Grey Gardens Bfi Film Classics:

Grey Gardens Matthew Tinkcom, 2025-09-04 The Maysles brothers documentary film Grey Gardens 1975 chronicles the everyday lives of two eccentric upper class women Edith Bouvier Beale and her mother Edith. The film has gained the status of cult classic since its release inspiring both a Broadway musical and a 2009 feature film. In this first single volume study Matthew Tinkcom argues that Grey Gardens reshaped documentary cinema by moving the camera to the heart of the household a private space into which film makers had seldom previously ventured. By the time the film makers appeared on their front porch Grey Gardens two central figures Big Edie and her daughter Little Edie had been living for two decades in squalor in their beachside East Hampton mansion. However the women were hardly victims of their poverty rather they saw themselves as artists who were willing to make any sacrifice for their singing and dancing talents. When the Edies perform for the camera audiences are challenged by the question of how much anyone would be willing to give up in order to lead a life of eccentric pleasure. Tinkcom argues that Grey Gardens is innovative in blending documentary with the conventions of melodrama and that the film's appeal lies in the fabric of the Beales everyday lives in which they argue dress up flirt laugh sing dance and reminisce about their experiences in New York's social elite in the first half of the twentieth century. In his afterword to this new edition Matthew Tinkcom reconsiders Grey Gardens fifty years after its release addressing its cult status and the Edies continuing influence on popular culture.

1968 and Global Cinema Christina Gerhardt, Sara Saljoughi, 2018-10-17 The volume is ideal for graduate and undergraduate courses on the long sixties political cinema 1968 and new waves in art history cultural studies and film and media studies.

Salesman J.M. Tyree, 2019-07-25 Selected by the Library of Congress as one of the most significant American films ever made Salesman 1966 9 is a landmark in non-fiction cinema equivalent in its impact and influence to Truman Capote's non-fiction novel In Cold Blood. The film follows a team of travelling Bible salesmen on the road in Massachusetts Chicago and Florida where the American dream of self-reliant entrepreneurship goes badly wrong for protagonist Paul Brennan. Long acknowledged as a high water mark of the direct cinema movement this ruefully comic and quietly devastating film was the first masterpiece of Albert Maysles David Maysles and Charlotte Zwerin the trio who would go on to produce The Rolling Stones documentary Gimme Shelter 1970. Based on the premise that films drawn from ordinary life could compete with Hollywood extravaganzas Salesman was critical in shaping the documentary feature. A novel cinema going experience for its time the film was independently produced designed for theatrical release and presented without voiceover narration interviews or talking heads. Working with innovative handheld equipment and experimenting with eclectic methods and a collaborative ethos the Maysles brothers and Zwerin produced a carefully orchestrated narrative drama fashioned from unexpected episodes. J.M. Tyree suggests that Salesman can be understood as a case study of non-fiction cinema raising perennial questions about reality and performance. His analysis provides an historical and cultural context for the film considering its place in world cinema and its critical

