Lukács and the Marxist View of Reason

Irrationalism Lukacs And The Marxist View Of Reason

Tom Rockmore

Irrationalism Lukacs And The Marxist View Of Reason:

Irrationalism Tom Rockmore, 2010-03-31 This is the first detailed study following the recent collapse of political Marxism in Eastern Europe of twentieth century Hungarian philosopher Georg Lukács and his position as the leading proponent of the Marxist theory of reason. Lukács's *History and Class Consciousness* has been called one of the three most influential philosophical works of this century and he the outstanding Marxist philosopher. Marxism has long suffered relative neglect in philosophical discussion as a result of its own invidious distinction between itself and the supposed irrationality of what it regards as bourgeois philosophy. Tom Rockmore offers a uniquely detailed philosophical analysis of Lukács's entire position as a theory of reason based on the distinction between reason and unreason or irrationalism. The author gives special emphasis to Lukács's connection to German neo-Kantianism, particularly Lask, and on his last unfinished work. Rockmore begins with an account of the roots of Lukács's Marxism followed by an in-depth analysis of his often mentioned but still incompletely understood seminal essay *Reification and the Class Consciousness of the Proletariat*. He then traces the evolution and later demise of the distinction between reason and irrationalism in Lukács's final thought. The author thus makes available for the first time in English a strictly philosophical discussion of Georg Lukács's Marxist phase and brings consideration of his thought into the wider philosophical discussion.

Leo Strauss and the Theopolitics of Culture Philipp von Wussow, 2020-04-15 2020 CHOICE Outstanding Academic Title In this book Philipp von Wussow argues that the philosophical project of Leo Strauss must be located in the intersection of culture, religion, and the political. Based on archival research on the philosophy of Strauss, von Wussow provides in-depth interpretations of key texts and their larger theoretical contexts. Presenting the necessary background in German Jewish philosophy of the interwar period, von Wussow then offers detailed accounts and comprehensive interpretations of Strauss's early masterwork *Philosophy and Law*, his wartime lecture *German Nihilism*, the sources and the scope of Strauss's critique of modern relativism, and a close commentary on the late text *Jerusalem and Athens*. With its rare blend of close reading and larger perspectives, this book is valuable for students of political philosophy, continental thought, and twentieth-century Jewish philosophy alike. It is indispensable as a guide to Strauss's philosophical project as well as to some of the most intricate details of his writings.

Georg Lukacs Reconsidered Michael Thompson, 2011-04-07 An international team of contributors explore contemporary insights into the work of Georg Lukács in political theory, aesthetics, ethics, and social and cultural theory.

Lukács's Phenomenology of Capitalism Richard Westerman, 2018-08-14 This book offers a radical new interpretation of Georg Lukács's *History and Class Consciousness*, showing for the first time how the philosophical framework for his analysis of society was laid in the drafts of a philosophy of art that he planned but never completed before he converted to Marxism. Reading Lukács's work through the so-called *Heidelberg Aesthetics* reveals for the first time a range of unsuspected influences on his thought, such as Edmund Husserl, Emil Lask, and Alois Riegl. It also offers a theory of subjectivity within social relations that avoids many of the

problems of earlier readings of his text At a time when Lukács's reputation is once more on the rise this bold new reading helps revitalize his thought in ways that help it speak to contemporary concerns

Georg Lukács and the Possibility of Critical Social Ontology Michael J. Thompson, 2019-12-16 Georg Lukács was one of the most important intellectuals and philosophers of the 20th century His last great work was an systematic social ontology that was an attempt to ground an ethical and critical form of Marxism This work has only now begun to attract the interest of critical theorists and philosophers intent on reconstructing a critical theory of society as well as a more sophisticated framework for Marxian philosophy This collection of essays explores the concept of critical social ontology as it was outlined by Georg Lukács and the ways that his ideas can help us construct a more grounded and socially relevant form of social critique This work will of special interest to social moral and political philosophers as well as those who study critical theory social theory and Marxism It is also of interest to those working within the area of social ontology Contributors include Mario Duayer Andreas Giesbert Christoph Henning Antonino Infranca Reha Kadakal Endre Kiss Michael Morris Michalis Skomvoulis Matthew J Smetona Titus Stahl Thomas Telios Michael J Thompson Murillo van der Laan Miguel Vedda Claudius Vellay

