Gregory Dunne, 2012-04-18 In 1967 John Gregory Dunne asked for unlimited access to the inner workings of Twentieth Century Fox. Miraculously he got it. For one year Dunne went everywhere there was to go and talked to everyone worth talking to within the studio. He tracked every step of the creation of pictures like *Dr. Dolittle*, *Planet of the Apes* and *The Boston Strangler*. The result is a work of reportage that thirty years later may still be our most minutely observed and therefore most uproariously funny portrait of the motion picture business. Whether he is recounting a showdown between Fox's studio head and two suave shark-like agents watching a producer's girlfriend steal a silver plate from a restaurant or shielding his eyes against the glare of a Hollywood premiere where the guests include a chimp in a white tie and tails, Dunne captures his subject in all its showmanship, savvy, vulgarity and hype. Not since F. Scott Fitzgerald and Nathanael West has anyone done Hollywood better. Reads as readily as a novel. Dunne has a novelist's ear for speech and eye for revealing detail. Anyone who has tiptoed along those corridors of power is bound to say that Dunne's impressionism rings true. *Los Angeles Times*

Wallflower at the Orgy Nora Ephron, 2011-06-01 A bitingly funny, provocative and revealing look at our foibles, passions and pastimes from one of the most creative minds of our time. Nora Ephron can write about anything better than anybody else can write about anything. *The New York Times*. From her Academy Award-nominated screenplays to her bestselling fiction and essays, Nora Ephron is one of America's most gifted, prolific and versatile writers. In this classic collection of magazine articles, Ephron does what she does best: embrace American culture with love, cynicism and unmatched wit. From tracking down the beginnings of the self-help movement to dressing down the fashion world's most powerful publication to capturing a glimpse of a legendary movie in the making, these timeless pieces tap into our enduring obsessions with celebrity, food, romance, clothes, entertainment and sex. Whether casting her ingenious eye on renowned director Mike Nichols, *Cosmopolitan* magazine founder Helen Gurley Brown or herself as she chronicles her own beauty makeover, Ephron deftly weaves her journalistic skill with the intimate style of an essayist and the incomparable talent of a great storyteller.

Fearless Vulgarity Ken Feil, 2022-11-29 The enduring queer feminist engagement with Valley of the Dolls author Jacqueline Susann's camp comedy legacy catalyzed by her notoriously dirty, fabulously successful bestseller *Valley of the Dolls*. The Jackie Susann Sixties brimmed with camp comedy that now permeates contemporary celebrations of the author from Pee-wee's Playhouse to RuPaul's Drag Race and Lee Daniels's *Star*. First christened camp by Gloria Steinem in an excoriating review of *Valley of the Dolls* and compounded by the publishing juggernauts *The Love Machine* (1969), *Once Is Not Enough* (1973) and *Dolores* (1976), the comedy of Jackie Susann illuminated conflicting positions about gender, sexuality and aesthetic value. Through a writing formula that Ken Feil calls sleazy realism, Susann veers from gossip to confession and devises comedies of bad manners spun from real celebrities whose occasionally queer and always outré antics clashed with their official personas, the popular genres they were famous for and the narrow normative constructions of identity and reality shaped by the culture industry. Susann's promotional appearances led to another comedy of bad manners: this one

populated with critics alternately horrified and delighted by an upstart woman vulgarian barging into the male literary firmament and which continues to inspire fascination for the author her novels and their legendarily bad film adaptations

The American Dream and the Popular Novel Elizabeth Long,2017-10-23 This title originally published in 1985 examines conceptions of success and the good life expressed in bestselling novels ranging from historical sagas and spy thrillers to more serious works by Updike Bellows Steinbeck and Mailer published from 1945 to 1975 Using these popular books as cultural evidence Elizabeth Long argues that the meaning of the American dream has changed dramatically but in a more complex fashion than has been recognised by that country s most prominent social critics Her study presents a challenge to prevailing social scientific views of contemporary American culture and represents both in theory and method an important contribution to the study of culture and social criticism *The New York Times Book Review* The New York Times,2021-11-02 A delightful Vanity Fair collection from the longest running most influential book review in America featuring its best funniest strangest and most memorable coverage over the past 125 years Since its first issue on October 10 1896 The New York Times Book Review has brought the world of ideas to the reading public It is the publication where authors have been made and where readers first encountered the classics that have enriched their lives Now the editors have curated the Book Review s dynamic 125 year history which is essentially the story of modern American letters Brimming with remarkable reportage and photography this beautiful book collects interesting reviews never before heard anecdotes about famous writers and spicy letter exchanges Here are the first takes on novels we now consider masterpieces including a long forgotten pan of Anne of Green Gables and a rave of Mrs Dalloway along with reviews and essays by Langston Hughes Eudora Welty James Baldwin Nora Ephron and more With scores of stunning vintage photographs many of them sourced from the Times s own archive readers will discover how literary tastes have shifted through the years and how the Book Review s coverage has shaped so much of what we read today **Bite** C.J. Love Machine Jacqueline Susann Introduction

In today's digital age, the availability of Love Machine Jacqueline Susann books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Love Machine Jacqueline Susann books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Love Machine Jacqueline Susann books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Love Machine Jacqueline Susann versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Love Machine Jacqueline Susann books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Love Machine Jacqueline Susann books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Love Machine Jacqueline Susann books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It

also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Love Machine Jacqueline Susann books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Love Machine Jacqueline Susann books and manuals for download and embark on your journey of knowledge?
