Lovelorn: 30 Postcards Ilex Press, 2012-03-01 This luxurious postcard book collects 30 of the very best cult romance comics of the 1950s From Brides in Love and Romantic Hearts to G I Sweethearts and Romantic Adventures there are dozens of romantically quirky postcards ready for you to send to your beloved Each postcard includes the title artist publisher and publication date on the back *A Garage Sale of Lovelorn Things* Shrutee Choudhary, If you could spill your entire house out in the backyard how many trinkets of memories would you really take back inside Through poems I've decided to let go of feelings that burden me and objects associated with them Through poems I hope to declutter and heal and to make space for better things to come Letters and Diaries of Kathleen Ferrier Kathleen Ferrier, 2003 Within a decade this former telephone exchange operator was singing on stage at Covent Garden or before royalty at private parties She must have been fun to know and from this collection of letters just over three hundred of them gathered from sources in Britain America Canada and Holland as well as twelve years of her personal diaries what emerges provides a sunny picture in the gloomy landscape of post Second World War days **France 1814 - 1914** Robert Tombs, 2014-09-25 Here is an incomparably rich portrait of France in the years when the disparate elements that made up the fragmented kingdom of the ancien regime were forged into the modern nation The survey begins with an exploration of national obsessions and attitudes It considers the tendency to revolution and war the preoccupation with the idea of a New Order and the deep strain of national paranoia that was to be intensified by the dramatic debacle of the Franco Prussian War Robert Tombs then investigates the structures of power and in Part Three he turns his attention to social identities from the individual and family to the nation at large When every aspect of the period has been put under the microscope Robert Tombs draws them all into the broad political narrative that brings the book to its rousing conclusion Bursting with life as well as learning this is quite simply a tour de force
