**Out of Place** Philip Goldswain, Nicole Sully, William M. Taylor, 2014 This collection of essays explores historical geographical and cultural factors that contribute to our understanding of places and settings of Australian transient communities From Gwalia and Kalgoorlie in Western Australia Charters Towers in Queensland Broken Hill in New South Wales and Queenstown in Tasmania the places provide opportunity to revisit sites of history from the different angles of architecture landscape theory social history and visual arts They also provide a springboard for thinking through the pressing issues of contemporary Australians and counterparts in other post settler societies Subject Australian Studies History

**The Last Train from Elkland** Doug McGuinn, 2007-01-01 Not only is THE LAST TRAIN FROM ELKLAND a brief history of four northwestern North Carolina mountain communities it is also about two railroads that operated in and around these communities the Virginia Carolina also known as the Virginia Creeper in 1916 the Virginia Carolina Railway was bought by the Norfolk Western Railway and renamed the Abingdon Branch and the Deep Gap Tie and Lumber Company's railroad whose former Hassinger Lumber Company's Shay logging locomotive operated alongside Gap Creek from Deep Gap in Watauga County North Carolina to the South Fork of the New River near Fleetwood in Ashe County North Carolina a distance of only about five miles Although these communities were located in North Carolina they all had a common tie in with the neighboring state of Virginia the trains of the two railroads hauled logs that had been felled in the area surrounding the four communities timber destined to be cut at the Hassinger Lumber Company's sawmill in Konnarock Virginia By the time the blades went silent on Christmas Eve 1928 almost 400 million board feet of the area's best hardwood had passed through the Hassinger Lumber Company's sawmill How much did this unchecked logging contribute to the immense damage done to the area by the disastrous floods of 1916 and 1940 This question is also explored in this book *Disraeli, Gladstone, and the Eastern Question* R. W. Seton-Watson, 1971 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company

**The Tour de France** Christopher S. Thompson, 2006-07-17 In this highly original history of the world's most famous bicycle race Christopher S. Thompson mining previously neglected sources and writing with infectious enthusiasm for his subject tells the compelling story of the Tour de France from its creation in 1903 to the present Weaving the words of racers politicians Tour organizers and a host of other commentators together with a wide ranging analysis of the culture surrounding the event including posters songs novels films and media coverage Thompson links the history of the Tour to key moments and themes in French history He argues persuasively that this hugely popular sporting event has been instrumental in French attempts to grapple with the great challenges they have confronted during their tumultuous twentieth century from World Wars political divisions and class conflict to economic modernization women's emancipation and threats to public health Examining the enduring popularity of Tour racers Thompson explores how their public images have changed over the past century He concludes with a discussion of the longstanding practice of doping and considers the complex case

R. Baker, 2021-07-31 A riveting combination of war memoir and analysis providing valuable insights into the role of military intelligence in Vietnam International Journal of Intelligence and Counterintelligence For the first two weeks of the Easter Offensive of 1972 the 571st Military Intelligence Detachment provided the only pertinent collateral intelligence available to American forces Twice daily the Detachment provided intelligence to the USS Buchanan DDG 14 US Navy SEALs and Special Forces units including tactical and strategic forecasts of enemy movements information that was otherwise unavailable to U S units and advisors in country Bob Baker was an intelligence analyst who was there In the weeks before the offensive vital agent reports and verbal warnings by the 571st MI Detachment had been ignored by all the major commands they were only heeded and then only very reluctantly once the offensive began This refusal to listen to the intelligence explains why no Army or USMC organizations were on call to recover prisoners discovered or U S personnel downed behind enemy lines as in the BAT 21 incident as the last two Combat Recon Platoons in Vietnam had been disbanded six weeks before the offensive began The lessons and experiences of Operation Lam Son 719 in the previous year were ignored especially with regard to the NVA's tactical use of tanks and artillery In his memoir Baker the only trained military intelligence analyst with the 571st MI Detachment in 1972 reveals these and other heroics and blunders during a key moment in the Vietnam War      *The Modern Settlement Movement in Germany* United States. Bureau of Agricultural Economics. Division of Farm Population and Rural Life, Charles Price Loomis, 1935      **The Modern Settlement Movement in Germany** Charles Price Loomis, 1935      **Western North Carolina Beer: A Mountain Brew History** Anne Fitten Glenn, 2018 Over the past two hundred years Western North Carolina has evolved from a mountainous frontier known for illicit moonshine production into a renowned destination for craft beer Follow its story from the wild days of saloons and the first breweries of the 1870s through one of the longest Prohibitions in the nation Eventually a few bold entrepreneurs started the first modern breweries in Asheville and formerly dry towns and counties throughout the region started to embrace the

