**23 Years in The Irish Guards** Philip Anthony McDonnell,2024-04-11 Having signed on the dotted line to be an Irish guardsman not fully understanding all that Queen and country and other territories stuff that after six weeks on my own help only by others I slept beside in the gutter since leaving Ireland to see the world Finding no work food and shelter I was on my knees and making this last day as a homeless orphan in Liverpool to ask at the port about working my passage home to Dublin when I saw a window display asking for men to join the Irish guards that foxed my mind as to who or what Irish guards are It was recruiter Sgt George Smylie Liverpool office kind offer of a cup of tea and biscuit and warm manner that close the deal making my dream to see the world happen *The Irish Guards in the Great War* Rudyard Kipling,1923 A regimental history and official account of the Irish Guards in the First World War written by Rudyard Kipling in honour of his son John who served in the Irish Guards and was killed in his first action at the battle of Loos **A New History of Ireland Volume VII** J. R. Hill,2003-12-04 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day Volume VII covers a period of major significance in Ireland s history It outlines the division of Ireland and the eventual establishment of the Irish Republic It provides comprehensive coverage of political developments north and south as well as offering chapters on the economy literature in English and Irish the Irish language the visual arts emigration and immigration and the history of women The contributors to this volume all specialists in their field provide the most comprehensive treatment of these developments of any single volume survey of twentieth century Ireland [A Military History of Ireland](#) Thomas Bartlett,Keith Jeffery,1997-10-09 This is a major collaborative study of organised military activity and its broad impact on Ireland over the last thousand years or so from the middle of the first millennium AD to modern times It integrates the best recent scholarship in military history into its social and political context to provide a comprehensive treatment of the Irish military experience The eighteen chronologically organised chapters are written by leading scholars each of whom is an authority on the period in question Drawing the whole work together is a wide ranging introductory essay on the Irish military tradition which explores the relationship of Irish society and politics with militarism and military affairs The text is illustrated throughout by over 120 pictures and maps **The Irish Guards in the Great War** Rudyard Kipling,2025-03-29 *The Irish Guards in the Great War* Volume 2 of 2 *The Second Battalion and Appendices* by Rudyard Kipling offers a detailed regimental history of the Irish Guards during World War I This meticulously researched volume focuses specifically on the Second Battalion s experiences and includes valuable appendices A significant contribution to military history the book provides insight into the British Army s involvement in the conflict with a particular emphasis on the Irish Guards role Explore the history of this distinguished regiment and gain a deeper understanding of their service during one of the most

pivotal periods in modern history This historical account serves as an enduring record of the sacrifices and contributions made during the Great War A vital resource for those interested in World War I military history and the history of the Irish Guards This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The American Presence in Ulster: A Diplomatic History, 1796-1996 American Presence in Ulster* Francis M. Carroll, 2005-12 Alex Voorman a cerebral thirty year old archaeologist is married to the woman of his dreams a beautiful ambitious botanist named Isabel When Isabel is killed by a reckless driver Alex reluctantly consents to donate her heart Janet Corcoran a young headstrong mother of two and an art teacher at an inner city school in Chicago is sick with heart disease She is on the waiting list for a transplant but her chances are slim She watches the Weather Channel secretly praying for foul weather and car accidents The day Isabel dies Janet gets her wish Flash forward a year Janet sends Alex a letter She d like to learn something about the woman who saved her life But Alex isn t interested in talking to the recipient of his dead wife s heart Since Isabel s accident he s still grief stricken Meanwhile a local blues musician named Jasper the man responsible for Isabel s death attempts to atone for his misdeed Irreplaceable is the story of what happens after the transplant not only to Alex but within the concentric circles of family that spiral outward from him and from Janet Stephen Lovely takes us vividly inside the lives of these characters to reveal their true intentions however misguided and gives us a stunning debut novel of loss and love Saturday Review of Politics, Literature, Science and Art ,1915

