Love Is Something You Do:

Love Is Something You Do Bobby Burnette, Sherry Burnette, 2015-10-01 On January 12 2010 a 7.1 magnitude earthquake struck the country of Haiti. The world reacted in shock to the news reports of the devastation. Immediately responding to the catastrophe were Love A Child ministry founders Bobby and Sherry Burnette who had somehow escaped death. In the days following they came to believe they had been spared in order to minister to the desperate needs all around them. When the earthquake hit Bobby and Sherry had already served in Haiti for many years. Love Is Something You Do is the extraordinary narrative of the Burnettes' lifelong journey of faith and compassion. If you love a great story find a place to settle in and read one fascinating account after another. Travel the path that led them to Haiti a land of mountains colorful cultures and insightful proverbs but also of extreme poverty oppressive voodoo and despair. Experience their early years in street ministry their life threatening adventures and accidents their incidents of miraculous healings and financial provision and their standoffs with witch doctors and evil spirits. Above all be renewed by their message of hope and peace through which they continue to transform people's lives spiritually physically educationally and vocationally giving Haitians a life of dignity and purpose they had never dreamed possible.

collaboration insight and excellence has been systematically drained from our lives our work teams and classrooms It s time we brought love back in Love and Work shows you how The Divine Dance Richard Rohr,2016-10-28 The Divine Dance has become a classic for fans of Richard Rohr and an important book on Christian mysticism it provides a fresh perspective for anyone studying or teaching the trinity The Trinity is the central doctrine of Christianity but it is still widely considered a mystery we won t ever fully understand Should we still try to understand it even so If we could how would it transform our relationship with God In this stimulating and thought provoking book internationally recognised teacher Richard Rohr explores the nature of God and the paradoxical idea of the Holy Trinity as both three and one With clear surefooted wisdom he encourages us to build on the early Christian understanding of the relationship between Father Son and Spirit as a flow and dance a Divine Dance that we are invited to join in An engaging accessible look at the nature of God The Divine Dance will challenge the way you think about the Trinity and give you a much fuller understanding of the triune relationship that is at the heart of Christian doctrine It will leave you with a faith that is renewed and strengthened and show you how you can engage more deeply in your relationship with God and the world through the Trinity **Brutally Human** Ricky Firman,2024-12-01 Life is a mess A beautifully chaotic utterly nonsensical mess In Brutally Human The Paradox of Existence Ricky Firman gleefully explores the delicious contradictions that make us human using biting irony to expose the absurdity of our attempts to figure it all out From the freedom that promises liberation but leaves us paralyzed with choice to the endless pursuit of happiness that only makes us more miserable Ricky deconstructs the myth of having it together Want happiness Too bad because the harder you chase it the more it evades you Control Sure but good luck planning anything in a world that laughs in your face at every turn Ricky s stories like a mindfulness retreat that caused more anxiety than calm or a perfectly planned vacation that unraveled into pure chaos prove that life doesn t follow the scripts we write The book doesn t stop at personal paradoxes it dives into society s most ironic delusions Unity through division Check Society thrives on finding common ground by hating the same people Technology that connects us More like technology that isolates us in shiny pixelated prison cells We re living in the Information Age yet we re somehow more ignorant than ever scrolling through social media like it s the holy grail of truth while missing the real news Wellness culture It turns self care into a competitive sport proving that even rest has been commodified Each chapter offers a brutally honest and often darkly funny look at everything from the myths of work life balance to the failure of dream jobs Family The ones who love you most are also the ones who ll leave you questioning your sanity Friendships They ll save you but also roast you relentlessly And don t even get started on modern health and wellness which somehow makes us feel worse about ourselves while claiming to fix us Brutally Human The Paradox of Existence doesn t offer easy solutions because life is a chaotic disaster that can t be fixed Instead it invites you to laugh at the absurdity embrace the contradictions and stop pretending that there s a perfect way to live Because spoiler alert there isn t So let s stop trying to solve life s mess and start enjoying the chaos After all the only thing

we can be sure of is that life will surprise us disappoint us and laugh at our expense so we might as well laugh along
