Iranian Russian Encounters Empires And Revolutions Since 1800 Iranian Studies:

Iranian-Russian Encounters Stephanie Cronin, 2012-11-27 Over the past two hundred years encounters between Iran and Russia have been both rich and complex This book explores the myriad dimensions of the Iranian Russian encounter during a dramatic period which saw both Iran and Russia subject to revolutionary upheavals and transformed from multinational dynastic empires typical of the nineteenth century to modernizing authoritarian states typical of the twentieth The collection provides a fresh perspective on traditional preoccupations of international relations wars and diplomacy the hostility of opposing nationalisms the Russian imperial menace in the nineteenth century and the Soviet threat in the twentieth Going beyond the traditional this book examines subaltern as well as elite relations and combines a cultural social and intellectual dimension with the political and diplomatic In doing so the book seeks to construct a new discourse which contests the notion of an implacable enmity between Iran and Russia Bringing together leading scholars in the field this book demonstrates extensive use of family archives Iranian Russian and Caucasian travelogues and memoirs and newly available archives in both Iran and the countries of the former Soviet Union Providing essential background to current international tensions this book will be of particular use to students and scholars with an interest in the Middle East and Russia Iran and Russian Imperialism Moritz Deutschmann, 2015-12-22 Rather than a centralized state Iran in the nineteenth century was a delicate balance between tribal groups urban merchant communities religious elites and an autocratic monarchy While Russia gained an increasingly dominant political role in Iran over the course of this century Russian influence was often challenged by banditry on the roads riots in the cities and the seeming arbitrariness of the Shah Iran and Russian Imperialism develops a comprehensive picture of Russia's historical entanglements with one of its most important neighbours in Asia It recounts how the Russian Empire strived to gain political influence at the Persian court promote Russian trade and secure the enormous southern borders of the empire Using hitherto often neglected documents from archives in Russia and Georgia and reading them against the grain this book reveals the complex reactions of different groups in Iranian society to Russian imperialism As it turns out the Iranians were in the words of the Russian orientalist Konstantin Smirnov ideal anarchists whose resistance to imperial domination as well as to centralized state institutions more generally impacted developments in the region in the century to come Iran's troubled relationship with the wider world continues to be a topic of considerable interest to historians yet little focus has been given to Russia's historical connections to Iran This book thus represents a valuable contribution to Iranian and Russian History as well as International Relations **Iran's**

Constitutional Revolution of 1906 and Narratives of the Enlightenment Ali M. Ansari, 2016-11-15 The Constitutional Revolution of 1906 opened the way for enormous change in Persia heralding the modern era and creating a model for later political and cultural movements in the region Broad in its scope this multidisciplinary volume brings together essays from leading scholars in Iranian Studies to explore the significance of this revolution its origins and the people who made it

happen As the authors show this period was one of unprecedented debate within Iran s burgeoning press Many different groups fought to shape the course of the Revolution which opened up seemingly boundless possibilities for the country s future and affected nearly every segment of its society Exploring themes such as the role of women the use of photography and the uniqueness of the Revolution as an Iranian experience the authors tell a story of immense transition as the old order of the Shah subsided and was replaced by new institutions new forms of expression and a new social and political order

Soldiers, Shahs and Subalterns in Iran S. Cronin,2010-10-27 Against conventional views of the unchallenged hegemony of a modernizing monarchy this book argues that power was continuously contested in Riza Shah s Iran Cronin excavates the successive challenges to Riza Shah s regime posed by a range of subaltern social groups and seeks to restore to these groups a sense of their historical agency

Iran at War Maziar Behrooz,2023-04-06 After the destructive decades following the fall of the Safavid Empire the Qajar dynasty inherited a weakened state and the growing threat of European imperial powers culminating in two wars with Russia In this book Maziar Behrooz provides a history of the Qajar dynasty s navigation of this difficult period beginning with the reign of Aqa Muhammad Shah and ending with that of Fath Ali Shah Examining the key decisions taken by Qajar Russian British and other actors the book argues that a reevaluation of the early Qajar period is required one which acknowledges the failures of its rulers while recognising the external constraints they were under and their successes in reuniting a formerly fragmented state in the face of overwhelming technological economic and military firepower

