Hope, True Stories of Answered Prayers , Christianity And The Supernatural: Why the

Bible is Relevant Today Mark Apelt, 2017-01-09 All of us want to believe in an afterlife If it s true then we must have a soul or spirit We question this however because we are taught science has all the answers It is science vs the bible Physical vs supernatural To believe in the afterlife is to believe in God One area of research that has not been thoroughly examined in relationship to Christianity is the supernatural This book explores how archaeology scientific studies and personal stories reveal the accuracy of the bible Discover how we know we have a spirit why select people encounter angels and why some prayers are answered It will show you that there is an afterlife there is hope and that there is a God The stories of today resemble the stories of the bible The mystical events that happened then are similar in almost all aspects to what the bible tells us will happen Prophecies are continuing to be fulfilled The foreknowledge He gave his chosen people are still applicable today Angels are still sent to serve and protect us Our spirit will rejoin with God as told by near death experiencers God does exist and millions of people maybe even yourself have witnessed Him through the supernatural This leads to the conclusion God the bible and the supernatural are relevant today **Jesus Is the Way, Truth, Life** Michael Pietrzyk, 2020-08-19 If you cannot comfortably say with confidence that Jesus died for your sins and opens the door of salvation for you or that you deny Jesus then this book is for you So many Christians take Jesus for granted and so many people do not understand His torment and the suffering He endured for us We began a spiritual journey when we enter this world We have a natural body and a world full of responsibilities to challenge us on our journey We are influenced by many outside sources and personal interactions with our family members and friends Ultimately we make the most important decision of our life Do we believe in God and accept Jesus as our Savior or do we reject God and accept atheism When you analyze the facts of the life of Jesus his loving teachings his horrible suffering death and miraculous resurrection you come to understand He did it for you Jesus is the Way the Truth and the Life His teaching brings light into your life Jesus is the gateway to eternal happiness when we leave this world Atheism with its evil influence wants to drag you down and have you reject God Atheists are in total denial about God Jesus supernatural experiences something from nothing and the wisdom in the formation of this universe and mankind Atheists want you to believe you will simply rot in the ground and accept life with no future hope If you are an atheist don t laugh at this thought and concern As a Christian I care for you and your soul That is certainly more than what the atheistic thinking has in mind for you Atheism under the influence of Satan offers you nothing but the door way to eternal conscious separation from God This book is a direct challenge to the thoughts and beliefs of the atheist I wrote this book with the hope it just might stir the mind of a non believer Then believing the Holy Spirit will do the rest **The Power of Miracles** Joan Wester Anderson, 2009-01-26 Miracle stories are not simply found in the Bible or in the lives of the saints they happen in the lives of average people around the world today As beloved best selling author Joan Wester Anderson shows us in *The Power of Miracles* God s touch is always but a heartbeat away In this collection of miracle stories Anderson shares with us truly glorious and remarkable accounts of mysterious rescues celestial visions unexpected

healings inexplicable protection and many other signs and wonders These miraculous stories serve to remind us that God's love and power are constantly at work in this world **My Guardian Angel** Doreen Virtue,2011-01-23 Angels appearing from out of nowhere to save lives give guidance and provide loving assistance embody the topics of the true stories that appear each week in Doreen Virtue's weekly angel column in Woman's World magazine Now the best columns have been collected into this inspirational and heartwarming book You'll enjoy reading these awe-inspiring **An Angel to Watch Over Me** Joan Wester Anderson,2012-03-01 Children are known to have wild imaginations which explains why their stuffed animals talk and invisible friends get invited to tea parties So it's no wonder that when a child reports a personal encounter with an angel adults tend to dismiss it with a wry smile and say That's nice sweetie Why don't you go outside and play But Joan Wester Anderson says not so fast If Jesus himself taught that the kingdom of heaven belongs to children there's no reason in the world not to believe that God can reveal his love to little ones through angels In *An Angel to Watch Over Me* originally published by Random House in 1994 with sales of 150 000 copies Anderson shares more than 30 stories of children's experiences with celestial beings from a boy whose angels help him conquer his fear of thunderstorms to a girl who is miraculously rescued from her burning home From angels who combat evil and darkness to angels who bring news of comfort and joy each of these accounts is grounded in traditional Christian belief eschewing any New Age interpretation of the events For all who are open to the possibility that even children can have authentic spiritual lives and that attaining a certain age is not a prerequisite for God to touch our lives in the form of heavenly helpers this book is sure to stir the soul and fan the faith **Opening the Gifts of Christmas** Jennifer Basye Sander,Jamie Miller,2009-01-01 A lovely folktale holds that when Christianity first came to northern Europe four spirits representing the virtues of Faith Hope Charity and Love were sent from heaven to place lights on the original Christmas tree *Opening the Gifts of Christmas* invites readers to honor those spirits year round with a collection of heartwarming holiday stories and suggestions for living the four virtues every day Every year it seems the Christmas season grows longer decorations appear in stores even before Halloween and yet our collective Christmas spirit wanes The holiday frenzy erodes our Christmas cheer and on December 26 any warm yuletide sentiments we have left are packed away with the ornaments and wrapping paper for another ten months What if instead of losing the Christmas spirit so quickly we could extend the faith hope charity and love we feel at Christmastime throughout the year *Opening the Gifts of Christmas* can help us do just that In four sections best-selling authors Jennifer Basye Sander and Jamie Miller define each virtue and explain not only its connection to Christmas but also its importance in our everyday lives Inspiring true stories illuminate each of the virtues followed by suggestions for practicing them everyday *Opening the Gifts of Christmas* will help readers internalize the spirit of Christmas so that it is just they may have greater joy and personal peace year round **Kerala Christian Sainthood** Corinne G. Dempsey,2001-01-25 Kerala Christian Sainthood is an ethnography based study that celebrates the multi-vocal function of saints Drawing on pilgrim anecdotes shrine practices