representations of dearly held national myths The style of *Salesman* still makes other documentaries look static and immobile while the film's allegiances to everyday subjects and working people indelibly marked the cinema Tyree's insightful study also includes an exclusive exchange with Albert Maysles about the film *Spectacle of Property* John David Rhodes, 2017-12-15 Much of our time at the movies is spent in other people's homes Cinema is after all often about everyday life *Spectacle of Property* is the first book to address the question of the ubiquitous conjuncture of the moving image and its domestic architecture Arguing that in cinema we pay to occupy spaces we cannot occupy John David Rhodes explores how the house in cinema both structures and criticizes fantasies of property and ownership Rhodes tells the story of the ambivalent but powerful pleasure we take in looking at private property onscreen analyzing the security and ease the house promises along with the horrible anxieties it produces He begins by laying out a theory of film spectatorship that proposes the concept of the spectator tenant with reference to films such as *Gone with the Wind* and *The Magnificent Ambersons* The book continues with three chapters that are each occupied with a different architectural style and the films that make use of it the bungalow the modernist house and the shingle style house Rhodes considers a variety of canonical films rarely analyzed side by side such as *Psycho* in relation to *Grey Gardens* and *Meet Me in St Louis* Among the other films discussed are *Meshes of the Afternoon* *Mildred Pierce* *A Star Is Born* *Killer of Sheep* and *A Single Man* Bringing together film history film theory and architectural history as no book has to date *Spectacle of Property* marks a new milestone in examining cinema's relationship to realism while leaving us vastly more informed about if less at home inside the houses we occupy at the movies [British Film Institute Film Classics](#) Rob White, Edward Buscombe, 2003 [The Birds](#) Camille Paglia, 2020-05-14 Drawing on Daphne du Maurier's short story and contemporary newspaper reports of bird attacks in California Alfred Hitchcock's *The Birds* 1963 featured Tippi Hedren in her first starring role Camille Paglia's compelling study considers the film's aesthetic technical and mythical qualities and analyses its depiction of gender and family relations A film about anxiety sexual power and the violence of nature it is quintessential Hitchcock Camille Paglia's foreword to this new edition reflects upon the relationship between Hitchcock and his leading lady Hedren in the light of recent debates about male power female agency and the MeToo movement **Boom and Bust** Thomas Schatz, 1999-11-23 On the history of motion pictures *Things to Come* Christopher Frayling, 2019-07-25 The release of *Things to Come* in 1936 was one of the key moments in the history of science fiction in the cinema The film was the brainchild of H G Wells whose worldwide reputation as a thinker had persuaded its producer Alexander Korda to offer him a contract giving him virtually total control over the project Korda drafted a dazzling array of talents to render into pictures Wells's ideas of the future a hundred years hence His brother Vincent Korda a distinguished painter was employed as art director and the Bauhaus artist Laszlo Moholy Nagy contributed ideas for futuristic sets As director Korda hired William Cameron Menzies who had practically invented the profession of Hollywood art director through his work with Douglas Fairbanks on *The Thief of Baghdad* and Rudolf Valentino

on Son of the Sheik and whose career would climax with Gone With the Wind The result was a landmark in cinematic design Christopher Frayling shows with a wealth of illustrations how the boldness and brilliance of the sets and costumes mark out Things to Come as British cinema's greatest contribution to the science fiction genre amply justifying his judgement that Things to Come is to modernism as Blade Runner is to postmodernism *Grey Gardens*, 2009 **Silent Mystery and Detective Movies** Ken Wlaschin, 2009-05-15 The silent film era was known in part for its cliffhanger serials and air of suspense that kept audiences returning to theaters week after week Icons such as Douglas Fairbanks Laurel and Hardy Lon Chaney and Harry Houdini were among those who graced the dark and shadowy screen This reference guide to silent films with mystery and detective content lists more than 1 500 titles in one of entertainment's most popular and enduring genres While most of the films examined are from North America mystery films from around the world are included *DK London* DK Travel, 2025-09-23 Winner Gold Award Top Guidebook at the 2020 Wanderlust Magazine Reader Travel Awards Planning a trip to London Look no further Whether you want to tread the footsteps of kings and queens in the royal palaces catch a show in the vibrant West End theater district or sample the tantalizing array of street food from around the world your DK Eyewitness travel guide makes sure you experience all that London has to offer Every corner of London is brimming with personality Dripping in pomp and tradition Whitehall and Westminster are best known for their iconic sights and regal architecture The rolling fields and peaceful woodlands of Hampstead Heath feel a world apart from the financial district of the City where corporate suits can be seen flocking into futuristic skyscrapers And when the sun sets Soho bursts into life the perfect spot for an evening out Our annually updated guide brings this cosmopolitan capital to life transporting you there like no other travel guide does with expert led insights and advice detailed breakdowns of all the must see sights photographs on practically every page and our trademark illustrations You'll discover our pick of London's must sees top experiences and hidden gems the best spots to eat drink shop and stay detailed maps and walks which make navigating the city easy easy to follow itineraries expert advice get ready get around and stay safe color coded chapters to every part of London from Mayfair to Shoreditch King's Cross to the South Bank our new lightweight format so you can take your guide with you wherever you go Have less time Try our pocket friendly Top 10 London for top 10 lists to all things London [Aiden London City Map for Travelers](#) aiden map, Jacky LEE, Google Maps gives you simple directions while Aiden's London travel maps have enough content to help you plan your trip If you're planning a trip to London the city has launched a travel map to help you plan your trip It's not just a road map but a new concept a map filled with information on where to go where to eat and thousands of other things Advantages of the Aiden London travel map Highly detailed city maps London landmarks attractions places to eat and activities in great detail High quality map files 2000 travel spots and descriptions with high quality map files Zoom in to see more A1 sized paper maps transferred to ebooks Zoom in for a closer look on your Kindle Detailed description Restaurant recommendations travel what to see details Thousands of hours of research We travelled researched and
