## **Lost Scriptures S That Did Not Make It Into The New Testament:**

Lost Scriptures Bart D. Ehrman, 2003-10-02 While most people think that the twenty seven books of the New Testament are the only sacred writings of the early Christians this is not at all the case A companion volume to Bart Ehrman s Lost Christianities this book offers an anthology of up to date and readable translations of many non canonical writings from the first centuries after Christ texts that have been for the most part lost or neglected for almost two millennia Here is an array of remarkably varied writings from early Christian groups whose visions of Jesus differ dramatically from our contemporary understanding Readers will find Gospels supposedly authored by the apostle Philip James the brother of Jesus Mary Magdalen and others There are Acts originally ascribed to John and to Thecla Paul s female companion there are Epistles allegedly written by Paul to the Roman philosopher Seneca And there is an apocalypse by Simon Peter that offers a guided tour of the afterlife both the glorious ecstasies of the saints and the horrendous torments of the damned and an Epistle by Titus a companion of Paul which argues page after page against sexual love even within marriage on the grounds that physical intimacy leads to damnation In all the anthology includes fifteen Gospels five non canonical Acts of the Apostles thirteen Epistles a number of Apocalypses and Secret Books and several Canon lists Ehrman has included a general introduction plus brief introductions to each piece This important anthology gives readers a vivid picture of the range of beliefs that battled each other in the first centuries of the Christian era

**The Gospels of the Marginalized** Marvin W. Meyer, 2012-10-16 The Gospels of the Marginalized provides an exciting new study of three of the most maligned figures in the New Testament story of Jesus Thomas usually considered the quintessential doubter among the disciples Mary Magdalene characterized as a repentant prostitute during much of the history of the church and Judas Iscariot presented as the despicable disciple of Jesus who betrayed his master for money In this book Marvin Meyer one of the most prominent of the scholars of gnostic texts and other early Christian literature offers fresh and accurate translations of the Gospels of Thomas Mary and Judas with their proclamation of the good news of the wisdom of Jesus and he uses these gospels as the occasion to reexamine the place of Thomas Mary Magdalene and Judas Iscariot in the Jesus movement His striking analysis suggests that Thomas was no doubter that Mary Magdalene was a beloved disciple in the inner circles of disciples around Jesus and that the tale of Judas Iscariot as betrayer of Jesus is a piece of fiction Meyer adds a Gospel of the Redeemed as a vivid illustration of how the gospel story of Jesus might read with Jesus as a Jewish teacher of wisdom and Thomas Mary and Judas restored as loyal followers of the teacher from Nazareth

The Making of the New Testament Arthur G. Patzia, 2025-11-04 The story of the making of the New Testament is one in which scrolls bumped across cobbled Roman roads and pitched through rolling Mediterranean seas finally finding their destinations in stuffy dimly lit Christian house churches in Corinth or Colossae There they were read aloud and reread handled and copied forwarded and collected studied and treasured And eventually they were brought together to make up our New Testament This revised and expanded edition of

