

The book cover features a composite image. The upper half shows a close-up of a young man's face, likely a British soldier, wearing a military cap. He has a serious expression and is looking slightly to the right. The background behind his face is a dark, textured surface with some horizontal lines. The lower half of the cover shows a perspective view of a railway bridge with multiple arches, receding into the distance. The sky above the bridge is a fiery red and orange, suggesting a sunset or a battle scene. The overall tone is somber and historical.

East Reg returned to Leicester With his family he returned to Thailand in 2006 and revisited the sites of the POW camps Reg died in 2013 at the age of ninety nine two weeks before the publication of this book      *Fighting Malaria on the River Kwai* Jonathan R.C. Green,2019-06-25 During World War II 12 000 Allied prisoners of war died while constructing a bridge over the river Kwai in western Thailand and then a railway through the thick jungles of the Kwai Valley all the way to Burma Decades later during the Vietnam War Jonathan R C Green enlisted as a medic in the U S Army expecting to take care of wounded Americans and Asians but was kept in a Stateside assignment instead much to his frustration So shortly before his enlistment expired he applied for the Peace Corps and asked to serve in Southeast Asia Six weeks after leaving the Army he arrived in Thailand as a Peace Corps Volunteer His job assignment was to fight malaria by controlling the mosquito populations in remote jungle villages in the valley of the infamous River Kwai Besides the hazards posed by snakes scorpions and centipedes in the jungle he ran the risk of contracting malaria dengue fever and other mosquito borne diseases while suffering severe bouts of dysentery He often had to live on a monotonous diet of rice bamboo shoots and hot sauce three times a day with the only reasonably safe drinking water coming from rain barrels teeming with mosquito larvae While becoming accustomed to a rugged lifestyle in the jungle he had to quickly learn a complex language and exotic culture An inadvertent misstep in manners could have damaged his credibility and hence the outcome of his undertaking as badly as catching the disease he was supposed to be fighting      *1940* Mitch Peeke,2015-05-31 The story of one momentous year in World War II The epic story of 1940 is not confined to the great air battle over England that summer the Battle of Britain While that battle was indeed a major turning point in the course of the Second World War it was only fought because of the ultimate outcome of the battle that preceded it When Hitler s forces swiftly overran the Low Countries and then France the remnants of the French and British armies were trapped in a pocketed position around the channel port of Dunquerque Militarily that should have been the end of it Trapped with their backs to the sea the tired soldiers surely faced annihilation or capture Hitler s generals certainly thought so But then Hitler made his first and biggest mistake He listened to his old friend and commander of the German Air Force Herman Goering Instead of allowing his armies to finish the job he ordered them to halt Goering had persuaded his Fuhrer to allow his Air Force to finish it instead Goering failed giving the British time to evacuate the stranded armies from Dunquerque The Battle of France was over but there would have to be a Battle of Britain as Britain would now have to be eliminated as well either by diplomacy which wasn t likely or by invasion This was the prospect facing those in England at that time and this is the story of that momentous year      **Captivity, Slavery and Survival as a Far East POW** Peter Fyans,2012-04-19 Captivity Slavery and Survival as a Far East POW is the incredibly moving story of Gus Anckorn a British soldier who was captured by the Japanese and held for over three and a half years Before the war Gus was a magician and throughout the war entertained both fellow soldiers and Japanese guards with his tricks Gus has a brilliant sense of humor and a tell it as it is attitude which got him into a number of scrapes with both the

Japanese and his own side He has a remarkable humility to his character and is extremely endearing both in the book and face to face guaranteeing massive media attention Gus experienced terrible ordeals that no one should have to face He should have been killed on four or five occasions but remarkably survived due to quick thinking and good luck Gus also reveals the heartache of leaving his fiancée behind and not knowing if he would ever see her again This is an incredibly moving book and will surely be considered as one of the classic Far East POW stories Gus is still alive and active today very publicity focused and well connected He still holds the unique claim of being the youngest ever member of the Magic Circle and is now currently their oldest ever member He is also a member of the Masons Gus has appeared on BBC TV when they arranged for him to meet a Japanese POW camp guard on the bridge at Kwai

*Long Way Back to the River Kwai* Loet Velmans, 2011-09 He survived brutality, sickness, and war, but he refused to give up hope. Loet Velmans was seventeen when Germany invaded his native Holland in 1940. He and his family escaped to London just before the Dutch army surrendered, and German U-boats began their deadly patrol of the North Sea. Deciding they would be safer in the Far East, the Velmans family sailed to the Dutch East Indies, now Indonesia, where Loet joined the Dutch army. In March 1942, the Japanese invaded, conquered the colony in a week without firing a shot, and imprisoned all Dutch soldiers. For three and a half years, Loet toiled in slave labor camps building the railway made famous by *The Bridge on the River Kwai*, which would supply the Japanese invasion of India. Some 200,000 POWs and laborers died building this Railway of Death. Loet suffered malaria, dysentery, malnutrition, and unspeakable abuse, but never gave up hope. Almost sixty years later, he returned to the place where he nearly died and where he buried his best friend in a burlap sack. From that emotional visit comes this stunning memoir.

Back cover *The Writers* Miranda J. Banks, 2015-01-14 Screenwriters are storytellers and dream builders. They forge new worlds and beings, bringing them to life through storylines and idiosyncratic details. Yet up until now, no one has told the story of these creative and indispensable artists. *The Writers* is the only comprehensive qualitative analysis of the history of writers and writing in the film, television, and streaming media industries in America. Featuring in-depth interviews with over fifty writers, including Mel Brooks, Norman Lear, Carl Reiner, and Frank Pierson, *The Writers* delivers a compelling behind-the-scenes look at the role and rights of writers in Hollywood and New York over the past century. Granted unprecedented access to the archives of the Writers Guild Foundation, Miranda J. Banks also mines over 100 never-before-published oral histories with legends such as Nora Ephron and Ring Lardner Jr., whose insight and humor provide a window onto the enduring priorities, policies, and practices of the Writers Guild. With an ear for the language of storytellers, Banks deftly analyzes watershed moments in the industry: the advent of sound, World War II, the blacklist, the ascension of television, the American New Wave, the rise and fall of VHS and DVD, and the boom of streaming media. *The Writers* spans historical and contemporary moments and draws upon American cultural history, film, and television scholarship, and the passionate politics of labor and management. Published on the sixtieth anniversary of the formation of the Writers Guild of America, this book tells the story of the triumphs and struggles of these vociferous and contentious heroes.