Literature of the Early Twentieth Century: From the Constitutional Period to Reza Shah A. A. Seyed-Gohrab,2015-07-22 The eleventh volume in this ground breaking series pays special attention to politically engaged poetry written during a turbulent period which saw the Constitutional Revolution in Iran as well as the rise to power of Reza Shah and his attempts to implement reform Throughout this time poets began to turn their attention towards the country s ordinary people rather than concentrate on its elites This volume also examines the prose fiction of the period which saw the rise of the novel and short story Additionally Persian satire began to grow in importance especially with the increased popularity of poets and novelists such as Iraj Mirza and Sadeq Hedayat This wide ranging volume is an invaluable companion for anyone who wants to understand how the Persian literary scene changed at the beginning of the twentieth century

reflecting the social and political contexts in which this literature was created *Social Histories of Iran* Stephanie Cronin,2021-01-28 A social history of modern Iran from below focused on subaltern groups and contextualised by developments within Middle Eastern and global history

Bellicose Entanglements 1914 Maximilian Lakitsch,Susanne Reitmair-Juárez,Katja Seidel,2015 The First World War is often described as a regional war with few repercussions beyond Europe However by the dawn of the 20th century global political and economic entanglements of empires and nation states had reached unprecedented dimensions Consequently the war affected the lives of millions of combatants and civilians alike politically socially and culturally This book shifts the Eurocentric focus of Europeans fighting and dying on European

battlefields to a broader global perspective With local accounts and perceptions ranging from Argentina to Afghanistan from Iran to Senegal the volume sheds light on the multitude of contributions to and consequences of the First World War all around the world *Both Eastern and Western* Afshin Matin-Asgari,2018-08-16 Since the Iranian Revolution of 1979 many Western observers of Iran have seen the country caught between Eastern history and Western modernity between religion and secularity As a result analysis of political philosophy preceding the Revolution has become subsumed by this narrative Here Afshin Matin Asgari proposes a revisionist work of intellectual history challenging many of the dominant paradigms in Iranian and Middle Eastern historiography and offering a new narration In charting the intellectual construction of Iranian modernity during the twentieth century Matin Asgari focuses on broad patterns of influential ideas and their relation to each other These intellectual trends are studied in a global historical context leading to the assertion that Iranian modernity has been sustained by at least a century of intense intellectual interaction with global ideologies Turning many prevailing narratives on their heads the author concludes that modern Iran can be seen as culturally and intellectually both Eastern and Western

Russians in Iran Rudi Matthee,Elena Andreeva,2018-01-25 *Russians in Iran* seeks to challenge the traditional narrative regarding Russian involvement in Iran and to show that whilst Russia's historical involvement in Iran is longstanding it is nonetheless much misunderstood Russia's influence in Iran between 1800 and the middle of the twentieth century is not simply a story of inexorable intrusion and domination rather it is a complex and interactive process of mostly indirect control and constructive engagement Drawing on fresh archival material the contributors provide a window into the power and influence wielded in Iran not just by the Russian government through its traditional representatives but by Russian nationals operating in Iran in a variety of capacities including individuals bankers and entrepreneurs *Russians in Iran* reveals the multifaceted role that Russians have played in Iranian history and provides an original and important contribution to the history and international relations of Iran Russia and the Middle East

Anti-Veiling Campaigns in the Muslim World Stephanie Cronin,2014-04-24 In recent years bitter controversies have erupted across Europe and the Middle East about women's veiling and especially their wearing of the face veil or niqab Yet the deeper issues contained within these controversies secularism versus religious belief individual freedom versus social or family coercion identity versus integration are not new but are strikingly prefigured by earlier conflicts This book examines the state sponsored anti veiling campaigns which swept across wide swathes of the Muslim world in the interwar period especially in Turkey and the Balkans Iran Afghanistan and the Soviet republics of the Caucasus and Central Asia It shows how veiling was officially discouraged and ridiculed as backward and although it was rarely banned veiling was politicized and turned into a rallying point for a wider opposition Asking a number of questions about this earlier anti veiling discourse and the policies flowing from it and the reactions which it provoked the book illuminates and contextualizes contemporary debates about gender Islam and modernism

