a contemporary audience: a selection of classic essays from earlier eras has been retained but the emphasis is very much on twenty-first-century expository writing. There is also a focus on issues of great importance in twenty-first-century Canada such as climate change, the Truth and Reconciliation Commission, the Jian Ghomeshi trial, Facebook, police discrimination, trans rights and postsecondary education in the humanities. Works of different lengths and levels of difficulty are represented as are narrative, descriptive and persuasive essays and new to this edition, lyric essays. For the new edition, there are also considerably more short pieces than ever before: a number of op-ed pieces are included as are pieces from blogs and from online news sources. The representation of academic writing from several disciplines has been increased and in some cases the anthology also includes news reports presenting the results of academic research to a general audience. Also new to this edition are essays from a wide range of the most celebrated prose writers of the modern era, from Susan

Sontag Eula Biss and Michel Foucault to Anne Carson and Ta Nehisi Coates The anthology also offers increased diversity of representation including for example a larger proportion of First Nations writers and women writers than previous Canadian editions Unobtrusive explanatory notes appear at the bottom of the page and each selection is preceded by a headnote that provides students with information regarding the context in which the piece was written Each reading is also followed by questions for discussion A unique feature is the inclusion of a set of additional notes on the anthology's companion website notes designed to be of particular help to EAL students and or students who have little familiarity with Canadian culture The anthology is accompanied by two companion websites The student website features additional readings and interactive writing exercises as well as the additional notes The instructor website provides additional discussion questions and for a number of the anthology selections background information that may be of interest

Bluestockings E. Eger, 2010-01-20 This study argues that female networks of conversation correspondence and patronage formed the foundation for women's work in the higher realms of Shakespeare criticism and poetry Eger traces the transition between Enlightenment and Romantic culture arguing for the relevance of rational argument in the history of women's writing

A Vindication of the Rights of Woman Ruth Scobie, 2017-07-05 Mary Wollstonecraft's 1792 *Vindication of the Rights of Woman* is an incendiary attack on the place of women in 18th century society Often considered to be the earliest widely circulated work of feminism the book is a powerful example of what can be achieved by creative thinkers people who refuse to be bound by the standard ways of thinking or to see things through the same lenses that everyone else uses In the case of the *Vindication* Wollstonecraft's independent thinking went directly against the standard assumptions of the age regarding women During the seventeenth century and earlier it was an entirely standard point of view to consider women as largely speaking uneducable They were widely considered to be men's inferiors incapable of rational thought They not only did not need a rational education it was assumed that they could not benefit from one Wollstonecraft in contrast argued that women's apparent triviality was a direct consequence of society failing to educate them If they were not men's equals it was the fault of a society that refused to treat them as such So radical was her message that it would take until the 20th century for her views to become truly accepted

Woman's Inhumanity to Woman Phyllis Chesler, 2009-05-01 Man's inhumanity to man the phrase is all too familiar But until Phyllis Chesler's now classic book a profound silence prevailed about woman's inhumanity to woman Women's aggression may not take the same form as men's but girls and women are indeed aggressive often indirectly and mainly toward one another They judge harshly hold grudges gossip exclude and disconnect from other women Like men women are exposed to the messages of misogyny and sexism that permeate cultures worldwide Like men women unconsciously buy into negative images that can trigger abuse and mistreatment of other women But like other social victims many do not realize stereotyping affects members within the victimized group as well as those outside the group They do not realize their behavior reflects society's biases How women view and treat other women matters Are women oppressed

Yes Do oppressed people internalize their oppressors attitudes Without a doubt Prejudice must first be acknowledged before it can be resisted or overcome More than men women depend upon one another for emotional intimacy and bonding and exclusionary and sexist behavior enforces female conformity and discourages independence and psychological growth Continuing the pioneering work begun in *Women and Madness* Chesler's bestselling book that broke the story on double standards in psychology *Woman's Inhumanity to Woman* draws on important studies revolutionary theories literature and hundreds of original interviews Chesler urges us to look within to treat other women realistically ethically and kindly and to forge bold and compassionate alliances This is a necessary next step for women without which they will never be liberated

The Scandal of Susan Sontag Barbara Ching, Jennifer A Wagner-Lawlor, 2009-11-30 Susan Sontag 1933 2004 spoke of the promiscuity of art and literature the willingness of great artists and writers to scandalize their spectators through critical frankness complexity and beauty Sontag's life and thought were no less promiscuous She wrote deeply and engagingly about a range of subjects theater sex politics novels torture and illness and courted celebrity and controversy both publicly and privately Throughout her career she not only earned adulation but also provoked scorn Her living was the embodiment of scandal In this collection Terry Castle Nancy K Miller Wayne Koestenbaum E Ann Kaplan and other leading scholars revisit Sontag's groundbreaking life and work Against Interpretation Notes on Camp Letter from Hanoi On Photography Illness as Metaphor I Etcetera and The Volcano Lover these works form the center of essays no less passionate and imaginative than Sontag herself Debating questions raised by the thinker's own images and identities including her sexuality these works question Sontag's status as a female intellectual and her parallel interest in ambitious and prophetic fictional women her ambivalence toward popular culture and her personal and professional scandals Paired with rare photographs and illustrations this timely anthology expands our understanding of Sontag's images and power Sisterhood and After Margaretta Jolly, 2019 This ground breaking history of the UK Women's Liberation Movement examines the movement's shape and strategy as well as the conditions that gave rise to it Through personal stories of key activists the politics of experience is sympathetically evaluated in the context of iconic moments of the movement It urges today's activists to engage anew with feminist memory in shaping new political futures Female Performers in British and American Fiction Barbara Straumann, 2018-05-22 The female performer with a public voice constitutes a remarkably vibrant theme in British and American narratives of the long nineteenth century The tension between fictional female performers and other textual voices can be seen to refigure the cultural debate over the voice of women in aesthetically complex ways By focusing on singers actresses preachers and speakers this book traces and explores an important tradition of feminine articulation Drawing on critical approaches in literary studies gender studies and philosophy the book conceptualizes voice for the discussion of narrative texts Examining voice both as a thematic concern and as an aesthetic effect the individual chapters analyse how the actual articulation by female performers correlates with their cultural visibility and agency What this study foregrounds is

how women characters succeed in making themselves heard even if their voices are silenced in the end **Margaret Mead** Nancy C. Lutkehaus, 2018-06-26 Never doubt that a small group of thoughtful committed citizens can change the world Margaret Mead This quotation found on posters and bumper stickers and adopted as the motto for hundreds of organizations worldwide speaks to the global influence and legacy of the American anthropologist Margaret Mead 1901-78 In this insightful and revealing book Nancy Lutkehaus explains how and why Mead became the best known anthropologist and female public intellectual in twentieth century America Using photographs films television appearances and materials from newspapers magazines and scholarly journals Lutkehaus explores the ways in which Mead became an American cultural heroine Identifying four key images associated with her the New Woman the Anthropologist Adventurer the Scientist and the Public Intellectual Lutkehaus examines the various meanings that different segments of American society assigned to Mead throughout her lengthy career as a public figure The author shows that Mead came to represent a new set of values and ideas about women non Western peoples culture and America's role in the twentieth century that have significantly transformed society and become generally accepted today Lutkehaus also considers why there has been no other anthropologist since Mead to become as famous Margaret Mead is an engaging look at how one woman's life and accomplishments resonated with the issues that shaped American society and changed her into a celebrity and cultural icon

The Civil Wars of Julia Ward Howe Elaine Showalter, 2017-02-28 A biography of Julia Ward Howe a groundbreaking figure in the abolitionist and suffrage movements Fifty Key Literary Theorists Richard J. Lane, 2006-09-27 Covering over a century's worth of debate thinking and writing about literature this is a unique guide to the lives and works of fifty theorists who have left an indelible mark on literary studies Featuring theorists such as Judith Butler Jacques Derrida Sigmund Freud and Edward Said this accessible guide includes a glossary of terms full cross referencing for maximum ease of use authoritative guides to further reading on and by each theorist An essential resource for all students of literature Fifty Key Literary Theorists explores the gamut of critical debate from the New Critics to the Deconstructionists and from post colonialism to post Marxism and more *The Vintage Book of American Women Writers* Elaine Showalter, 2011-01-11 For centuries women have been marginalized and overlooked in American literary history That injustice is corrected in this entertaining and provocative collection of 350 years of poetry and fiction by American women From Puritan poet Anne Bradstreet to Margaret Fuller to Harriet Beecher Stowe readers will encounter scores of lesser known and forgotten writers who fully deserve to be rediscovered and enjoyed by new generations Our famous women writers including contemporary stars like Annie Proulx and Jhumpa Lahiri are showcased in their full literary context offering an epic overview of the canon in one monumental dazzling volume This landmark anthology features the best work of our best American women and was inspired and informed by the author's groundbreaking history celebrating women writers A Jury of Her Peers *Outsiders* Lyndall Gordon, 2019-03-19 Prodigy visionary outlaw orator and explorer As society's outsiders the exceptional subjects of

this study inspired a new breed of women and one another Finalist of the PROSE Award for Best Book in Literature by the Association of American Publishers Mary Shelley Emily Bront George Eliot Olive Schreiner and Virginia Woolf they all wrote dazzling books that forever changed the way we see history In Outsiders award winning biographer Lyndall Gordon shows how these five novelists shared more than talent In a time when a woman s reputation was her security each of these women lost hers They were unconstrained by convention writing against the grain of their contemporaries prophetically imagining a different future We have long known the individual greatness of each of these writers but in linking their creativity to their lives as outcasts Gordon throws new light on the genius they share All five lost their mothers in childbirth or at a young age With no female role model present they learned from books and sometimes from an enlightened mentor Crucially each had to imagine what a woman could be in order to invent a voice of her own The passion in their own lives infused their fiction Writing with passionate intelligence of her own Gordon reveals that these renegade writers inspired a new breed of women who wished to change a world locked in war violence exploitation and sexual abuse Gordon s biographies have always shown the indelible connection between life and art an intuitive exciting and revealing approach that has been highly praised In Outsiders she crafts nuanced portraits of Shelley Bront Eliot Schreiner and Woolf naming each of these writers as prodigy visionary outlaw orator and explorer and shows how they came they saw and they left us changed Today following the tsunami of women s protest at widespread abuse we do more than read them we listen and live with their astonishing bravery and eloquence

Narrative Fissures Nita Schechet, 2005 Narrative Fissures Reading and Rhetoric is a guide to applied rhetorical criticism of narrative in diverse fields such as cultural studies ethnography psychotherapy historiography critical legal studies education communication and medicine

New Approaches to Translation, Conflict and Memory Lucía Pintado Gutiérrez, Alicia Castillo Villanueva, 2018-10-10 This interdisciplinary edited collection establishes a new dialogue between translation conflict and memory studies focusing on fictional texts reports from war zones and audiovisual representations of the Spanish Civil War and the Franco Dictatorship It explores the significant role of translation in transmitting a recent past that continues to resonate within current debates on how to memorialize this inconclusive historical episode The volume combines a detailed analysis of well known authors such as Langston Hughes and John Dos Passos with an investigation into the challenges found in translating novels such as The Group by Mary McCarthy considered a threat to the policies established by the dictatorial regime and includes more recent works such as El tiempo entre costuras by Mar a Due as Further it examines the reception of the translations and whether the narratives cross over effectively in various contexts In doing so it provides an analysis of the landscape of the Spanish conflict and dictatorship in translation that allows for an intergenerational and transcultural dialogue It will appeal to students and scholars of translation history literature and cultural studies

Art and Celebrity John A. Walker, 2002-12-20 The growing cult of the celebrity in contemporary culture is throwing up paradoxical ideas about the contradictions between high art and mass appeal and

blurring the already unstable boundaries between art commodity and popular culture This is a lively and accessible study of the phenomenon informed by a look at what happens when the serious world of art collides with celebrity Global culture is now dominated by celebrities some of whom like Madonna and Stallone are art collectors and some like Dennis Hopper and David Bowie are part time artists Walker explains how artists such as Warhol Gavin Turk Jeff Koons Elizabeth Peyton and Alison Jackson contribute to but also critique the cult of celebrity by depicting film celebrities rock stars and royalty in paintings and statues Celebritisation has overtaken the art world too Walker surveys 14 art stars of the twentieth century from Dali to Tracey Emin He also reviews alternatives the left wing pantheon of figures such as Mao Che Guevara and Rosa Luxemburg and pictorial celebrations of the people
