Complete Works of Théophile Gautier, Vol. 1 Théophile Gautier, 2018-01-17 Excerpt from The Complete Works of Theophile Gautier Vol 1 Mademoiselle De Maupin Parts I and II Mademoiselle de Maupin which called out on its appearance a storm of mingled reprobation and admiration provoked then mainly by the Preface later by the story itself and the echoes of which have not altogether died out in our day In those debonair times when Realists and Naturalists had not yet appeared upon the scene and served up slices of life to a public whose vitiated taste refuses all but the gamiest and most highly seasoned works of an epoch of decadence the book was looked upon as a shameless exposition of sensuality by some as a masterpiece of art and audacity by others The brilliant Preface with its virulently sarcastic attacks upon critics and the old maidish prudery of the bourgeois was however the chief offence the story itself attracting little attention outside the sacred circle About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged
