Groove: I Am Leader Guide Tony Akers, 2015-12-15 Discovering and embracing one's identity has proven to be a long lonely rough and at times dangerous road for today's teenagers It's likely you've chosen this study to use with your youth group because you care deeply and want the teenagers within your sphere of influence to find the answers to their identity questions in Jesus Christ The I Am study is not a quick fix for your teenagers' needs It is a handcrafted tool that when used by compassionate caring and committed adults will ignite their imagination and excitement for whom their Creator says they are and the purpose for

which they were designed I Am will likely raise more questions than it answers and that's intentional. Don't feel the need to make sure all the loose ends are tied up at the conclusion of your youth gathering. Allow your teens the opportunity to leave with ideas and truths on which to reflect and wrestle as they use the daily devotionals provided in the Groove I Am Student Journal. The Groove Bible study series invites teens to learn the essentials of their faith, own their story, and engage the world in serving Jesus. Each topical study consists of four weekly sessions that are easy to lead and relate to life issues teens face. With up to 48 weeks available, Groove is great for Sunday and mid-week gatherings for both large and small groups as well as retreats. Groove: Grace Leader Guide Tony

Akers, 2015-12-15 Grace is a church word that sometimes gets lost in the world of teenagers. Research shows that most teenagers have embraced a system of belief in which being a follower of Jesus is defined by behavior instead of the grace of God offered through Christ. Grace is designed to show youth that grace is a real practical force in their lives even in the midst of brokenness, fear, doubt, and stress. These key factors can often become major stumbling blocks for youth if they are not equipped with the tools to understand how God's grace operates in each of these areas. Each lesson in the Groove Grace Student Journal includes daily devotions and reflections to help young people work through the issues raised. Sometimes the lessons leave youth with more reflection and processing to do such challenges help youth develop a maturing, deepening faith that will last into adulthood. The Groove Bible study series invites teens to learn the essentials of their faith, own their story, and engage the world in serving Jesus. Each topical study consists of four weekly sessions that are easy to lead and relate to life issues teens face. With up to 48 weeks available, Groove is great for Sunday and mid-week gatherings for both large and small groups as well as retreats. The leader guide contains everything needed to lead teens through a Groove study including teaching outlines, leader notes, Bible background, reflections, and parent communication.

Groove: Inside Out Leader Guide

Tony Akers, 2015-12-15 In our media-saturated world, images and messages about appearance, love, and romance bombard teenagers daily. These often unrealistic and unhealthy representations of the normal teen life can be confusing to teenagers as they attempt to follow Christ. Inside Out challenges the values of the world and affirms that our real value begins in understanding that we have a God who loves us. Over the course of the study, teenagers will learn to see themselves and how they live as a reflection of the spiritual life happening deep inside their hearts and minds. This study isn't designed to give answers about holiness, forgiveness, humility, and giving thanks as much as it is designed to challenge youth to resolve to develop those character traits from the deepest part of their beings and outward into the world. The Groove Inside Out Student Journal will challenge youth to consider their own core character and learn to make choices that are consistent with their faith. The Groove Bible study series invites teens to learn the essentials of their faith, own their story, and engage the world in serving Jesus. Each topical study consists of four weekly sessions that are easy to lead and relate to life issues teens
