Daddy Lessons Steacy Easton, 2023-10-24 Cowboy erotica meets Kathy Acker in this smart raunchy look at a queer sexual awakening Steacy Easton grew up Mormon queer and Autistic in the West This book traces the people and spaces that made them who they are the Mormon church an Anglican boys boarding school where they were sent to be reformed and where they were abused by a teacher and then later on rodeos and bathhouses and mall bathrooms The world Easton describes is one in which desire is complicated where men daddies can be loving and they can be abusive and there isn't always a clear distinction Easton

explores the essential texts of their sexuality from Eve Kosofsky Sedgwick to Neil LaBute Kip Moore to Lorelei James and delves into their own encounters as they came of age These daddy lessons are blunt about the pleasures of disobedience slippery and difficult revelling in the funk of memory and desire In dangerous times Daddy Lessons dares to complicate the question of what children desire including things that they probably shouldn't and that adults must not exploit or manipulate Except they do Steacy Easton's meditations follow how such desires and disasters secrete an aesthetic and a self and how something vivacious can spring from that muck something like this book itself smutty and shining and garlanded in jonquils Carl Wilson author of Let's Talk About Love A Journey to the End of Taste Steacy writes about the queer pleasure seeking body in ways both fresh and eminently familiar Jordan Tannahill author of The Listeners Daddy Lessons is a cocky and tender reclamation of childhood and teenage wanting Vivek Shraya author of I'm Afraid of Men and People Change The Color of Kink Ariane Cruz, 2016-10-04 Winner of the MLA's 2016 Alan Bray Prize for Best Book in GLBTQ Studies How BDSM can be used as a metaphor for black female sexuality The Color of Kink explores black women's representations and performances within American pornography and BDSM bondage and discipline domination and submission and sadism and masochism from the 1930s to the present revealing the ways in which they illustrate a complex and contradictory negotiation of pain pleasure and power for black women Based on personal interviews conducted with pornography performers producers and professional dominatrices visual and textual analysis and extensive archival research Ariane Cruz reveals BDSM and pornography as critical sites from which to rethink the formative links between Black female sexuality and violence She explores how violence becomes not just a vehicle of pleasure but also a mode of accessing and contesting power Drawing on feminist and queer theory critical race theory and media studies Cruz argues that BDSM is a productive space from which to consider the complexity and diverseness of black women's sexual practice and the mutability of black female sexuality Illuminating the cross pollination of black sexuality and BDSM The Color of Kink makes a unique contribution to the growing scholarship on racialized sexuality **The Gendered Body in South Asia** Meenakshi Malhotra, Krishna Menon, Rachana Johri, 2023-09-14 This book situates the discourse on the gendered body within the rapidly transitioning South Asian socio economic and cultural landscape It critically analyzes gender politics from different disciplinary perspectives including psychoanalysis post structuralism post colonialism and law among others Enriched by contributions from well known South Asian feminist scholars this book discusses themes such as democracy and dissent citizenship and violence and how the female body has historically been used in these discussions as a shield and a weapon It also focuses on technology and misogyny the politics of veiling and unveiling the body of the Muslim women in contemporary India as well as bodies which are marginalized or labelled transgressive or monstrous The chapters in the volume showcase the complexities convergences and divergences which exist in the conception and understanding of the gendered body sexuality and gender roles in different socio cultural spaces in South Asia and how women negotiate these boundaries Topical and comprehensive this
