Translating Rumi into the West Amir Sedaghat, 2023-02-28 Focusing on Rumi the best selling Persian mystical poet of the 13th century this book investigates the reception of his work and thought in North America and Europe and the phenomenon of Rumimania to elucidate the complexities of intercultural communication between the West and the Iranian and Islamic worlds Presenting tens of examples from the original and translated texts the book is a critical analysis of various dimensions of this reception outlining the difficulties of translating the text but also exploring how translators of various times and languages have performed and explaining why the quality of reception varies Topics analysed include the linguistic and pragmatic issues of translation comparative stylistics and poetics and non textual factors like the translator's beliefs and the political and ideological aspects of translation Using a broad theoretical framework the author highlights the difficulties of intercultural communication from linguistic semiotic stylistic poetic ethical and sociocultural perspectives Ultimately the author shares his reflections on the semiotic specificities of Rumi's mystical discourse and the ethics of translation generally The book will be valuable to scholars and students of Islamic philosophy Iranian studies and translation studies but will appeal to anyone interested in the cultural dichotomies of the West and Islam *The Mysterion* Kabir Helminski, 2023-04-04 A contemporary exploration into the meaning and possibility of our human existence through the universal insights of the 13th century Persian poet and Sufi mystic Rumi by pre eminent Rumi translator Kabir Helminski The 13th century poet and mystic Rumi has become one of the most popular spiritual voices of our time known and loved by people of many faiths and worldviews for his rich metaphors images poems and stories The Mysterion deepens our appreciation of his teachings by

illuminating both the practical psychological dimension behind them as well as the universal spiritual truths they offer about what it means to be human In this philosophical survey Kabir Helminski one of the foremost translators and writers of Sufi texts gives us a contemporary lens through which to view and understand the Mysterion the unifying concept that bridges the human and the divine and that connects the individual soul with spiritual Reality This book is centered on that core unifying concept of the Mysterion the essence and intrinsic meaning of being human Rumi says Helminski would suggest that in our human existence we might accomplish many marvels but they will amount to little if we neglect cultivating the divine potential within us Like a mirror he says we can reflect a spectrum of divine qualities depending on how polished and clean our mirror is Likewise our mirrors can become distorted and corroded by egoism and negativity Our practical work says Helminski and Rumi is to remove distortions from our souls and align ourselves with this higher order reality and divine agency through humility reverence surrender and love Conversations with Silence Sally Longley,2021-01-08 Silence scary inviting or both What do you do with silence And what if silence was a language we could learn to read hear and even speak This book invites you to tune the eyes and ears of your heart to the cadences of silence Enter into conversations with silence as you are taken on an odyssey Venture into the Australian bush Trek deep into the red desert Encounter shadows and desert dwellers You will also delve into the tiny houses of everyday silences and receive their gifts of hospitality And stumbling into that other territory where silence becomes a death threat or survival an orchard can show you the fruit of life beginning again Conversations with Silence takes you to the Rosetta Stone of an ancient forgotten language a language some have called God or the soul Immerse yourself in the silent realm of mystics musicians poets and pilgrims of every path These are our companions as we explore the nuanced vocabulary of the worlds of silences and join in the conversation with a new voice **I, You, and the Word “God”** Sarah Zhang,2016-11-03 I You and the Word God introduces the approach of lyrical ethics inspired by Emmanuel Levinas s ethical phenomenological philosophy Through the optics of lyrical ethics the reader discovers how the ancient erotic poems of the Song of Songs bear ethical and theological significance for contemporary readers Levinas s intertwined concepts oneself qua sensibility otherness perceived through responsibility and transcendence embodied in one s love for the other reveal themselves as lyrical colors woven into the fabric of Song 4 1 7 5 2 8 and 8 6 More importantly Levinas s understanding that poetic language breaks the tautology of logocentric discourse and gestures to the outside of consciousness provides the theoretical ground for the listener to solicit meaningfulness from the Song Through this lyrical reading of the selected poetic units the book demonstrates that the traditional interpretive methods of representative description narrative paraphrase and thematic distillation fail to encounter the otherness of poetry In contrast lyrical ethics pays attention to that which transcends consciousness the awakening of the reader s subjectivity the saying underlying the said the sound of the sense and the invisibility of the visible The Song so caressed reveals in human love the purposelessly purposive encounter with God **Awakening as Holy Mystery** Kevin G. Thew Forrester,2025-07-15

Christianity is an ancient non dual spiritual path of awakening This is not an awakening to God known as a religious object through the lens of belief hewn into shape through a set of religious doctrines This awakening begins with falling in love with the heart of Reality Holy Mystery and comes to fruition in the realization that the soul is one with the Beloved Holy Mystery the soul discovers is the true I of existence The author invites the reader on a journey through reflections and explorations nurtured by worship and prayer Here the soul might begin to slowly awaken to the truth of what she herself is This is the gracious path of Jesus own heart realizing that he and the Beloved are one Jesus awakens as the Christ The spiritual path in the Christian tradition is that each person also realizes Christ heart awakening and knowing not only one s own being as Holy Mystery but all creation as the unfolding flowering of boundless love Awakening becomes the source of servanthood and service Jesus embodies what each is called to realize as the heart s deepest and unceasing longing **Quantum**

