American English File 3E Level 2 Student Book Christina Latham-Koenig, Clive Oxenden, Jerry Lambert, 2007-08-28
American English File Second Edition retains the popular methodology developed by world renowned authors Christina Latham Koenig and Clive Oxenden language motivation opportunity With grammar vocabulary and pronunciation practice in every lesson students are equipped with a solid foundation for successful speaking Plus an array of digital resources provides even more choice and flexibility Students can learn in the classroom or on the move with Online Practice language assessment The first goal is to explore the difference between fairness and justice in language assessment The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment immigrant status citizenship and other rights The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics in particular the models collectively known as Rasch measurement This book will have an enormous impact on the field of language assessment Using Rasch analysis models to explore and identify sources of unfairness the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results A real strength of the book is that it guides readers through analytical techniques in an accessible way Dan Douglas Professor Emeritus Applied Linguistics Program Iowa State University *Backpacker*, 2007-09
Backpacker brings the outdoors straight to the reader's doorstep inspiring and enabling them to go more places and enjoy nature more often The authority on active adventure *Backpacker* is the world's first GPS enabled magazine and the only magazine whose editors personally test the hiking trails camping gear and survival tips they publish *Backpacker's* Editors Choice Awards an industry honor recognizing design feature and product innovation has become the gold standard against which all other outdoor industry awards are measured **Mainstreaming Porn** Elaine Craig, 2024-09-03 The ubiquity of streaming sites such as Pornhub has transformed the social role of sexually explicit content today Online porn is no longer a shady corner of the internet it is mainstream Its production commodification and consumption on data driven online platforms has changed and is changing our personal relationships social and legal systems and sexual norms Online porn platforms are shaping sexual desires and practices in the same way that Google and Facebook have affected social relationships and the circulation of information porn is now consumed on data driven platforms with algorithms designed to engage the attention of users encourage the production of user generated videos and filter content Through frank examination of mainstream content with themes of incest intoxication and so called consensual rough sex issues that play out in life and in court Elaine Craig shows how the platformization of mainstream pornography is shaping our sexual culture in real time *Mainstreaming Porn* maps a complicated web of legal culture and legal actors from corporate lawyers and platform content regulation to the criminal civil and administrative contexts in which porn companies operate and the legal

interpretation of sexual assault defences All have profound implications for the promotion and protection of everyone's sexual integrity and especially that of women and girls Mainstreaming Porn is an unflinching carefully balanced perspective on a divisive topic Without demonizing pornography or its consumption Craig makes a powerful argument for applying legal mechanisms to corporate owned online platforms while offering a sober evaluation of the limits of the law in governing pervasive cultural norms and social understandings of sexuality
