wishes that none should perish Could it be that God wants to see if his children would go all out to know him and his Son This would show true love for the parents and God and his Son is no different than any other parent They want to see how much the children loves them and what better way for the child to show the parents that they are very much loved by the children than for the children to obey the parents completely without question For the child at that point when the parent jumps for joy for the child has shown very much respect for his parents our God and his Son are no different than the parents of human children It s almost like when a human parent hears for the first time their child say Papa or Mama It is complete joy to the parents and likewise to the Father and his Son when they see the children taking the time to seek them out to know them firsthand It is the same feeling as the human parents feel when the child says Papa or Mama This is when the Father starts to open up doors that were hidden from the rest of the world This is how he shows you his love for you The Father slowly releases his Spirit Holy a little bit here and there It is only when you begin to put the pieces together that it becomes clear and a key is given unto you and the more you study his Word his Bible he releases more knowledge that is hidden from the rest of the world Remember the more you seek out the Father the more he releases his knowledge to you Study to shew thyself approved unto God a workman that needeth not to be ashamed rightly dividing the word of truth 2 Tim 2 15 What is 2 Timothy 2 15 saying The Father is telling you to not put your trust in man minister to reveal his truth but to seek for him yourself All you need to do is knock seek and ask with a pure heart and he will come to you and be your God and you will be his son or daughter Those who have ears will hear God bless us all
