Dirty Work Eyal Press, 2021-08-17 A groundbreaking urgent report from the front lines of dirty work the work that society considers essential but morally compromised Drone pilots who carry out targeted assassinations Undocumented immigrants who man the kill floors of industrial slaughterhouses Guards who patrol the wards of the United States most violent and abusive prisons In Dirty Work Eyal Press offers a paradigm shifting view of the moral landscape of contemporary America through the stories of people who perform society's most ethically troubling jobs As Press shows we are increasingly shielded and distanced from an array of morally questionable activities that other less privileged people perform in our name The COVID 19 pandemic has drawn