Readers' Guide to Periodical Literature Anna Lorraine Guthrie, Bertha Tannehill, Neltje Marie Tannehill Shimer, 1925 An author subject index to selected general interest periodicals of reference value in libraries **The Saturday Review of Politics, Literature, Science and Art** ,1893 Among Friends Murray Naylor, 1995-06-26 This book provides a complete insight into the history of the Scots guards from 1956 1993 Journal of the Royal Army Medical Corps Great Britain. Army. Royal Army Medical Corps, 1907 **Churchill's Shadow** Geoffrey Wheatcroft, 2021-10-26 A New York Times Notable Book of the Year A major reassessment of Winston Churchill that examines his lasting influence in politics and culture Churchill is generally considered one of the greatest leaders of the twentieth century if not the greatest of all revered for his opposition to appeasement his defiance in the face of German bombing of England his political prowess his deft aphorisms and his memorable speeches He became the savior of his country as prime minister during the most perilous period in British history World War II and is now perhaps even more beloved in America than in England And yet Churchill was also very often in the wrong he brazenly contradicted his own previous political stances was a disastrous military strategist and inspired dislike

and distrust through much of his life Before 1939 he doubted the efficacy of tank and submarine warfare opposed the bombing of cities only to reverse his position shamelessly exploited the researchers and ghostwriters who wrote much of the journalism and the books published so lucratively under his name and had an inordinate fondness for alcohol that once found him drinking whisky before breakfast When he was appointed to the cabinet for the first time in 1908 a perceptive journalist called him the most interesting problem of personal speculation in English politics More than a hundred years later he remains a source of adulation as well as misunderstanding This revelatory new book takes on Churchill in his entirety separating the man from the myth that he so carefully cultivated and scrutinizing his legacy on both sides of the Atlantic In effervescent prose shot through with sly wit Geoffrey Wheatcroft illuminates key moments and controversies in Churchill's career from the tragedy of Gallipoli to his shocking imperialist and racist attitudes dealings with Ireland support for Zionism and complicated engagement with European integration Charting the evolution and appropriation of Churchill's reputation through to the present day Churchill's Shadow colorfully renders the nuance and complexity of this giant of modern politics

**My Boy Jack?** Tonie Holt, Valmai Holt, 2008-03-24 A full account of the tragic life of John Jack Kipling son of Rudyard Kipling lost in battle during World War I On September 27 1915 John Kipling the only son of Britain's best loved poet disappeared during the Battle of Loos His body lay undiscovered for 77 years Then in a most unusual move the Commonwealth War Graves Commission CWGC re marked the grave of an unknown Lieutenant of the Irish Guards as that of John Kipling There is considerable evidence that John's grave has been wrongly identified and for the first time in this book the authors name the soldier they believe is buried in John's grave This is the first biography of John's short life analyzing the devastating effect it had on his famous father's work Penelope Fitzgerald Hugh Adlington, 2018 This book studies Penelope Fitzgerald's writing and the compositional method behind it **The Fire Fighter** Francis Cottam, 2012-12-01 Autumn 1940 London is being firebombed unable to strike back as the Luftwaffe drones overhead Jack Finlay a young man notorious for his ability to fight fires is given the task of preventing five buildings vital to Britain's war effort from being engulfed by the flames But resources are scarce and the mood is bleak and Finlay himself suspicious about the real motive for his mission And then he falls in love with a woman as unorthodox as he is a wartime liaison as improbable as it is intense dangerous because it makes him as vulnerable as the flames and plots twist around him British Military History For Dummies Bryan Perrett, 2007-04-30 A plain English guide to Britons in battle from the Roman invasion to the ongoing Iraqi war Charging through the Britain's military past this accessible guide brings to life the battles and wars that shaped the history of Britain and the world The book profiles commanders explains strategies and tactics and covers key developments in weaponry and technology **New York Times Saturday Review of Books and Art**, 1969 **Somme 1916** Gerald Gliddon, 2009-11-20 Set out topographically it covers everything from the famous battle sites of High Wood and Mametz Wood to obscure villages on the outlying flanks The British first began to take the Somme sector over from the French Army

in June 1915 From this time onwards they built up a very close bond with the local population many of whom continued to live in local villages close to the front line The author draws on the latest research and analysis as well as the testimony of those who took part to present all aspects of a battle that was to become a symbol of the horrors of the Great War