The Making of the New Testament is a textbook introduction to the origin collection copying and canonizing of the New Testament documents Like shrewd detectives reading subtle whispers of evidence biblical scholars have studied the trail of clues and pieced together the story of these books Arthur Patzia tells the story answering our many questions How were books and documents produced in the first century What motivated the early Christians to commit teaching and narrative and vision to papyrus How were the stories and sayings of Jesus circulated handed down and shaped into Gospels What do we know about ancient letter writing secretaries and copy shops Why were four Gospels included instead of just one How were Paul's letters sent here and there gathered into a single collection Who decided and by what criteria which documents would be included in the New Testament Explore these questions and more about these Scriptures whose everyday gritty story rings true to their extraordinary message the palpable mystery of the Word made flesh *Matthew's Account of the Massacre of the Innocents in Light of its Reception History* Sung J. Cho, 2021-10-21 Sung Cho addresses the seeming contradiction of Herod the Great's massacre in Matthew 2:16-18 questioning why such a tragedy had to occur why it was included in the good news of Jesus and what connection it has to ancient prophecies In creating a reception history of the Massacre of the Innocents Cho progresses through two millennia worth of interpretation and depiction to highlight key works for discussion Beginning with a close reading of Matthew 2:16-18 Cho moves to analyse depictions of the tragedy in the Early Patristic Tradition from the sixth century to the early modern period and thus to the present day complete with an examination of visual interpretations of the massacre Cho's examination provides a positive step to understanding the depths of human suffering with the help of many diverse perspectives **Gospel Thrillers** Andrew S. Jacobs, 2023-11-30 What if the original teachings of Jesus were different from the Bible's sanitized orthodox version What covert motivations might inspire those who decide what the text of the Bible says or what it means For some who ask conspiratorial questions like these the Bible is the vulnerable victim of secular forces seeking to divest the USA of its founding identity For others the biblical canon suppresses religious truths that could upend the status quo Such suspicions surrounding the Bible find full expression in Gospel Thrillers a 1960s fictional genre that endures and still commands a substantial following These novels imagine a freshly discovered first century gospel and a race against time to unlock its buried secrets They also reflect the fears and desires that the Bible continues to generate Andrew Jacobs reveals in his authoritative examination how this remarkable fictional archive opens a window onto disturbing biblical anxieties **New Testament Apocrypha, v1** Burke & Landau, 2016 Compilation of little known and never before published apocryphal Christian texts in English translation This anthology of ancient nonbiblical Christian literature presents informed introductions to and readable translations of a wide range of little known apocryphal texts most of which have never before been translated into any modern language An introduction to the volume as a whole addresses the most significant features of the writings included and contextualizes them within the contemporary study of the Christian Apocrypha The body of the book comprises thirty texts that have been

carefully introduced copiously annotated and translated into English by eminent scholars With dates of composition ranging from the second century CE to early in the second millennium these fascinating texts provide a more complete picture of Christian thought and expression than canonical texts alone can offer Changing the Goalpost of New Testament Textual Criticism Abidan Paul Shah,2020-10-02 Before the 1960s the goal of New Testament Textual Criticism was singular to retrieve the original text of the New Testament Since then the goalpost has incrementally shifted away from the original text to retrieving any text or many texts of the NT Some scholars have even concluded that the original text is hopelessly lost and cannot be retrieved with any confidence or accuracy Other scholars have gone a step further to claim that the idea of an original text itself is a misconception that needs to be abandoned If this new approach in NTTC is correct then the authority of Scripture is weakened or no longer valid It will be shown in this book that such is not the case Furthermore emphasis will be placed on the need to return to the traditional goalpost of NTTC i e to retrieve the original text Without a generally definitive text the door will be left wide open to recreate any desired text of the NT An unsettled original text will result in an unsettled biblical theology due to a lack of any authoritative and standard text Consequently it will lead to an unsettled Christian faith and practice **New Testament Apocrypha, vol. 1** Tony Burke,Brent Landau,2016-12-02 Compilation of little known and never before published apocryphal Christian texts in English translation This anthology of ancient nonbiblical Christian literature presents informed introductions to and readable translations of a wide range of little known apocryphal texts most of which have never before been translated into any modern language An introduction to the volume as a whole addresses the most significant features of the writings included and contextualizes them within the contemporary study of the Christian Apocrypha The body of the book comprises thirty texts that have been carefully introduced copiously annotated and translated into English by eminent scholars With dates of composition ranging from the second century CE to early in the second millennium these fascinating texts provide a more complete picture of Christian thought and expression than canonical texts alone can offer *Living Your Divine Life* Orest Bedrij,2009-11-19 *Living Your Divine Life* takes you beyond the monumental peak experience beyond priceless enlightenment and beyond human thought to effortless living nonstop miracles God conscious Christ in us reality and ceaseless joy as your natural state Before we learned to walk or feed ourselves with a spoon we have to acquire these now second nature information processing skills that originate beyond the conscious mind Equally if we want to realize the highest state of our being happiness and prosperity we can also bring these second nature effortless source code skills into our daily lives This mathematical source code which scientists call the laws of nature is the DNA of life or the software of God s inner structure *Living Your Divine Life* shows you how to access that second nature source code on a constant basis The words of Moses Jesysm Muhammad Eistein Bohr Bohm Wheeler the Buddha and many others reinforce this truth We can observe effortless living in the inner workings of our own body and in the movements of electrons stars and galaxies By *Living Your Divine Life* you can experience peace beyond peace and

