Inversiones Bodie Kane Marcus:

Principios de inversiones Zvi Bodie, Alex Kane, Alan J. Marcus, 2004 En la última década se han sucedido cambios profundos y progresivos en el sector de las inversiones debido en parte por la abundancia y los diseños de las acciones y en parte por la creación de las nuevas estrategias de negociación que hubiesen sido imposibles sin los avances informáticos y tecnologías de comunicación. Por necesidad el texto ha evolucionado a lo largo de los mercados financieros y por ello en esta edición los autores se han dirigido más hacia los cambios en el entorno de las inversiones. Al mismo tiempo los principios básicos permanecen importantes y se continúa organizando el contenido alrededor de la Eficiencia de los Mercados de Acciones se continúa enfatizando la ventaja de la diversidad y se centra en el análisis de las inversiones. Este texto introduce a los lectores en las mayores cuestiones del día a día que conciernen a todos los inversores. Tanto si pretende ser inversor profesional como un sofisticado inversor particular en este libro se encuentran las principales claves.

Investments Alan J. Marcus, Professor, Zvi Bodie, Professor, Alex Kane, 2017-05-30 The integrated solutions for Bodie Kane and Marcus Investments set the standard for graduate MBA investments textbooks. The unifying theme is that security markets are nearly efficient meaning that most securities are priced appropriately given their risk and return attributes. The content places greater emphasis on asset allocation and offers a much broader and deeper treatment of futures, options, and other derivative security markets than most investment texts. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it and how they need it so that your class time is more engaging and effective.
