Super Pro 40 chain saws are identified by a model number (000002) followed by a suffix letter (B, P, or C) stamped on the identification plate attached to the saw. Suffix letters denote variations in parts or assemblies in the manufacture of the saw.

Part numbers listed in this IPL which have a suffix letter or letters following the description, indicate the part is used only on the model identified by the letter or letters.

Part numbers and descriptions without suffix letter or letters apply to all models of the Super Pro 40 saw.