industry The business of beer attracts jobs tourists and dollars as well as mixed emotions legal conundrums and entrepreneurial challenges Join award winning beer writer Anne Fitten Glenn as she narrates the storied history of brewing in Western North Carolina *The Story of France* Thomas Edward Watson,1902 **Men and World Service** ,1916 **A Short History of Parthia** George Rawlinson,2018-03-04 The Parthians do not appear in history until a comparatively recent period Their name occurs nowhere in the Old Testament Scriptures They obtain no mention in the Zendavesta The Assyrian Inscriptions are wholly silent concerning them It is not until the time of Darius Hystaspis that we have trustworthy evidence of their existence as a distinct people In the inscriptions of this king we find their country included under the name of Parthva or Parthwa among the provinces of the Persian Empire joined in two places with Sarangia Aria Chorasnia Bactria and Sogdiana and in a third with these same countries and Sagartia We find moreover an account of a rebellion in which the Parthians took part In the troubles which broke out upon the death of the Pseudo Smerdis B C 521 Parthia revolted in conjunction as it would seem with Hyrcania espousing the cause of that Median pretender who declaring himself a descendant of the old Median monarchs set himself up as a rival to Darius Hytaspes the father of Darius held at this time the Parthian satrapy In two battles within the limits of his province he defeated the rebels who must have brought into the field a considerable force since in one of the two engagements they lost in killed and prisoners between 10 000 and 11 000 men After their second defeat the Parthians made their submission and once more acknowledged Darius for their sovereign

**Blackie's modern cyclopedia of universal information, ed. by C. Annandale** Blackie & Son,Blackie and son, ltd,1889 *German Diplomatic Documents 1871-1914 Volume 2* E.T.S. Dugdale,2025-03-19 Originally published in English in 1929 this second volume of the German Diplomatic Documents covers a much shorter period 1890 1898 During this period there was no war or revolution in Europe but the sphere of German and indeed European politics became enlarged The documents in this volume deal with questions raised by diverse regions such as Armenia Morocco Tunisia Tripoli South Africa Crete and Cuba The papers here reissued show that colonial expansion is a recognised part of the official German programme As with the first volume the policy exhibited in the despatches of this volume are governed almost exclusively by the ultimate idea of war **The Public** ,1918 **German Literature in the Age of Globalisation** Stuart Taberner,2004-11-01 Literary fiction in Germany has long been a medium for contemplation of the nation and questions of national identity From the mid 1990s in the wake of heated debates on the future direction of culture politics and society in a more normal united country German literature has become increasingly diverse and seemingly disparate at the one extreme it represents the attempt to reinvent German traditions at the other the unmistakable influence of Anglo American forms and pop literature A shared concern of almost all of recent German fiction however is the contemporary debate on globalisation its nature impact and consequences for local culture In its engagement with globalisation the literature of the Berlin Republic continues the long established practice of reflection on what it is to be German This book investigates literary

responses to the phenomenon of globalisation The subject is approached from a wide range of thematic and theoretical perspectives in twelve chapters which taken together also provide an overview of German fiction from the mid 1990s to the present The book serves both as an introduction to contemporary German literature for university students of German and as a resource for scholars interested in culture and society in the Berlin Republic Calcutta Review, 1886 *History of Afghanistan* Percy Sykes, 2014-07-10 First published in 2007 This title combines two volumes of work fifty eight chapters dissecting the history of Afghanistan with sketch maps and illustrations throughout Sykes argues that few countries present problems of greater interest to the historian than landlocked Afghanistan the counterpart in Asia of Switzerland in Europe Their studies cover the prehistory in the Near East going through the history of each dynasty up to the early 1900s A key text for historians students and those interested in the complex history of the country A History of Medieval Europe R.H.C. Davis, 2013-08-16 R C Davis provided the classic account of the European medieval world equipping generations of undergraduate and A level students with sufficient grasp of the period to debate diverse historical perspectives and reputations His book has been important grounding for both modernists required to take a course in medieval history and those who seek to specialise in the medieval period In updating this classic work to a third edition the additional author now enables students to see history in action the diverse viewpoints and important research that has been undertaken since Davis second edition and progressed historical understanding Each of Davis original chapters now concludes with a new directions and developments section by Professor RI Moore Emeritus of Newcastle University A key work updated in a method that both enhances subject understanding and sets important research in its wider context A vital resource now up to date for generations of historians to come Fascism through History Patrick G. Zander, 2020-10-19 While fascism perhaps reached its peak in the regimes of Hitler and Mussolini it continues to permeate governments today This reference work explores the history of fascism and how it has shaped daily life up to the present day Perhaps the most notable example of Fascism was Hitler s Nazi Germany Fascists aimed to control the media and other social institutions and Fascist views and agendas informed a wide range of daily life and popular culture But while Fascism flourished around the world in the decades before and after World War II it continues to shape politics and government today This reference explores the history of Fascism around the world and across time with special attention to how Fascism has been more than a political philosophy but has instead played a significant role in the lives of everyday people Volume one begins with a introduction that surveys the history of Fascism around the world and follows with a timeline citing key events related to Fascism Roughly 180 alphabetically arranged reference entries follow These entries discuss such topics as conditions for working people conditions for women Fascist institutions that regulated daily life attitudes toward race physical culture the arts and more Primary source documents give readers first hand accounts of Fascist thought and practice A selected bibliography directs users to additional resources