absolute knowledge at the center of yourself by unfolding the Godhead within splendor of yourself      **When God Was a Bird** Mark I. Wallace, 2018-11-20 2019 NAUTILUS GOLD WINNER In a time of rapid climate change and species extinction what role have the world's religions played in ameliorating or causing the crisis we now face Religion in general and Christianity in particular appears to bear a disproportionate burden for creating humankind's exploitative attitudes toward nature through unearthly theologies that divorce human beings and their spiritual yearnings from their natural origins In this regard Christianity has become an otherworldly religion that views the natural world as fallen as empty of signs of God's presence And yet buried deep within the Christian tradition are startling portrayals of God as the beaked and feathered Holy Spirit the animal God as it were of historic Christian witness Through biblical readings historical theology continental philosophy and personal stories of sacred nature this book recovers the model of God in Christianity as a creaturely avian being who signals the presence of spirit in everything human and more than human alike Mark Wallace's recovery of the bird God of the Bible signals a deep grounding of faith in the natural world The moral implications of nature based Christianity are profound All life is deserving of humans care and protection insofar as the world is envisioned as alive with sacred animals plants and landscapes From the perspective of Christian animism the Earth is the holy place that God made and that humankind is enjoined to watch over and cherish in like manner Saving the environment then is not a political issue on the left or the right of the ideological spectrum but rather an innermost passion shared by all people of faith and good will in a world damaged by anthropogenic warming massive species extinction and the loss of arable land potable water and breathable air To Wallace this passion is inviolable and flows directly from the heart of Christian teaching that God is a carnal fleshy reality who is promiscuously incarnated within all things making the whole world a sacred embodiment of God's presence and worthy of our affectionate concern This beautifully and accessibly written book shows that Christian animism is not a strange oxymoron but Christianity's natural habitat Challenging traditional Christianity's self definition as an otherworldly religion Wallace paves the way for a new Earth loving spirituality grounded in the ancient image of an animal God

**The Embrace of Eros** Margaret D. Kamitsuka, 2010-01-19 The topic of sexuality intersects directly with the most contested historical theological and ethical questions of our day In this edgy yet profound volume noted scholars and theologians assay the Christian tradition's classic and contemporary understandings of sex sexuality and sexual identity The project unfolds in three phases contemporary assessments of the Christian tradition new thinking about eros and being human religiously and new perspectives on classic mysteries in light of eros and embodiment      **An Introduction to the Gospels and Acts** Alicia D. Myers, 2022 Introducing the Gospels and Acts is not just about reading the first five books of the New Testament It requires entering the first century Mediterranean world where the events in these writings happened In this short book Alicia D Myers takes readers on a journey through the Gospels and Acts introducing them to the world of Jesus of Nazareth and of the believers who composed and shared stories inspired by him Myers provides overviews of context

and major passages in each canonical work and also introduces readers to the Apocryphal Gospels and Acts to demonstrate the larger phenomenon of early Christian writing After situating readers in the literary context of the Gospels and Acts Myers focuses on the writings themselves giving basic historical background before digging more deeply into a chosen contextual theme for each work These six themes include the politics and history of Roman Palestine expressions of Second Temple Judaism understandings of identity and human worth in the Roman world hospitality Hellenistic philosophies and the process of canonizing the New Testament Rather than shying away from difficult and often confusing elements of the Gospels and Acts Myers invites readers to engage more deeply and situate themselves more fully in the strangeness and surprising familiarity of the Roman world In this way readers will see the continuing relevance of the Gospels and Acts for today and learn to be responsible readers of these works for years to come

*Acts of Paul* Glenn E. Snyder, 2013 *Acts of Paul* is a collection of early Christian traditions that were not included in the canonized Acts the Acts of Paul and Thekla 3 Corinthians the Martyrdom of Paul and other fabulous stories such as Paul baptizing a lion By the end of the second century there was a rumor in North Africa that Acts of Paul had been fabricated by a presbyter in Asia Minor Tertullian *De baptismo* 17 5 and to this day it is alleged that Acts of Paul is later than and inferior to the traditions preserved in Acts historically theologically and otherwise But what evidence is there for the composition and reception of Acts of Paul In this study Glenn E Snyder critically examines Greek Latin and Coptic witnesses to Acts of Paul from the second to sixth centuries with chapters on the independently circulating acts extant collections and other evidence for the formation of Acts of Paul

