Dawn Ades, Michael R. Taylor, Montserrat Aguer, 2004 *Dashing to the End* Eric Monder, 2025-05-15 Born Alfred Reginald John Truscott Jones Welsh American actor Ray Milland 1907 1986 appeared in more than 135 theatrical releases between 1929 and 1985 and on radio television and the stage while also becoming a film director Milland's extensive canon across such a period is remarkable especially considering his lack of formal training his belated start in show business in his late twenties and the fact he only lived to age seventy nine Perhaps best remembered for his Oscar winning performance as the tortured alcoholic in Billy Wilder's *The Lost Weekend* 1945 or his outstanding collaboration with Alfred Hitchcock in *Dial M for Murder* 1954 there is much more to Milland's life and career than the few films that elevated him from star to icon Despite his prolific and successful career *Dashing to the End: The Ray Milland Story* is the first comprehensive biography of the star Milland's personal and professional trajectory epitomize quintessential Hollywood lore the British army soldier turned actor who went from unknown struggling bit player to Oscar winning star to aging scandal haunted has been to comeback character actor to present day cult figure Using interviews with Milland's costars and colleagues as well as research from several major archives author Eric Monder brings into sharp relief both the positive and negative aspects of the Hollywood film and television industries and paints a well rounded portrait of this complex man and artist *The Transcendentalists and Their World* Robert A. Gross, 2021-11-09 One of *The Wall Street Journal's* 10 best books of 2021 One of *Air Mail's* 10 best books of 2021 Winner of the Peter J. Gomes Memorial Book Prize In the year of the nation's bicentennial Robert A. Gross published *The Minutemen and Their World* a paradigm shaping study of Concord Massachusetts during the American Revolution It won the prestigious Bancroft Prize and became a perennial bestseller Forty years later in this highly anticipated work Gross returns to Concord and explores the meaning of an equally crucial moment in the American story the rise of Transcendentalism *The Transcendentalists and Their World* offers a fresh view of the thinkers whose outsized impact on philosophy and literature would spread from tiny Concord to all corners of the earth Ralph Waldo Emerson Henry David Thoreau Nathaniel Hawthorne and the Alcotts called this New England town home and Thoreau drew on its life extensively in his classic *Walden* But Concord from the 1820s through the 1840s was no pastoral place fit for poets and philosophers *The Transcendentalists and their neighbors* lived through a transformative epoch of American life A place of two thousand plus souls in the antebellum era Concord was a community in ferment whose small ordered society founded by Puritans and defended by Minutemen was dramatically unsettled through the expansive forces of capitalism and democracy and tightly integrated into the wider world These changes challenged a world of inherited institutions and involuntary associations with a new premium on autonomy and choice They exposed people to cosmopolitan currents of thought and endowed them with unparalleled opportunities They fostered uncertainties raised new hopes stirred dreams of perfection and created an audience for new ideas of individual freedom and democratic equality deeply resonant today *The Transcendentalists and Their World* is both an intimate journey into the life of a community and a searching cultural study of major American writers

as they plumbed the depths of the universe for spiritual truths and surveyed the rapidly changing contours of their own neighborhoods It shows us familiar figures in American literature alongside their neighbors at every level of the social order and it reveals how this common life in Concord entered powerfully into their works No American community of the nineteenth century has been recovered so richly and with so acute an awareness of its place in the larger American story
