Grudging Birth Of Saints One:

A Saint Is Born in Chima Manuel Zapata Olivella, 2013-05-01 When the paralyzed cripple Domingo Vidal is rescued unsinged from a burning house the people of Chima believe they have witnessed a miracle Domingo becomes their patron saint and tales of his miracles multiply Domingo makes the rains come cures the blind and lame and swells barren wombs with new life But is Domingo really a saint or is he a pagan idol Padre Berrocal calls the people heretics but they are afraid not to worship Domingo To what excesses will superstition and ignorance drive the frightened people of Chima This novel published in 1963 as *En Chim nace un santo* makes important connections between the frustrations of poverty and the excesses of religious fanaticism Zapata Olivella indicts the dogmatic attitudes of religious and civil institutions as a major cause of the creation of local cults like the one that grows up around Saint Domingo In Zapata Olivella s compelling narrative the struggle over Domingo points up both the inflexibility of established institutions and the potential power for change that lies within the hands of a determined populace

The Homilies of Saint John Chrysostom: On the Acts of the Apostles Saint John Chrysostom, Aeterna Press, 2015-06-22 The manifestly imperfect condition in which these Homilies have come to us may partly be accounted for by the circumstances of the times in which they were preached It was in the Easter weeks of the third year of his residence at Constantinople as Archbishop that St Chrysostom began this course of Sermons and during all the remaining part of that year A D 400 the Capital of the East was kept in constant trouble and alarm by the revolt of Gainas and the Goths Moreover scarcely had the preaching commenced when the complaints from the Churches of Asia Minor were brought May 400 before the Metropolitan See which business during many months painfully occupied the Archbishop s thoughts and eventually demanded his presence at Ephesus
