Toussaint Louverture Philippe Girard, 2016-11-22 The definitive biography of the Haitian revolutionary

Toussaint Louverture leader of the only successful slave revolt in world history Toussaint Louverture's life was one of hardship triumph and contradiction Born into bondage in Saint Domingue present day Haiti the richest colony in the Western Hemisphere he witnessed first hand the torture of the enslaved population Yet he managed to secure his freedom and establish himself as a small scale planter He even purchased slaves of his own In Toussaint Louverture Philippe Girard reveals the dramatic story of how Louverture transformed himself from lowly freedman to revolutionary hero In 1791 the unassuming Louverture masterminded the only successful slave revolt in history By 1801 he was general and governor of Saint Domingue and an international statesman who forged treaties with Britain France Spain and the United States empires that feared the effect his example would have on their slave regimes Louverture's ascendancy was short lived however In 1802 he was exiled to France dying soon after as one of the most famous men in the world variously feared and celebrated as the Black Napoleon As Girard shows in life Louverture was not an idealist but an ambitious pragmatist He strove not only for abolition and independence but to build Saint Domingue's economic might and elevate his own social standing He helped free Saint Domingue's slaves yet immediately restricted their rights in the interests of protecting the island's sugar production He ward off French invasions but embraced the cultural model of the French gentility In death Louverture quickly passed into legend his memory inspiring abolitionist black nationalist and anti colonialist movements well into the 20th century Deeply researched and bracingly original Toussaint Louverture is the definitive biography of one of the most influential people of his era or any other

The Memoir of Toussaint Louverture Philippe R. Girard, 2014-01-31 Here is an annotated scholarly multilingual edition of the only lengthy text personally written by Haitian revolutionary Toussaint Louverture the memoirs he wrote shortly before his death in the French prison of Fort de Joux The translation is based on an original copy in Louverture's hand never before published Historian Philippe Girard begins with an introductory essay that retraces Louverture's career as a slave rebel and governor Girard provides a detailed narrative of the last year of Louverture's life and analyzes the significance of the memoirs and letters from a historical and linguistic perspective The book includes a full transcript in the original French of Louverture's handwritten memoirs The English translation appears side by side with the original The memoirs contain idiosyncrasies and stylistic variations of interest to linguists Scholarly interest in the Haitian Revolution and the life of Toussaint Louverture has increased over the past decade Louverture is arguably the most notable man of African descent in history and the Haitian Revolution was the most radical of the three great revolutions of its time Haiti's proud revolutionary past and its more recent upheavals indicate that interest in Haiti's history goes far beyond academia many regard Louverture as a personal hero Despite this interest there is a lack of accessible primary sources on Toussaint Louverture An edited translation of Louverture's memoirs makes his writings accessible to a larger public Louverture's memoirs provide a vivid alternative perspective to anonymous plantation records quantitative analyses of slave trading ventures or slave narratives mediated by white authors Louverture kept a stoic facade and rarely expressed his

innermost thoughts and fears in writing but his memoirs are unusually emotional Louverture questioned whether he was targeted due to the color of his skin bringing racism an issue that Louverture rarely addressed head on with his white interlocutors to the fore

Borderland Blacks dann j. Broyld, 2022-05-25 Winner of the OHS Fred Landon Award In the early nineteenth century Rochester New York and St Catharines Canada West were the last stops on the Niagara branch of the Underground Railroad Both cities handled substantial fugitive slave traffic and were logical destinations for the settlement of runaways because of their progressive stance on social issues including abolition of slavery women s rights and temperance Moreover these urban centers were home to sizable free Black communities as well as an array of individuals engaged in the abolitionist movement such as Frederick Douglass Harriet Tubman Anthony Burns and Hiram Wilson dann j Broyld s Borderland Blacks explores the status and struggles of transient Blacks within this dynamic zone where the cultures and interests of the United States Canada Great Britain and the African Diaspora overlapped Blacks in the two cities shared newspapers annual celebrations religious organizations and kinship and friendship ties Too often historians have focused on the one way flow of fugitives on the Underground Railroad from America to Canada when in fact the situation on the ground was far more fluid involving two way movement and social collaborations Black residents possessed transnational identities and strategically positioned

themselves near the American Canadian border where immigration and interaction occurred Borderland Blacks reveals that physical separation via formalized national barriers did not sever concepts of psychological memory or restrict social ties Broyld investigates how the times and terms of emancipation affected Blacks on each side of the border including their use of political agency to pit the United States and British Canada against one another for the best possible outcomes
