Physiological Mysteries and Revelations in Love, Courtship and Marriage Eugène Becklard, 2017-11-15 Excerpt from Physiological Mysteries and Revelations in Love Courtship and Marriage An Infallible Guide Book for Married and Single Persons in Matters of the Utmost Importance to the Human Race The principal authorities I have consulted in preparing this volume are my own experience and the verbally expressed opinions of many practical members of the faculty for whose valuable assistance and information I hereby return

my most cordial thanks I am also indebted for casual hints to the writings of Hunter Blumen back Swammerdam Dubois Goad Button and others but in cases where there was a point at issue between us I trusted more to my own experience than to their theories But taking in view the sentence I commenced with I have written too long a preface and accordingly I shall at once close it with a highly relevant motto from Virgil About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

For (Dear) Life Eva-Sabine Zehelein, 2014 When Canadian Alice Munro was awarded the Nobel Prize for Literature in 2013 she had already declared her resignation from the post of short story writer following the publication of her 2012 collection *Dear Life* This present volume offers critical analyses of Alice Munro's complete final short story collection The book's contributors exercise in depth close readings of each individual story and situate them in Munro's lifetime oeuvre as well as in her work's critical reception to date Scholars set out to show how complex irritating disturbing and enchanting Munro's stories are and how often all that matters is to hold life dear or to hold on for dear life Series MasterResearch Vol 7 Subject Literary Criticism

A Book of Cambridge Verse (Classic Reprint) Ernest Edward Kellett, 2018-02-02 Excerpt from *A Book of Cambridge Verse* Nevertheless after all deductions have been made how much true poetry is yet left He must be hard to please who cannot find intense enjoyment in the Eclogues of Phineas Fletcher in Cowley's epitaph on Harvey in the Miltonic stanzas of Gray's Installation Ode in a score of other pieces grave quaint or classical in their allusive ness of phrasing Especially grateful must we be to the number of poets of exquisite feeling and easy mastery of form who during the last fifty or sixty years have enriched the language with delicate and elegant verse from which it has been only too difficult to choose because its quantity is so great and its merit so even Of this we trust we have given a tolerably adequate selection but it would have been easy to multiply it fourfold About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
