Eurabia-paperback Bat Ye'or, 2005 This book is about the transformation of Europe into Eurabia a cultural and political appendage of the Arab Muslim world Eurabia is fundamentally anti Christian anti Western anti American and antisemitic The institution responsible for this transformation and that continues to propagate its ideological message is the Euro Arab Dialogue developed by European and Arab politicians and intellectuals over the past thirty years From publisher description

The Future of the Occupation of the Palestinian Territories after Gaza Erwin van Veen, 2025-08-19 This open access book outlines four scenarios for the future of Israeli occupation of the Palestinian Territories as a broad canvas on which the interests roles and perspectives of the key stakeholders involved in occupation are subsequently painted An indirect result of 58 years of Israeli occupation of the Palestinian Territories the Hamas attack on Israel of 7 October 2023 and the ensuing Israeli military campaign have greatly worsened Palestinian security in the short term and Israeli security in the long term Durable prospects for achieving reconciliation and peace are now shrouded in uncertainty as political forces and views on both sides are likely to polarize and radicalize even further October 7 and its aftermath have also introduced new uncertainties about the future nature of Israeli annexation and the modalities as well as extent of Palestinian resistance Old frames have lost much of their validity such as the Oslo agreements or even the logic underpinning security cooperation between the Palestinian Authority and the Israeli military The book aims to improve our understanding of the post October 7 context of occupation and the initiatives required to end it in the future Ultimately the book s intention is to shake up complacent policies and debates about the occupation of the Palestinian Territories by providing a more realistic basis for both reflection and action While short form analysis e g blogs essays and briefs of October 7 and the ensuing events have proliferated there has been little to no comprehensive analysis of the significance of these events for the future of occupation Using the method of scenario planning to develop an analytical baseline the added value of this book is that it offers a multi dimensional consideration of this question both through the range of stakeholders it covers and the variety of its authors with respect to their research focus and perspective

The Islamic Threat John L. Esposito, 1999-10-07 Are Islam and the West

on a collision course From the Ayatollah Khomeini to Saddam Hussein the image of Islam as a militant expansionist and rabidly anti American religion has gripped the minds of Western governments and media But these perceptions John L Esposito writes stem from a long history of mutual distrust criticism and condemnation and are far too simplistic to help us understand one of the most important political issues of our time In this new edition of *The Islamic Threat Myth or Reality* Esposito places the challenge of Islam in critical perspective Exploring the vitality of this religion as a global force and the history of its relations with the West Esposito demonstrates the diversity of the Islamic resurgence and the mistakes our analysts make in assuming a hostile monolithic Islam This third edition has been expanded to include new material on current affairs in Turkey Afghanistan Palestine and Southeast Asia as well as a discussion of international terrorism

Fundamentalism Rebecca Joyce Frey, 2010-05-12 Presents a guide to religious fundamentalism including definitions primary sources important documents research tools organizations and notable persons **American Book Publishing Record**, 2007 Widerstand in Palästina: Was wollen Hamas und Fatah? Helga Baumgarten, 2025-04-30 Der Nahostkonflikt bleibt eine der dringendsten geopolitischen Fragen unserer Zeit In diesem fundierten Werk analysiert Helga Baumgarten die historischen Wurzeln die politischen Entwicklungen und die Dynamiken von Besatzung und Widerstand in Palästina Mit einem erweiterten und aktualisierten Inhalt bietet das Buch eine tiefgehende Einordnung der aktuellen Ereignisse sowie mögliche Perspektiven für die Zukunft Ein unverzichtbarer Beitrag für alle die die Hintergründe dieses Konflikts verstehen wollen I **Middle East Politics for the New Millennium** Louis A. Gordon, Ian Oxnevad, 2016-10-07 Middle East Politics for the New Millennium A Constructivist Approach looks at the politics of one of the world's most dynamic and challenging regions using the insights offered by constructivism By analyzing the role of ideas and repeated interaction the authors offer a refreshing long view analysis of the region's politics that differs from the crisis centric approach which is often utilized Covering the countries from the Persian Gulf to Turkey Egypt and across North Africa as well as the Israeli Palestinian conflict Middle East Politics for the New Millennium will aid students and analysts alike in understanding Middle East politics **Hamas** Beverley Milton-Edwards, Stephen Farrell, 2010-04-26 Declared a terrorist menace yet elected to government in a free election Hamas now stands as the most important Sunni Islamist group in the Middle East How did Hamas grow to be so powerful Who supports it What is its future This essential insight into Hamas answers these questions Milton Edwards and Farrell have between them spent decades researching and reporting from the heartlands of the Hamas movement and gained unrivalled access to the world of Islamic resistance and radical Islam in its potent Palestinian form Drawing on their frontline experiences of recent events their access to secret documents from the western intelligence community and interviews with leaders militants and commanders of Hamas armed battalions they reveal the full story of Hamas and the future of political Islam in the Middle East Milton Edwards and Farrell show Hamas to be a broad and thus more powerful regional phenomenon than previously thought and by doing so contend that it is now time to rethink the war

and the nature of Islam and its role in the Middle East

Beverly Milton Edwards is Professor in the School of Politics International Studies and Philosophy at Queens University Belfast She is the author of books such as *Contemporary Politics in the Middle East* 2006 and *The Israeli Palestinian Conflict a People s War* 2009 Prize winning journalist Stephen Farrell is Foreign Correspondent for the New York Times and was previously Middle East correspondent for The Times