**Encountering Earth** Trevor George Hunsberger Bechtel, Matt Eaton, Tim Harvie, 2018-05-14 One day Matthew Eaton was walking through an impromptu animal shelter display at his local pet store when suddenly an eight month old kitten dug his claws into Eaton's flesh Eaton recognized that the eyes of this cat and the curve of his claw compelled a response analogous to those found in the writings of Buber Levinas and Derrida And not just Eaton but a whole community of theologians have found themselves in an encounter with particular places and animals that demands rich theological reflection Eaton enlisted fellow editors Harvie and Bechtel to collect the essays in this volume in which theologians listen to horses rats snakes cats dogs and the earth itself who become new theological voices demanding a response In this volume the voice of the more than human world is heard as making theology possible These essays suggest that what we say theologically represents not simply ideas of our own making subsequently superimposed onto the natural world through our own discovery but rather flow from an expressive Earth

**The Three Pillars** Barbara J. Sivertsen, 2010-05-10 *The Three Pillars* How Family Politics Shaped the Earliest Church and the Gospel of Mark examines how family relationships played a key role in the earliest Christian church By disentangling the two disparate genealogies of Jesus the author reconstructs the families of Joseph and Mary Presented here for the first time is the full ancestry of Jesus mother Mary who was descended from the anti Hasmonian high priest Alcimus The author suggests that Mary and her daughter Mary played a hitherto unrecognized role in the church's earliest

leadership struggle and that a composite of these two women not Mary Magdalene was the basis for the Gnostic Mary of later Christian works The author next explores how this early leadership conflict shaped the Gospel of Mark which she argues was written by Peter's son She discusses Mark's footprint in this Gospel and how Mark's resentment of the relatives of Jesus his ambivalence toward his father and his anger at the disciples for ceding leadership to these relatives is at the heart of some of the most distinctive features of the Second Gospel features that have perplexed biblical scholars and laymen for centuries The last section examines the mysterious Beloved Disciple in the Gospel of John The author concludes that the many unlikely elements in the account of the arrest and interrogation of Jesus can only be explained by seeing the Beloved Disciple as a close relative of the high priest Caiaphas and that this family relationship was crucial to the protection of the early Christians in Jerusalem The book's final chapter offers reflections on how kinship played an important role in Jesus' ministry and how the high priestly leadership responded to him in part because of his family lineage

Eliminating Satan and Hell V. Donald Emmel, 2014-01-07 This book is written for millions of people who have been taught to fear the myths of Satan and Hell and millions of others who reject the concepts and wish reassurances When a Lutheran groom and his lovely Harvard educated bride stood before me would she eventually go to Hell because she is a Hindu and not a Christian Is there really a Satan and a Hell and is our Creator that cruel It was then that Donald Emmel began his intensive study of the myths of Satan and Hell Emmel's research reveals that through misunderstandings and mistranslations we have ended up with a cranky punishing Creator that is not in the Hebrew canon nor the Gospels nor the authentic letters of Paul Emmel concludes that Jesus and Paul retained the Hebrew canon's concepts of hassatan as an adversary working with God and sheol and gehenna as places of death In explaining our world today we must not fly in the face of the vast scientific knowledge which we utilize but which the ancient mythmakers did not The ancient myths of Satan as a destructive god and Hell as punishment for sinners no longer have validity in the world we now embrace and should therefore be eliminated from our theologies

**The Beginning and the End** Michael W. Pahl, 2011-06-01 Have you ever wondered if there might be more to Genesis than fodder for anti evolutionism Or have you ever thought Revelation has to be more than simply a roadmap for the future of the Middle East You're not alone In The Beginning and the End Michael Pahl surveys the opening chapters of Genesis and the concluding chapters of Revelation taking seriously both their historical and literary features as ancient texts and their theological purposes as inspired Scripture The result is a reading of the first and last books of the Bible that sketches out from beginning to end a story of God humanity and all creation a grand narrative in which we are placed in the middle and which calls us to live in a particular way as our identity and our values are shaped in light of our origins and our
