Beneath the Waves Edward Finch,2010-04-15 Capt Edward Ned Latimer Beach Jr USN is known primarily for his bestselling novel Run Silent Run Deep which was made into a film in 1958 with Clark Gable and Burt Lancaster and his record setting voyage as commanding officer of USS Triton SSN R 586 that was the first submarine to circumnavigate of the globe while submerged A highly decorated United States Navy submarine officer during World War II he participated in the Battle of Midway as well as other 12 combat patrols earning 10 decorations for gallantry including the Navy Cross His career also offers insights into the inner workings of power from inside the Pentagon in the years right after World War II to inside of the Eisenhower White House to the politics of the Republican Party in the United States Senate in the 1970s In addition to serving as an officer aboard U S submarines in the Pacific during World War II he was a prolific author publishing two novels in addition Run Silent Run Deep as well as numerous works on naval history Ned Beach is a biography that weaves together the personal professional and writing life of a man who for many was the public face of the submarine community in the years after the Second World War With a father who was a naval officer and the author of thirteen published novels in the 1910s 20s as the eldest son Ned Beach was greatly influenced to follow in his father s footsteps and to become both an officer and a writer From his youth in Palo Alto California during the Great Depression to his service in the Pacific in the war against Japan to the epic submerged circumnavigation of the globe in early 1960 commanding one of the early nuclear powered submarines Ned Beach s career encompasses a revolutionary period in American naval history Not only did he experience it he wrote about it This book tells the story of his remarkable life career and writing

Modernist Circumnavigations Kevin Riordan,2022-05-26 This book shows how Jules Verne s Around the World in Eighty Days changed the global imagination Through his novel the world was converted into a personal itinerary scaled to the individual traveller and by extension to the individual reader Exploring Verne s modern legacy this study shows how subsequent generations of artists and writers took on Around the World in Eighty Days as an adaptable guidebook to the

modern world It investigates how Verne's work leads its reader beyond the book itself It considers Verne's place in world literature traces some of the many real reenactments of Verne's itinerary and recalls the theatrical adaptations of Verne's story Published to coincide with the 500th anniversary of the first circumnavigation and the 150th anniversary of Verne's novel this book offers new insights into the largely overlooked influence of Verne on twentieth century literature and culture and on the field of global modernism