official hagiographies and regional lore author Corinne Dempsey demonstrates how the business of saints routinely extends beyond their capacity as earthly conduits of miraculous power Sainly characters described in this book hailing from the religiously pluralistic south Indian state of Kerala tend not only to the health and happiness of individual devotees but help craft and express the multiple identities and complex power relations of their devotional communities as well Throughout the study Dempsey highlights the traditions of Sr Alphonsa of Bharananganam 1910 1946 and St George the martyr two figures who reflect the many preoccupations of Kerala sainthood Sr Alphonsa native of Kerala and famous for her life of suffering and posthumous power stands in line to be canonized by the Vatican St George the caped dragon slayer imported to Kerala by Syrian merchants and later by Portuguese and British colonizers is today partially debunked by Rome These two figures while differing dramatically in temperament nationality age of cult and Vatican standing boast a vast popular appeal in Kerala s Kottayam district In examining Sr Alphonsa and St George Dempsey shows how Kerala s saint traditions reflect devotees hybrid identities in both colonial and postcolonial times This ethnography of Christian sainthood within a Hindu cultural context of foreign traditions adopted by native practice and of female sanctity negotiated through patriarchal expectation is poised at a number of intersections Dempsey provides not only a comparative study of cultures religions and worldviews but also a unique grounding for contemporary ethnographic post colonial and feminist concerns

Guardian Angels by My Side Barbara Love, 2010-11-17 When angel encounters happened in my own family with healing messages for me and with my Sons angel appearing to him at the age of six I began sharing our story with others As they listened many then began sharing their own miraculous stories with me These are true stories about life changing divine interventions and angelic encounters When angels appeared many came with beautiful and inspirational messages full of loving guidance Some stories are about individuals who were saved by their guardian angel In some instances their divine intervention helped to change the course they were on in their lives through the messages given to them by their angel Many went on to complete their lifes destiny because of their blessed experience God has blessed us by providing each and every one of us guardian angels to guide and protect us throughout our lifetimes until the day an angel leads our soul back to Heaven with God As you read about these heavenly interventions you will be inspired by each one of these beautiful and amazing stories

1 + 1 = God Michael Pietrzyk, 2017-06-15 What do you do when family and friends doubt the existence of God How do you respond and are your Christian core beliefs on solid ground Mike decided to research the atheist beliefs and confirm his natural belief in God and Jesus Over three years Mike read no less than eighty four books by both Christian and atheist authors and reviewed multiple

debates between Christians and atheists In doing so he established his common sense viewpoints that God s wisdom is present in this Universe Mankind Salvation and the Supernatural This book is a compilation of Mike s common sense viewpoints which are simple to understand They are substantiated through the research writings of various Christian authors The main concern of this book is that when your spirit leaves this life you will have eternal happiness in the presence of Jesus Validation of Mike s confirmation is his own supernatural experience of God s protection which was outside the boundaries of science The atheist premise that nothing happens outside the rules of science falls apart with Mike s experience and the experiences of many many others This book is an excellent source not just if you are searching for answers about Christianity and atheism but it s an affirmation that God is love
