## **Groove Grace Leader Tony Akers:**

*Groove: Grace Leader Guide* Tony Akers, 2015-12-15 Grace is a church word that sometimes gets lost in the world of teenagers. Research shows that most teenagers have embraced a system of belief in which being a follower of Jesus is defined by behavior instead of the grace of God offered through Christ. Grace is designed to show youth that grace is a real practical force in their lives even in the midst of brokenness, fear, doubt, and stress. These key factors can often become major stumbling blocks for youth if they are not equipped with the tools to understand how God's grace operates in each of these areas. Each lesson in the *Groove Grace Student Journal* includes daily devotions and reflections to help young people work through the issues raised. Sometimes the lessons leave youth with more reflection and processing to do. Such challenges help youth develop a maturing, deepening faith that will last into adulthood. The *Groove Bible study* series invites teens to learn the essentials of their faith, own their story, and engage the world in serving Jesus. Each topical study consists of four weekly sessions that are easy to lead and relate to life issues teens face. With up to 48 weeks available, *Groove* is great for Sunday and mid-week gatherings for both large and small groups as well as retreats. The leader guide contains everything needed to lead teens through a *Groove* study including teaching outlines, leader notes, Bible background, reflections, and parent communication.

*Groove: Temptation Leader Guide* Tony Akers, 2015-12-15 Temptations are all around us and facing those temptations is never easy, especially for teenagers. While simply avoiding temptation would make life a lot easier, it can be very hard for teens who are still developing socially, emotionally, intellectually, spiritually, and physically. Temptation is a four-week study designed to help teens navigate and overcome the daily temptations they battle. Greed, pride, envy, and lust are challenges we all face, so understanding the spiritual implications of those temptations can help our youth thrive in their spiritual lives as they move into adulthood. The *Groove Temptation Student Journal* provides exercises and daily devotions that help teens deal with the temptations they face as they learn to develop a maturing faith in Christ. The *Groove Bible study* series invites teens to learn the essentials of their faith, own their story, and engage the world in serving Jesus. Each topical study consists of four weekly sessions that are easy to lead and relate to life issues teens face. With up to 48 weeks available, *Groove* is great for Sunday and mid-week gatherings for both large and small groups as well as retreats. The leader guide contains everything needed to lead teens through a *Groove* study including teaching outlines, leader notes, Bible background, reflections, and parent communication.

*Groove: Dilemmas Leader Guide* Tony Akers, 2015-12-15 Every day youth are called to navigate a world full of challenging decisions, from the simple choices about everyday life to the much more serious ethical dilemmas that can make being a teenager a complicated experience. Some of those dilemmas include: What does it mean to be a person with established morals and ethics? How does the commandment to love others affect our lives in a tangible way? What happens when we make choices that have consequences that greatly affect our lives and the lives of those around us? *Dilemmas* isn't designed to provide simple answers to complicated questions but rather help teens understand how

to make inspired smart choices that reflect both who they are and who they are striving to be The Groove Dilemmas Student Journal will challenge youth to be deliberate thoughtful and faithful as they attempt to make choices that are consistent with their character and their faith The Groove Bible study series invites teens to learn the essentials of their faith own their story and engage the world in serving Jesus Each topical study consists of four weekly sessions that are easy to lead and relate to life issues teens face With up to 48 weeks available Groove is great for Sunday and mid week gatherings for both large and small groups as well as retreats The leader guide contains everything needed to lead teens through a Groove study including teaching outlines leader notes Bible background reflections and parent communication      *Groove: I Am Leader Guide* Tony Akers,2015-12-15 Discovering and embracing one s identity has proven to be a long lonely rough and at times dangerous road for today s teenagers It s likely you ve chosen this study to use with your youth group because you care deeply and want the teenagers within your sphere of influence to find the answers to their identity questions in Jesus Christ The I Am study is not a quick fix for your teenagers needs It is a handcrafted tool that when used by compassionate caring and committed adults will ignite their imagination and excitement for whom their Creator says they are and the purpose for which they were designed I Am will likely raise more questions than it answers and that s intentional Don t feel the need to make sure all the loose ends are tied up at the conclusion of your youth gathering Allow your teens the opportunity to leave with ideas and truths on which to reflect and wrestle as they use the daily devotionals provided in the Groove I Am Student Journal The Groove Bible study series invites teens to learn the essentials of their faith own their story and engage the world in serving Jesus Each topical study consists of four weekly sessions that are easy to lead and relate to life issues teens face With up to 48 weeks available Groove is great for Sunday and mid week gatherings for both large and small groups as well as retreats The leader guide contains everything needed to lead teens through a Groove study including teaching outlines leader notes Bible background reflections and parent communication      *Groove: Inside Out Leader Guide* Tony Akers,2015-12-15 In our media saturated world images and messages about appearance love and romance bombard teenagers daily These often unrealistic and unhealthy representations of the normal teen life can be confusing to teenagers as they attempt to follow Christ Inside Out challenges the values of the world and affirms that our real value begins in understanding that we have a God who loves us Over the course of the study teenagers will learn to see themselves and how they live as a reflection of the spiritual life happening deep inside their hearts and minds This study isn t designed to give answers about holiness forgiveness humility and giving thanks as much as it is designed to challenge youth to resolve to develop those character traits from the deepest part of their beings and outward into the world The Groove Inside Out Student Journal will challenge youth to consider their own core character and learn to make choices that are consistent with their faith The Groove Bible study series invites teens to learn the essentials of their faith own their story and engage the world in serving Jesus Each topical study consists of four weekly sessions that are easy to lead and relate to life issues teens face With up to 48 weeks
