Van Riper, 2013-11 Oh no the anguished cry rang out For a sister and her brothers it was terrible news of a death in the family the death that left them dumbfounded Broken hearted here they were a grand family suddenly bereft of a great part It made no sense Sorry to inform you the awful words struck like a thunderbolt Mom and dad had crashed on their vacation trip So unfair so unreal so jarring so final All the siblings could think of was how much love was lost to them Their parents were the linchpins they were the finest they were the most revered At a loss due to a loss So much love and affection was denied them in an unpredictable moment What was to become of them Mom with her daily wisdom Dad with his usual counsel Mom with her laugh Dad with his wry humor Mom

with her catering and caring Dad with his hugs and counsel What will they do without them The sister and her husband the brothers and their wives succumbed to the pain weakening them Where would the strength come from that was required to survive such a tragedy When ravaged by happenstance What holds the family together when hope and promise lose some of their dash In the moments of crisis inevitably people are hanging on by hanging tough That courage comes from their heritage which is the real force the saving grace It s not just what they have inherited in family lore but the bond that ties endowment and legacy together in a triumvirate that can spark the spirit Haunting Memories says something about how desire can influence perception by allowing or causing us to see what we want to see We wonder when they re gone Did we do enough for them Did we express our love and affection often enough Were we good to them We aren t going to be able to answer yes to all such questions without some reservation Because we re never going to think we ve done all that we could have or should have done for our loved ones We can t get our minds off them We can t let them go We want them back But we can t have them back They are where they are And we can t get there from here *Money Still Doesn't Grow on Trees* Neale Godfrey,Tad Richards,2004-01-17 Offers parents a helpful approach to teach their teenagers the value and meaning of money explaining how to deal with teen attitudes and expectations about money curb excesses help them develop essential financial wisdom and manage their own money **Dental Summary** ,1910 **Mechanix Illustrated** ,1979 **Forbes** Bertie Charles Forbes,1927 This business magazine covers domestic and international business topics Special issues include Annual Report on American Industry Forbes 500 Stock Bargains and Special Report on Multinationals **Hearings, Reports and Prints of the Senate Committee on Banking and Currency** United States.