Marx After Marxism Tom Rockmore, 2008-04-30 Marx After Marxism encourages readers to understand Karl Marx in new ways unencumbered by political Marxist interpretations that have long dominated the discussions of both Marxists and non Marxists This volume gives a broad and accessible account of Marx's philosophy and emphasizes his relationship to Hegel

After Kant Michael Sonenscher, 2023-07-11 Tracing the origins of modern political thought through three sets of arguments over history morality and freedom In this wide ranging work Michael Sonenscher traces the origins of modern political thought and ideologies to a question raised by Immanuel Kant about what is involved in comparing individual human lives to the whole of human history How can we compare them or understand the results of the comparison Kant's question injected a new future oriented dimension into existing discussions of prevailing norms challenging their orientation toward the past This reversal made Kant's question a bridge between three successive sets of arguments between the supporters of the ancients and moderns the classics and romantics and the Romans and the Germans Sonenscher argues that the genealogy of modern political ideologies from liberalism to nationalism to communism can be connected to the resulting discussions of time history and values mainly in France but also in Germany Switzerland and Britain in the period straddling the French and Industrial revolutions What is the genuinely human content of human history Everything begins somewhere democracy with the Greeks or the idea of a res publica with the Romans but these local arrangements have become vectors of values that are apparently universal The intellectual upheaval that Sonenscher describes involved a struggle to close the gap highlighted by Kant between individual lives and human history After Kant is an examination of that struggle's enduring impact on the history and the historiography of political thought

On Foundationalism Tom Rockmore, 2004-04-05 In ancient times the main approaches to metaphysical realism were intuitive In modern times foundationalism has replaced intuition as the main

strategy to make out metaphysical realist claims to know In On Foundationalism Rockmore argues that foundationalism fails in all its known variants Furthermore Rockmore argues that Kant plays a crucial role in this regard Kant s complex position is both foundationalist and anti foundationalist committed to metaphysical realism and also through its commitment to empirical realism opposed to metaphysical realism Before Kant it made eminent sense to be committed to eventually making out a claim for metaphysical realism by formulating an acceptable version of foundationalism After Kant it no longer makes sense even to try to do so The Palgrave Handbook of Leninist Political Philosophy Tom Rockmore, Norman

Levine, 2018-12-19 This intellectually discomfiting disturbingly provocative yet still thoroughly scholarly Handbook reproduces the intellectual ferment that accompanied the Russian Revolution including the wholly polarising effect at that time of Vladimir Ilyich Lenin The Palgrave Handbook of Leninist Political Philosophy does not settle for one safe interpretation of the thought of this world historic figure but rather revels in a clash of viewpoints Most interestingly it presents a contrast between the Western editors who emphasise pure democracy and Marxian humanism with many of the contributing scholars who take a more sanguine view of the Leninist political project Perhaps reflecting the current Western political crisis some of the volume s other European and North American scholars more closely align with their colleagues from the Global South Key Features Places particular emphasis on the key elements of Lenin s thought the dictatorship of the proletariat which is trenchantly defended the nature of the dialectic and the New Economic Policy Additional comprehensive coverage includes the theory of the party Bolshevism imperialism and the class struggle in the countryside Examines the relation of Lenin s thought to the ideas of his most influential contemporaries including Luxemburg Stalin and Trotsky as well as the most eminent thinker to interpret Lenin since his death Gy rgy Luk cs This Handbook is essential reading for scholars researchers and advanced students in political philosophy political theory the history of political ideas economics international relations and world history It is also ideal for the general reader who wishes to understand some of the most powerful ideas that have shaped the modern world and that may yet shake the world again Polemical Encounters Olav

