Love Letter For A Japanese War Bride:

Love Letter Stephen E. Price, 2014-05-12 Love Letter for a Japanese War Bride is Stephen E. Price's memoir of his eternal love for his first wife Ryuko Set primarily in postwar Japan the story provides a window into a new world one that spawned cultural diversity but one that was largely unprepared for and unaccepting of it The tale chronicles the lovers perseverance as they struggle with both the US and Japanese governments to gain permission to marry The narrative is woven into fabrics of cultures traditions attitudes language and history some of which may be unfamiliar but all of which is captivating Above all the unending and redemptive romance in this story captures the purest essence of love with all its twists and turns joys and sorrows highs and lows and culminates in a tragic yet transcendent ending A remarkable memoir and love letter that rings true on every page An intimate and heartbreaking story beautifully told I can think of no other work about Japan and America that reveals more poignantly how love and trust can bridge race and culture even where the odds seem so formidably against this John W. Ippolito, 2019-08-02 The citizens of Belfast Northern Ireland were keenly aware of the war raging in Europe and elsewhere They duly put up their blackout curtain formed fire watch patrols and stood patiently in endless queues with their ration booklets They never expected the German Luftwaffe would actually bother to attack their remote island That complacency was shattered in April of 1941 After that first attack eighteen year old Elizabeth Fleming refused to evacuate along with her two younger sisters to the seaside town of Bangor thirteen miles up the southern side of the Belfast Lough Just over a week later Elizabeth was caught away from home during

the second and most deadly attack She was plagued with nightmares for months afterwards In late April of 1942 Richard Harrison a laboratory technician serving with the U S Army Medical Corps boarded an army transport ship in route to N Ireland Six weeks later the two would meet at a dance in a Belfast ballroom **Michi's Memories** Keiko

Jeffrey Richards, 2016-11-09 There is a folk memory of China in which numberless yellow hordes pour out of the mysterious East to overwhelm the vulnerable West accompanied by a stereotype of the Chinese as cruel cunning and depraved Hollywood films played their part in perpetuating these myths and stereotypes that constituted The Yellow Peril Jeffrey Richards examines in detail how and why they did it He shows how the negative image was embodied in recurrent cinematic depictions of opium dens tong wars sadistic dragon ladies and corrupt warlords and how in the 1930s and 1940s a countervailing positive image involved the heroic peasants of The Good Earth and Dragon Seed fighting against Japanese invasion in wartime tributes to the West's ally Nationalist China The cinema's split level response is also traced through the images of the ultimate Oriental villain the sinister Dr Fu Manchu and the timeless Chinese hero the intelligent and benevolent detective Charlie Chan Filling a longstanding gap in Cinema and Cultural History the book is founded in fresh research into Hollywood's shifting representations of China and its people Report United States. Divided Lenses Michael Berry, Chiho Sawada, 2017-12-31 Divided Lenses Screen Memories of War in East Asia is the first attempt to explore how the tumultuous years between 1931 and 1953 have been recreated and renegotiated in cinema This period saw traumatic conflicts such as the Sino Japanese War the Pacific War and the Korean War and pivotal events such as the Rape of Nanjing Pearl Harbor the Battle of Iwo Jima and the bombings of Hiroshima and Nagasaki all of which left a lasting imprint on East Asia and the world By bringing together a variety of specialists in the cinemas of East Asia and offering divergent yet complementary perspectives the book explores how the legacies of war have been reimagined through the lens of film This turbulent era opened with the Mukden Incident of 1931 which signaled a new page in Japanese militaristic aggression in East Asia and culminated with the Korean War 1950-1953 a protracted conflict that broke out in the wake of Japan's post World War II withdrawal from Korea Divided Lenses explores the ways in which events of the intervening decades have continued to shape politics and popular culture throughout East Asia and the world The essays in part I examine historical trends at work in various national cinemas including China Taiwan Japan Korea and the United States Those in part 2 focus on specific themes present in the cinema portraying this period such as comfort women in Chinese film the Nanjing Massacre or nationalism and how they have been depicted or renegotiated in contemporary films Of particular interest are contributions drawing from other forms of screen culture such as television and video games Divided Lenses builds on the growing interest in East Asian cinema by examining how these historic conflicts have been imagined framed and revisited through the lens of cinema and screen culture It will interest later generations living in the shadow of these events as well as students and scholars in the fields of cinema studies cultural studies cold war studies and World War II history The Oxford Handbook of Modern Chinese Literatures Carlos Rojas, Andrea Bachner, 2016 With over forty original essays The Oxford Handbook of Modern Chinese Literatures offers an in depth engagement with the current

analytical methodologies and critical practices that are shaping the field in the twenty first century Divided into three sections Structure Taxonomy and Methodology the volume carefully moves across approaches genres and forms to address a rich range topics that include popular culture in Late Qing China Zhang Guangyu s Journey to the West in Cartoons writings of Southeast Asian migrants in Taiwan the Chinese Anglophone Novel and depictions of HIV AIDS in Chu T ien wen s Notes of a Desolate Man Report United States. Congress Senate, *South Sea Maidens* Michael Sturma,2002-03-30 From the first European contact with Tahiti in 1767 the myth of the South Sea maiden has endured through many incarnations Although the maiden frequently provided an idealized antidote to Western women s self assertion the South Pacific also afforded a space where boundaries between the sexes could be relaxed and transgressed From James Cook and Captain Bligh to James Michener and Margaret Mead the Island girl has occupied a special place in the erotic imagination of the West In a sweeping study that embraces history literature visual arts anthropology and film this study gives fresh insight into the myths and reality of a Western icon While women from far off lands have always been presented as exotic and alluring the South Sea maiden has come to symbolize feminine sexuality as an integral part of the adventure sensuality and romance of the South Pacific Everyone from early explorers to 19th century writers and artists to latter day anthropologists film makers and tourism promoters have extolled their virtues and their bodies Sturma looks behind the popular cliché to reveal how the myth making process reflected not only Western desires but the cut and thrust of changing sexual politics The result is an intriguing look at both South Sea image makers and the women whom they found so seductive Independent Film Journal ,1952 **The Life of Isamu Noguchi** Masayo Duus,2006-11-05 Isamu Noguchi born in Los Angeles as the illegitimate son of an American mother and a Japanese poet father was one of the most prolific yet enigmatic figures in the history of twentieth century American art Throughout his life Noguchi 1904 1988 grappled with the ambiguity of his identity as an artist caught up in two cultures His personal struggles as well as his many personal triumphs are vividly chronicled in *The Life of Isamu Noguchi* the first full length biography of this remarkable artist Published in connection with the centennial of the artist s birth the book draws on Noguchi s letters his reminiscences and interviews with his friends and colleagues to cast new light on his youth his creativity and his relationships During his sixty year career there was hardly a genre that Noguchi failed to explore He produced more than 2 500 works of sculpture designed furniture lamps and stage sets created dramatic public gardens all over the world and pioneered the development of environmental art After studying in Paris where he befriended Alexander Calder and worked as an assistant to Constantin Brancusi he became an ardent advocate for abstract sculpture Noguchi s private life was no less passionate than his artistic career The book describes his romances with many women among them the dancer Ruth Page the painter Frida Kahlo and the writer Ana s Nin Despite his fame Noguchi always felt himself an outsider With my double nationality and my double upbringing where was my home he once wrote Where were my affections Where my identity Never entirely comfortable in the New York art world he inevitably returned to

his father's homeland where he had spent a troubled childhood. This prize-winning biography first published in Japanese traces Isamu Noguchi's lifelong journey across these artistic and cultural borders in search of his personal identity.
