## **Lost To You:**

**The Ostrich and Other Lost Things** Beth Hautala, 2018-02-20 In this beautifully written novel the bonds and challenges of caring for a sibling with autism are bravely explored along with the pain and power that comes from self discovery Eleven year old Olivia Grant has a knack for finding lost things She can find lost rings pets and even her elderly neighbor s misplaced glasses There s only one thing Olivia has never been able to find her brother Jacob s toy ostrich It wasn t until the day Jacob lost his ostrich that Olivia noticed how different he was Jacob is autistic and though she s his little sister Olivia often feels like the older of the pair his caretaker And with her parents so heavily focused on maintaining status quo for Jacob it s Olivia who has stagnated in his shadow unable to explore new opportunities or to be her own person In fact apart from being Jacob s sister Olivia s not really sure who she is So when summer break begins and the local community theater announces auditions for an all children s production of her favorite show Peter Pan Olivia jumps at the chance to claim something for herself But what begins as a promising opportunity and a wonderful escape quickly becomes pure chaos The visiting zoo with an odd assortment of animals including an ostrich that causes even more trouble than Jacob s missing toy only make matters worse as Olivia s summer is shaping up to be just as consumed by Jacob s needs as the rest of her life has been In time and with the help of some unlikely alliances Olivia must learn what it means to be separate from her brother and still love him how to love herself in spite of her own flaws and that not all lost things are meant to be found Praise for *The Ostrich and Other Lost Things* The Ostrich and Other Lost Things is a delicate warm textured novel that explores the wonder pain envy and intimacy of sibling relationships Written with a huge dose of compassion and vulnerability there is so much to love about the world Olivia and her brother Jacob inhabit I lost myself in this wonderful world and I know that Olivia herself wouldn t be able to find me Corey Ann Haydu author of *The Someday Suitcase* and *Rules for Stealing Stars* Beth Hautala weaves a powerful tale about the challenges of having a sibling with autism Olivia steals our heart as she tries to find what is lost and make her family whole again *The Ostrich and Other Lost Things* is full of memorable characters riveting moments and surprising turns that add up to a very heartwarming and magical read I loved it Dana Middleton author of *The Infinity Year of Avalon* James A brave beautiful story I loved this book Paul Acampora author of *I Kill the Mockingbird* Hautala offers an emotionally adept story about love and understanding School Library Journal This is hands down the best book with an autistic character that I have ever read I would recommend this title for those who enjoy books like *Wonder* Knopf 2012 *Out of My Mind* Atheneum 2010 and *The Running Dream* Knopf 2011 It has a wonderful plot that readers will love and teaches a lot about dealing with individuals who are diagnosed with autism This is a must read School Library Connection A heartfelt story of sibling relationships self discovery and unconditional love Voice of Youth Advocates While readers with neurodiverse siblings are the obvious audience for this the anxieties Olivia expresses and her attempts to control outcomes will resonate with a much broader spectrum of tweens Bulletin of the Center for Children s Books

**Tuḥfah Yi- 'Abbāsī** Muḥammad 'Alī Sabzvārī,2008 This book is one of the oldest and most important sources written on the esoteric teachings of Islam from a Shi ite perspective It demonstrates the Qur anic origins of Sufism and its close relationship with Shi ism The book is based mainly on the teachings of the Qur an Hadith narrations of Shi ite Imams and the teachings of earlier Sufi masters In this lies the uniqueness authenticity and strength of the book Tuḥfah yi Abbasi is written in a typical prose style of the Safavid period and is replete with Arabic words and phrases The difficulty and dryness of the

style however is properly compensated by timely quotation of Prophetic traditions narrations of the Shi'ite Imams and Sufi poetry composed by Attar Rumi Hafiz Mansur Hallaj as well as the author This work conveys a universal message for all human beings particularly at a time when Sufism and Shi'ism are misrepresented by pseudo Sufis and extremist Shi'ite and misunderstood by many readers in the Muslim world and in the West      **The Lady's Monthly Museum** ,1802      *The Complete Works of C. H. Spurgeon, Volume 54* Spurgeon, Charles H., Volume 54 Sermons 3073 3124 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church's most famous preachers and Christianity's foremost prolific writers Called the Prince of Preachers he was one of England's most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon's messages to be among the best in Christian literature Edward Walford wrote in *Old and New London* Volume 6 1878 quoting an article from the Times regarding one of Spurgeon's meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon's legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon      **Imagine Yourself Well** Sean F.