Hammer, Kocku von Stuckrad, 2007-09-30 In its historical development from late antiquity to the present western esotericism has repeatedly been the issue of polemical discourse This volume engages the polemical structures that underlie both the identities within and the controversy about esoteric currents in European history From Jewish and Christian kabbalah through heretical discourse and interconfessional polemics in early modernity to the legitimization of esoteric identity in modern culture the 12 chapters accompanied by an editors introduction provide a cornucopia of relevant cases that are interpreted in a framework of polemical discourse and Othering This volume sheds new light on the ultimately polemical structure of western esotericism and thus opens new vistas for further research into esoteric discourse **Encyclopedia of**

Contemporary Literary Theory Irene Rima Makaryk, 1993-01-01 The last half of the twentieth century has seen the emergence of literary theory as a new discipline As with any body of scholarship various schools of thought exist and

sometimes conflict within it I R Makaryk has compiled a welcome guide to the field Accessible and jargon free the Encyclopedia of Contemporary Literary Theory provides lucid concise explanations of myriad approaches to literature that have arisen over the past forty years Some 170 scholars from around the world have contributed their expertise to this volume Their work is organized into three parts In Part I forty evaluative essays examine the historical and cultural context out of which new schools of and approaches to literature arose The essays also discuss the uses and limitations of the various schools and the key issues they address Part II focuses on individual theorists It provides a more detailed picture of the network of scholars not always easily pigeonholed into the categories of Part I This second section analyses the individual achievements as well as the influence of specific scholars and places them in a larger critical context Part III deals with the vocabulary of literary theory It identifies significant complex terms places them in context and explains their origins and use Accessibility is a key feature of the work By avoiding jargon providing mini bibliographies and cross referencing throughout Makaryk has provided an indispensable tool for literary theorists and historians and for all scholars and students of contemporary criticism and culture

Heidegger and French Philosophy Tom Rockmore, 2002-09-11 Martin Heidegger's impact on contemporary thought is important and controversial However in France the influence of this German philosopher is such that contemporary French thought cannot be properly understood without reference to Heidegger and his extraordinary influence Tom Rockmore examines the reception of Heidegger's thought in France He argues that in the period after the Second World War due to the peculiar nature of the humanist French Philosophical tradition Heidegger became the master thinker of French philosophy Perhaps most importantly he contends that this reception first as philosophical anthropology and later as postmetaphysical humanism is systematically mistaken

A Dictionary of Cultural and Critical Theory Michael Payne, Jessica Rae Barbera, 2013-05-06 Now thoroughly updated and revised this new edition of the highly acclaimed dictionary provides an authoritative and accessible guide to modern ideas in the broad interdisciplinary fields of cultural and critical theory Updated to feature over 40 new entries including pieces on Alain Badiou Ecocriticism Comparative Racialization Ordinary Language Philosophy and Criticism and Graphic Narrative Includes reflective broad ranging articles from leading theorists including Julia Kristeva Stanley Cavell and Simon Critchley Features a fully updated bibliography Wide ranging content makes this an invaluable dictionary for students of a diverse range of disciplines

The Power of Negativity Raya Dunayevskaya, 2001-11-13 Raya Dunayevskaya is hailed as the founder of Marxist Humanism in the United States In this new collection of her essays co editors Peter Hudis and Kevin B Anderson have crafted a work in which the true power and originality of Dunayevskaya's ideas are displayed This extensive collection of writings on Hegel Marx and dialectics captures Dunayevskaya's central dictum that contrary to the established views of Hegelians and Marxists Hegel was of signal importance to the theory and practice of Marxism The Power of Negativity sheds light not only on Marxist Humanism and the rooting of Dunayevskaya's Marxist Humanist theories in Hegel but also on the life of one of America's