Recasting Iranian Modernity Kamran Matin,2013-11-07 Critically deploying the idea of uneven and combined

development this book provides a novel non Eurocentric account of Iran's experience of modernity and revolution Recasting Iranian Modernity presents the argument that Eurocentrism can be decisively overcome through a social theory that has international relations at its ontological core This will enable a conception of history in which there is an intrinsic international dimension to social change that prevents historical repetition This hitherto under theorized international dimension is the book argues manifest in combined patterns of development which incorporate both foreign and native forms It is the tension prone and unstable nature of these hybrid developmental patterns that mark Iranian modernity and fuelled the socio political dynamics of the 1979 revolution and the rise of political Islam Challenging solely comparative approaches to the Iranian Revolution that explain it away as either a deviation from or a reaction to modernity on the grounds of its religious form this book will be valuable to those interested in an alternative theoretical approach to the Iranian Revolution modern Iran and political Islam working in the fields of International Relations Middle East and Islamic Studies History Political Science Political Sociology Postcolonialism and Comparative Politics

American-Iranian Dialogues Matthew K. Shannon, 2021-10-07 Bringing together historians of US foreign relations and scholars of Iranian studies *American Iranian Dialogues* examines the cultural connections between Americans and Iranians from the constitutional period of the 1890s through to the start of the White Revolution in the 1960s Taking an innovative cultural approach chapters are centred around major themes in American Iranian encounters and cultural exchange throughout this period including stories of origin cultural representations nationalism and discourses on development Expert contributors draw together different strands of US Iranian relations to discuss a range of path breaking topics such as the history of education heritage exchange oil development and the often overlooked interactions between American and Iranian non state actors Through exploring the understudied cultural dimensions of US Iranian relations this book will be essential reading for students and scholars interested in American history international history Iranian studies and Middle Eastern studies

Iranian Music and Popular Entertainment GJ Breyley, Sasan Fatemi, 2015-11-19 The word motreb finds its roots in the Arabic verb taraba meaning to make happy Originally denoting all musicians in Iran motrebi came to be associated pejoratively with the cheerful vulgarity of the lowbrow entertainer In *Iranian Music and Popular Entertainment* GJ Breyley and Sasan Fatemi examine the historically overlooked motrebi milieu with its marginalized characters from luti to gardan koloft and mashti as well as the tenacity of motreb who continued their careers against all odds They then turn to losanjelesi the most pervasive form of Iranian popular music that developed as motrebi declined and related musical forms in Iran and its diasporic popular cultural centre Los Angeles For the first time in English the book makes available musical transcriptions analysis and lyrics that illustrate the complexities of this history As it presents the findings of the authors years of ethnographic work with the history's protagonists from senior motreb to pop rock stars the book reveals parallels between the decline of motrebi and the rise of modernity In the twentieth century the fate of Tehran's motrebi music was shaped by the social and urban polarization

that ensued from the modern market economy and Los Angeles would be similarly affected by transnational relations revolution war and migration Through its detailed and informed examination of Iranian popular music this study reveals much about the values and anxieties of Iranian society and is a valuable resource for students and scholars of Iranian society and history *The Neighborhood Effect* Anna Ohanian, 2022-08-23 Why are certain regions of the world mired in conflict And how did some regions in Eurasia emerge from the Cold War as peaceful and resilient Why do conflicts ignite in Bosnia Donbas and Damascus once on the peripheries of mighty empires yet other postimperial peripheries like the Baltics or Central Europe enjoy quiet stability Anna Ohanian argues for the salience of the neighborhood effect the complex regional connectivity among ethnic religious communities that can form resilient regions In an account of Eurasian regional formation that stretches back long before the nation state Ohanian refutes the notion that stable regions are the luxury of prosperous stable democratic states She examines case studies from regions once on the fringes of the Habsburg Ottoman and Russian Empires to find the often overlooked patterns of bonding and bridging or clustering and isolation of political power and social resources that are associated with regional resilience or fracture in those regions today With comparative examples from Latin America and Africa *The Neighborhood Effect* offers a new explanation for the conflicts we are likely to see emerge as the unipolar US led order dissolves making the fractures in regional neighborhoods painfully evident And it points the way to the future of peacebuilding making space for the smaller links and connections that comprise a stable neighborhood

