Haumesser, 2022-10-06 This fresh examination of antebellum politics comprehensively examines the ways that gender issues and gendered discourse exacerbated fissures within the Democratic Party in the critical years between 1856 and 1861 Whereas the cultural politics of gender had bolstered Democratic unity through the 1850s the LeCompton crisis and John Brown's raid revealed that white manhood and its association with familial and national protection meant disparate and ultimately incompatible things in free and slave society In fierce debates over the extension of slavery gendered rhetoric hardened conflicts that ultimately led to the outbreak of the Civil War Lauren Haumesser here traces how northern and southern Democrats and their partisan media organs used gender to make powerful arguments about slavery as the sectional crisis grew from the emergence of the Republican Party to secession Gendered charges and countercharges turned slavery into an intractable cultural debate raising the stakes of every dispute and making compromise ever more elusive **The Congressional globe**, 1859 *The Mind of the Master Class* Elizabeth Fox-Genovese, Eugene D.

Genovese,2005-10-17 The Mind of the Master Class tells of America s greatest historical tragedy A great many of the slaveholding men and women were intelligent honorable and pious yet these very people admirable in so many ways presided over a social system that proved itself an enormity and inflicted horrors on their slaves Even now there is much to be learned from their moral and political reflections on their times and ours **Religion and science, lectures** Joseph Le Conte,1874

The Royal Love Law James Jackson,2019-09-09 Picking up this book is one of the most important things you have ever done in your life because true love power will be revealed to you like you have never known or understood before This kind of love power will keep God s promises to deliver and release you from a broken heart abusive relationship battered life and any violation of your love This book is a spiritual mirror that reveals love truths about you and your relationships This book has the ability to transform one s natural understanding of love to the supernatural power of love I promise you that this book will take you on a true love journey into the unknown and making true love known to you in power Just remember that this book will be one of the greatest spiritual investments with interest that you have ever sowed and planted in yourself your spouse family friends and associates This book is a combination of three books in one to make you spiritually rich with information on love for the price of one This book is God s gift of love to you that is extraordinarily motivational and inspirational at first sight **The Institutes of Biblical Law Vol. 1** R. J. Rushdoony,2009-11-16 To attempt to study

Scripture without studying its law is to deny it To attempt to understand Western civilization apart from the impact of Biblical law within it and upon it is to seek a fictitious history and to reject twenty centuries and their progress The Institutes of Biblical Law has as its purpose a reversal of the present trend it is called Institutes in the older meaning of the that word i e fundamental principles here of law because it is intended as a beginning as an instituting consideration of that law which must govern society and which shall govern society under God To understand Biblical law it is necessary to understand also certain basic characteristics of that law In it certain broad premises or principles are declared These are declarations of basic law The Ten Commandments give us such declarations A second characteristics of Biblical law is that the major portion of the law is case law i e the illustration of the basic principle in terms of specific cases These specific cases are often illustrations of the extent of the application of the law that is by citing a minimal type of case the necessary jurisdictions of the law are revealed The law then asserts principles and cites cases to develop the implications of those principles with is purpose and direction the restitution of God s order **Seventh-day Adventism Renounced** Dudley Marvin Canright,1889

The Perfect Law of Love L. Lynn Derrick,2018-11-21 This is not for the faint of heart nor for Christians who want to be entertained This is for hungry Bible students seeking vast deep answers to a vast deep subjectthe all important subject of Love This book could and should be the standalone text for an 8 credit hour college course mandatory for every accredited Bible student And it is a must for every layman who wants to understand the most important teachings of the Bible on a serious level Jesse Steele Moody Bible Institute Alum This book is offered to help you love the Lord with your whole heart and

to better know your Creator It is intended to help clarify some lingering misunderstandings that trace back far into biblical history The book deals with the righteousness and holiness of God as seen in His laws but from a New Covenant perspective love Showing the distinction between the dispensational Law of Moses and the eternal and unchanging Law of God the book focuses on love as love is the focus of both the Law of God and the Law of Moses Rom 13 8 It s all about loving God with all your heart and loving your neighbor as yourself even loving your enemy With man this is impossible but with God all things are possible These matters have the greatest bearing on our future reward in the heavenly kingdom and upon the power of our ministry today With a clearer view of this line in the Bible it is our prayer that we will all stand more confidently as we await and hasten the return of our Lord Seek first his kingdom and its righteousness and all these things will be added unto you The book also covers emerging research regarding the 364 day calendar of the books of 1st Enoch and Jubilees and how to manage it in a 365 day context I think you will enjoy studying this with us Think about it your Creator wants to have dates with you on the dates that his feasts have been observed in the heavens since creation As we journeyed through these things I was humbled to receive seven dreams from the Lord to help shepherd us through which I document in the appendix Several in our extended family have also been warned and encouraged in dreams The arm of Yahweh is not short to also give you dreams and other works of the coming kingdom But it all begins with desperate searching in his Word Keep asking and you will receive Keep seeking and you will find Keep knocking and it will be opened to you

The Enemies of Paul: Demons, Satan, Betrayers, and Apostles Roger S. Busse,2018-08-23 Paul s conflict with viscous enemies human and otherwise led him to employ efficacious powers charismata charismatic powers and controversial and sometimes illegal practices that are only coherent when placed in context of the first century Hellenistic Roman world These included soul and spirit transportation possession and exorcisms special techniques to repel demonic attack as well as what was considered the darkest of black magic in the ancient world the casting of death curses which called on Satan to infect harm and even kill his enemies All of these can be recovered in

striking detail using risk analysis of his undisputed writings and comparing them with contemporary sources papyri and documents independent of the New Testament The results demonstrate that Paul s letters are so much more than simply intellectual and rhetorical correspondences they are infused with dangerous mystical and charismatic powers feared in an ancient world that was saturated with prevalent active dark forces and multi layered human and supernatural conflicts of angels and demons at war of charismata and anathemata deadly curses and Paul s expectation of the hemera kuriou Day of the Lord that would defeat Satan and the curse of death via pistis faith in the efficacious euangelion gospel of agape love