most penetrating and provocative critical thinkers **The Philosophy Of Praxis** Andrew Feenberg, 2014-08-12 The early Marx called for the realization of philosophy through revolution Revolution thus became a critical concept for Marxism a view elaborated in the later praxis perspectives of Lukács and the Frankfurt School These thinkers argue that fundamental philosophical problems are in reality social problems abstractly conceived Originally published as Lukács Marx and the Sources of Critical Theory The Philosophy of Praxis traces the evolution of this argument in the writings of Marx Lukács Adorno and Marcuse This reinterpretation of the philosophy of praxis shows its continuing relevance to contemporary discussions in Marxist political theory continental philosophy and science and technology studies **Engels After Marx** Manfred B. Steger, Terrell Carver, 2010-11-01 **Lukács Reads Goethe** Nicholas Vazsonyi, 1997 Long recognized as one of the foremost literary critics of the twentieth century the Hungarian born Georg Lukács 1885-1971 shocked many by turning to Marxism in 1918 Using his formidable knowledge of European cultural history he revitalized Marxist theory with his book History and Class Consciousness 1923 and continued to write extensively about literature The ultimate question posed by this book is how Lukács in the 1930s was able to write enthusiastically about Goethe citing him as an ideal exponent of humanism while simultaneously accepting and even condoning Stalinism **Georg Lukács** G.H.R. Parkinson, 2023-02-24 First published in 1977 Georg Lukács gives an outline of Lukács views and explains how they are related to the relevant cultural traditions of his epoch The author covers the whole range of Lukács thought from his earliest literary criticism to the posthumous Ontology of Social Existence Lukács early writings in particular are frequently obscure in style and impregnated with the language and thought of Hegel Professor Parkinson has elucidated Lukács principal writings in systematic fashion and the book includes a detailed exposition of Lukács influential but difficult book History and Class Consciousness This should be an indispensable book for all those who seek a clear comprehensible introduction to the writings of one of the most influential Marxist thinkers of our time **Malign Masters Gentile Heidegger Lukács Wittgenstein** Harry Redner, 2016-07-27 A politically oriented study of the thought of the founders of the main schools of contemporary academic philosophy those which dominate nearly all universities throughout the world It concentrates on four key masters Wittgenstein who founded both Logical Positivism and the so called Common Language or Analytic school Heidegger the acknowledged master of Hermeneutic Philosophy or the so called Continental school Lukács the founder of Hegelian Marxism and the leading Communist philosopher of the Soviet period and finally the now lesser known Gentile the Hegelian Idealist **The Review of Metaphysics** , 1995

Irrationalism Lukacs And The Marxist View Of Reason Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Irrationalism Lukacs And The Marxist View Of Reason free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Irrationalism Lukacs And The Marxist View Of Reason free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading

Irrationalism Lukacs And The Marxist View Of Reason free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Irrationalism Lukacs And The Marxist View Of Reason. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Irrationalism Lukacs And The Marxist View Of Reason any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Irrationalism Lukacs And The Marxist View Of Reason Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Irrationalism Lukacs And The Marxist View Of Reason is one of the best book in our library for free trial. We provide copy of Irrationalism Lukacs And The Marxist View Of Reason in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Irrationalism Lukacs And The Marxist View Of Reason. Where to download Irrationalism Lukacs And The Marxist View Of Reason online for free? Are you looking for Irrationalism Lukacs And The Marxist View Of Reason PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Irrationalism Lukacs And The Marxist View Of Reason. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider

finding to assist you try this. Several of Irrationalism Lukacs And The Marxist View Of Reason are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Irrationalism Lukacs And The Marxist View Of Reason. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Irrationalism Lukacs And The Marxist View Of Reason To get started finding Irrationalism Lukacs And The Marxist View Of Reason, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Irrationalism Lukacs And The Marxist View Of Reason So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Irrationalism Lukacs And The Marxist View Of Reason. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Irrationalism Lukacs And The Marxist View Of Reason, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Irrationalism Lukacs And The Marxist View Of Reason is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Irrationalism Lukacs And The Marxist View Of Reason is universally compatible with any devices to read.