Hamas and Palestine Martin Kear, 2018-10-25

Hamas and Palestine The Contested Road to Statehood analyses the Palestinian Islamist movement Hamas between 2005 and 2017 The book expounds how Hamas has employed a dual resistance strategy consisting of political and armed resistance as a mechanism to achieve maintain and defend its continued political viability Hamas entered politics to transform the role of the Palestinian Authority from an administrative institution into one driving the Palestinian quest for independence To achieve this the analysis explains how Hamas implemented a process of soft Islamisation in Gaza This was intended to build the institutional capacity of the Authority based on the bureaucratisation and professionalisation of key institutions while selectively increasing the role of Islam in society The book provides a detailed explanation of key shifts in Hamas s political behaviour as it adapts to the vagaries and vicissitudes of governing Gaza despite the imposition of Israel s political and economic siege Employing the Inclusion Moderation theoretical framework the book traces Hamas s transformation from a non state armed group into a legitimate actor in Palestinian politics The book s analysis also highlights the key role that Hamas s national liberation agenda has on shifting its behaviour towards adopting more moderate and inclusive policy stances Specifically the analysis demonstrates how Hamas has made measurable shifts in its political behaviour towards accepting the primacy of the two state solution and its dealings with Israel and the Peace Process The book provides a comprehensive assessment of Hamas s time in government and its capacity to deal with the vicissitudes of governing It is a valuable resource for students and researchers interested in the Israeli Palestinian conflict and Middle East Politics

Hamas and the Media Wael Abdelal, 2016-06-10 The Islamic resistance movement Hamas is arguably one of the most important Palestinian organizations in recent decades Since Hamas establishment it has extensively utilized media as a means of mobilization for its political and ideological agendas and its tactics have undergone a remarkable evolution from graffiti art to satellite broadcasting This book presents the first systematic and historical contextualization of the development of Hamas media strategy It determines three key phases in Hamas development and explores the complex and important relationship at work between its politics and use of media Assessing four elements of the Hamas media strategy the media message discourse the media objectives the infrastructure and the target audience this book tracks how Hamas grew its media infrastructure and looks at how the idea of resistance

has permeated the media discourse Determining both tactical and strategic objectives and detailing the various layers to the target audience it offers the first in depth academic study of the Hamas media strategy This book s exploration of the key role the media plays in the Palestinian issue makes it a timely and relevant contribution to the study of the Israeli Palestinian Conflict and a valuable resource for students scholars and policymakers working in Middle Eastern studies *Hamas, Jihad and Popular Legitimacy* Tristan Dunning, 2016-01-29 This book investigates the many faces of Hamas and examines its ongoing evolution as a resistance organisation in the context of the Israel Palestine conflict Specifically the work interrogates Hamas interpretation reinterpretation and application of the twin concepts of muqawama resistance and jihad striving in the name of God The text frames the movement s capacity to accrue popular legitimacy through its evolving resistance discourses centred on the notion of jihad and the practical applications thereof Moving beyond the dominant security orientated approaches to Hamas the book investigates the malleable nature of both resistance and jihad including their social symbolic political and ideational applications The diverse interpretations of these concepts allow Hamas to function as a comprehensive social movement Where possible this volume attempts to privilege first order or experiential knowledge emanating from the movement itself its political representatives and the Palestinian population in general Many of these accounts were collected by the author during fieldwork in the Middle East Not only does this work present new primary data but it also investigates a variety of contemporary empirical events related to Palestine and the Middle East This book offers an alternative way of viewing the movement s popular legitimacy grounded in theoretical empirical and ethnographic terms This book will be of much interest to students of Hamas political violence critical terrorism studies Middle Eastern politics security studies and IR in general

Hamas Transformation Ibrahim Natil, 2015-10-28 This book examines the political development and transformation of Hamas from a resistance movement into a political authority in the Gaza Strip as a result of the group s victory in the Palestinian national elections of 2006 From a political science and conflict transformation perspective it focuses on the political opportunities challenges and process of environmental and structural change which led the resistance movement to evolve from an underground militant group to a force in conventional politics This study offers an analysis of Hamas formation development political and strategic transformation and the organisational structure shifts required by the transition Through the adoption of a peace studies perspective Hamas Transformation Opportunities and Challenges also explores the political changes made by Hamas including the structural alterations that took place within Palestinian society in the Gaza Strip as a result of the group s transition into political authority This transition occurred despite the military takeover of the Gaza Strip by Hamas in 2007 and the Israeli military operations in 2009 2012 and 2014 Additionally the book also examines the new dimensions and phases of Hamas political development after its victories in the elections Palestinian division and the setbacks of the Arab Spring Offering a range of views regarding the experiences of Hamas in governance the book concludes with an in depth illustration of Hamas mixed strategy and tactics of governance

and resistance Between Resistance, Sharia Law, and Demo-Islamic Politics Michael Schulz, 2020-11-03 Despite the fact that many researchers have focused on Hamas armed resistance activities surprisingly few have theorised about the political choices and dilemmas that Hamas has faced in the context of the changing overarching conflict between Israelis and Palestinians This study aims to show theoretically how context dependent Hamas is when formulating its resistance and Demo Islamic practise and that this occurs in interrelations with key actors of the conflict This study also presents important new empirical data that in part also challenges previous research Hamas is one of the very few Islamist organisations that has reached a governance position via democratic and fair elections Thus Hamas can serve as a case study of how Islamist may act in quasi democratic surroundings At the same time Hamas is a key actor in the overarching conflict which has several unique characteristics Hamas armed resistance is described as an instrument for the Jihad against the Israeli occupation However the Dawa work at the grassroots level can also be seen as a resistance practice that can be identified as constructive resistance The internal discussion in Hamas as to what strategies to apply as will be shown are also formed and impacted by various interrelations with external actors of the conflict The Palestinian public in particular is a key actor that influences Hamas in various ways although Fatah PLO Israel and other external actors also have their specific roles to play
