Ermolao Barbaro's On Celibacy 1 and 2 Gareth Williams, 2023-09-07 This volume offers the first annotated English translation of the first two books of *On Celibacy* 1473 by the eminent Venetian humanist Ermolao Barbaro 1454 93 Books 3 and 4 of *On Celibacy* are presented along with Barbaro's *On the Duty of the Ambassador* in the companion piece to this first volume Setting out the historical context that crucially conditions Barbaro's advocacy of the celibate life in Books 1 and 2 the introduction examines how *On Celibacy* seeks to justify a contemplative existence that rejects the career path expected of a figure of Barbaro's standing within the Venetian patrician class Beyond setting out the essential facts of Ermolao Barbaro's life story Gareth Williams discusses how *On Celibacy* is set in counterpoise to the treatise *On Marriage* 1415 that was composed by Ermolao's eminent grandfather Francesco Barbaro If the latter's treatise was vitally concerned with the institution of marriage as a key factor in the safeguarding of family succession and the stability of patriciate participation in government at Venice *On Celibacy* presents an alternative ideal whereby the celibate can proudly renounce civic life in the name of self discovery and the pursuit of wisdom his abilities simply unsuited to the rigors of civic life *On Celibacy* is thus implicated in a much wider 15th century debate about the claims of the contemplative as opposed to the active life a debate that extends all the way back to Graeco Roman antiquity
