alongside other terrific books about this difficult subject like Paul Kalanithi's *When Breath Becomes Air* and Atul Gawande's *Being Mortal*. Bill Gates NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE Kate Bowler is a professor at Duke Divinity School with a modest Christian upbringing but she specializes in the study of the prosperity gospel a creed that sees fortune as a blessing from God and misfortune as a mark of God's disapproval. At thirty five everything in her life seems to point toward blessing. She is thriving in her job married to her high school sweetheart and loves life with her newborn son. Then she is diagnosed with stage IV colon cancer. The prospect of her own mortality forces Kate to realize that she has been tacitly subscribing to the prosperity gospel living with the conviction that she can control the shape of her life with a surge of determination. Even as this type of Christianity celebrates the American can-do spirit it implies that if you can't do and succumb to illness or misfortune you are a failure. Kate is very sick and no amount of positive thinking will shrink her tumors. What does it mean to die she wonders in a society that insists everything happens for a reason. Kate is stripped of this certainty only to discover that without it life is hard but beautiful in a way it never has been before. Frank and funny dark and wise Kate Bowler pulls the reader deeply into her life in an account she populates affectionately with a colorful often hilarious retinue of friends mega church preachers relatives and doctors. *Everything Happens for a Reason* tells her story offering up her irreverent hard won observations on dying and the ways it has taught her to live. Praise for *Everything Happens for a Reason* I fell hard and fast for Kate Bowler. Her writing is naked elegant and gripping she's like a Christian Joan Didion. I left Kate's story feeling more present more grateful and a hell of a lot less alone. And what else is art for. Glennon Doyle 1 New York Times bestselling author of *Love Warrior* and president of Together Rising [Good Advice from Bad People](#) Zac Bissonnette, 2014-04-29 The world is full of people telling you how to live your life. Sometimes the advice givers fall ever so slightly short themselves. Bestselling author Zac Bissonnette has gathered more than seventy five jaw dropping gems including risk management advice from the man who triggered the world's largest hedge fund collapse and tips from gay prostitute patronizing pastor Ted Haggard on how to build a marriage that lasts a lifetime. The result will keep you smiling while you glean all the wisdom you need to build the life you want if only you can follow it better than the people who gave it. When you know what you are talking about others will follow you because it's safe to follow you. Future Illinois governor Rod Blagojevich 2002 The day you take complete responsibility for yourself the day you stop making any excuse that's the day you start to the top. O J Simpson 1975 **Sensational Devotion** Jill C. Stevenson, 2013-04-15 *Sensational Devotion* examines contemporary Passion plays biblical theme parks Holy Land recreations creationist museums and megachurches in order to understand how they serve their evangelical believer users while also shaping larger cultural and national dialogues. Jill Stevenson explores how performative media support specific theologies and core beliefs by creating sensual live experiences for those who use them. The book explores evangelical performance across a range of media and

sites including film television theater tourist attractions museums and places of worship Using historical research coupled with firsthand experiences it critically examines these spaces and events within their specific religious cultural and national contexts while placing them within a long devotional tradition to suggest how they cultivate religious belief by generating vivid sensual affectively oriented and individualized experiences Stevenson s analysis builds upon existing work on performance and cognition as well as theories of affect as it contributes to existing scholarship on American evangelicalism and evangelical Christian media