Armies and State-building in the Modern Middle East Stephanie Cronin, 2013-12-06 The uprisings of 2011 which erupted so unexpectedly and spread across the Middle East once again propelled the armies of the region to the centre of the political stage Throughout the region the experience of the first decade of the twenty first century provides ample reason to re examine Middle Eastern armies and the historical context which produced them By adding an historical understanding to a contemporary political analysis Stephanie Cronin examines the structures and activities of Middle Eastern armies and their role in state and empire building Focusing on Iran Afghanistan and Saudi Arabia *Armies Tribes and States in the Middle East* presents a clear and concise analysis of the nature of armies and the differing guises military reform has taken throughout the region Covering the region from the birth of modern armies there in the late nineteenth and early twentieth centuries to the military revolutions of the 1950s and 60s and on to the twenty first century army building exercises seen in Iraq and Afghanistan Cronin provides a unique and vital presentation of the role of the military in the modern Middle East *Gender and Dance in Modern Iran* Ida Meftahi, 2017-07-14 *Gender and Dance in Modern Iran* Biopolitics on Stage investigates the ways dancing bodies have been providing evidence for competing representations of modernity urbanism and religiosity across the twentieth century Focusing on the transformation of the staged dancing body its space of performance and spectatorial cultural ideology this book traces the dancing body in multiple milieus of performance including the Pahlavi era s national artistic scene and the popular caf and cabaret stages as well as the commercial cinematic screen and the post

revolutionary Islamized theatrical stage It links the socio political discourses on performance with the staged public dancer in order to interrogate the formation of dominant categories of modern high and artistic and the subsequent othering of cultural realms that were discursively peripheralized from the national stage Through the study of archival and ethnographic research as well as a diverse literature pertaining to music theater cinema and popular culture it combines a close reading of primary sources such as official documents press materials and program notes with visual analysis of filmic materials and imageries as well as interviews with practitioners It offers an original and informed exploration into the ways performing bodies and their public have been associated with binary notions of vice and virtue morality and immorality commitment and degeneration chastity and eroticism and veiled ness and nakedness Engaging with a range of methodological and historiographical methods including postcolonial performance and feminist studies this book is a valuable resource for students and scholars of Middle East history and Iranian studies as well as gender studies and dance and performance studies

Nomads in Postrevolutionary Iran Lois Beck, 2014-09-19 Examining the rapid transition in Iran from a modernizing westernizing secularizing monarchy 1941 79 to a hard line conservative clergy run Islamic republic 1979 this book focuses on the ways this process has impacted the Qashqa i a rural nomadic tribally organized Turkish speaking ethnic minority of a million and a half people who are dispersed across the southern Zagros Mountains Analysing the relationship between the tribal polity and each of the two regimes the book goes on to explain the resilience of the people s tribal organizations kinship networks and politicized ethnolinguistic identities to demonstrate how these structures and ideologies offered the Qashqa i a way to confront the pressures emanating from the two central governments Existing scholarly works on politics in Iran rarely consider Iranian society outside the capital of Tehran and beyond the reach of the details of national politics Local level studies on Iran accounts of the ways people actually lived are now rare especially after the revolution Based on long term anthropological research *Nomads in Postrevolutionary Iran* provides a unique insight into how national level issues relate to the local level and will be of interest to scholars and researchers in Anthropology Iranian Studies and Middle Eastern Studies

Making and Remaking Empire in Early Qajar Iran Assef Ashraf, 2024-02 Uses political practices and a socially oriented approach to explain imperial formation under the Qajars in early nineteenth century Iran

Triple-Axis Ariane Tabatabai, Dina Esfandiary, 2018-07-30 The most significant challenge to the post Cold War international order is the growing power of ambitious states opposed to the West Iran Russia and China each view the global structure through the prism of historical experience Rejecting the universality of Western liberal values these states and their governments each consider the relative decline of Western economic hegemony as an opportunity Yet cooperation between them remains fragmentary The end of Western sanctions and the Iranian nuclear deal the Syrian conflict new institutions in Central and East Asia in all these areas and beyond the potential for unity or divergence is striking In this new and comprehensive study Ariane Tabatabai and Dina Esfandiary address the substance of this triple axis in the realms of

energy trade and military security In particular they scrutinise Iran Russia and the often overlooked field of Iran China relations Their argument that interactions between the three will shape the world stage for decades to come will be of interest to anyone looking to understand the contemporary international security puzzle