Immediacy and Meaning Caitlin Smith Gilson,2017-02-09 Immediacy and Meaning seeks to approach the odd uneasiness at root in all metaphysical meaning that the human knower attempts to mediate what cannot be mediated that there is a pre cognitive immemorial immediacy to Being that renders its participants irreducible incommunicable and personal The dilemma of metaphysics rests on the relationship between the spectator and the player both as essential responses to the immediacy of Being Immediacy and Meaning is an attempt to pause but without retreat to be a spectator within the game to gain access into this immediate Presence for a moment only perhaps before the signatory failure into metaphysical language returns us to the mediated J K Huysman s semi autobiographical tetralogy anchors this book as a meditation neither purely poetic nor only philosophical it claims a unique territory when attempting to speak what cannot be spoken The unnerving merits of nominalism the difficulties of an honest appraisal of efficacious prayer the mad sanity of the muse the relationship between the uncreated and the created and an originary ethics of antagonism each serves to clarify the

formation of a new epistemology An Interpretive Introduction to Western Religions Amir Sabzevary, 2022-04-26 This book is an antidote to contemporary philosophical religious spiritual markets and trappings The book details the physical emotional intellectual and spiritual subtleties and complexities that exist and are experienced on the quest towards wisdom the qualities that teachers of wisdom must possess what is expected from seekers after truth the teacher student relationship the importance of love the stages of spiritual evolution and the nature of a spiritual community This book offers a rare and uncommon glimpse into the inner or esoteric dimensions of the three great Western religious traditions Judaism Christianity and Islam Using everyday language and examples the book offers understandable accounts of some of the core and complex practices and teachings of these great traditions Those interested in journeying the spiritual path given the enormously complicated contemporary social and political worlds will find the insights in this book refreshing and thought provoking

The Conscious Activist James O'Dea, 2014-12-09 Award winning author James O Dea has created a handbook for those interested in Sacred Activism a fusing spiritual knowledge with radical action O Dea outlines the polarities between the inner path of spiritual growth and the outer path of social activism concluding that the two must co exist in equal weighting so that the human race can become a compassionate force for good James O Dea is a modern day prophet who has journeyed further than anyone I know in the ways of peace Lynne Twist *The Conscious Activist* is a major contribution to the most important movement of our time one that fuses profound spiritual awareness with radical action It is wise and passionate and superbly written with the kind of graceful but pungent clarity that only long experience can engender Andrew Harvey After reading *The Conscious Activist* you will drop to your knees in heart opening awe and then you will rise to your feet inspired to act in a truly transformational way Marianne Williamson An extraordinary and rousing manifesto from award winning author James O Dea *The Conscious Activist* is both a compelling narrative and a deep reflection on the demands of mystical realization and effective activism Throughout the book O Dea poses that an integration of the two has the power to permanently transform the social order and to wake up humanity from its course of rapid self destruction Divided into two parts Part I offers parallel narratives of author James O Dea s training and spiritual development as both a mystic and an activist The mystic he explains must move past petty ego concerns in order to experience oneness with each other and our divine source The activist on the other hand explores the role of passion and conscience in activating social change In Part II O Dea pursues this fascinating concept of a meeting ground between the two worlds where spirituality and action unite to spark an accelerated transition towards our greater goal a more evolved civilization He asks us all to become conscious activists to learn collectively how to move beyond our rigid conformity to beliefs of the past and its archaic structures of power and control An Accidental Memoir Wendy Reed, 2013-01-01 In this collection of deliberately fragmented essays a talented documentary filmmaker points the lens at herself and explores a succession of personal tragedies Told from unusual perspectives and in highly figurative language the essays draw on the Southern Gothic tradition of Flannery O Connor and feature dark humor flawed

people disastrous events and moments of spiritual grace Taken together they become a meditation on subjects such as death work family responsibilities and raising a child

Sufi Encounters Shaykh Fadhlalla Haeri, Muneera Haeri, 2019-05-14 An unparalleled exploration of Sufism as it is practised around the world describing meetings with today's enlightened teachers as well as including wonderfully inspiring translations of the great Sufi masters of the past Ultimately this book acts as a guide to the Sufi path and offers wise insight into the meaning and purpose of life A compelling view of Sufi history together with vivid personal remembrances of living mystics This is an inspiring and at the same time beautifully subtle book with light filled insights on every page Saadi Shakur Chishti author of The Sufi Book of Life The Sufi path described in this book leads the seeker past ordinary states of consciousness towards a new experience of infinitude that is the source of the universe In this stage there is no duality or otherness but instead infinitude the Original Oneness from which all dualities and attributes emanate The book is at once an autobiography a didactic treatise and a literary opus full of wonderful translations of the words of earlier Sufis as well as the author's own poetry It describes Shaykh Fadhlalla Haeri's life quest to connect today's world with classical times especially through his meetings with enlightened Sufis all over the globe Shaykh Fadhlalla Haeri also addresses profound Sufi teachings concerning the nature of humankind the cosmos and God using clear and simple language to address difficult doctrinal issues as only a master who has digested fully such knowledge could do The book also reveals much about the present day Islamic world where despite the tragedies that are to be seen everywhere tradition and spirituality survive This is a metaphysical and spiritual guide to the Sufi path that ultimately offers insight into the meaning and purpose of life

Living Well Later in Life Michael Townshend, 2017-06-19 There are many resources on the topic of Retirement already Most of them address the financial considerations This is important to the Retirement decision If we don't have enough income Retirement will be problematic This book addresses the fears and challenges faced by those who are over age 50 and endeavoring to be relevant in the workforce as well as preparing themselves for transition into their Retirement years I show the reader ways to find the promise and the opportunity that lies just beneath the surface as we advance in age both within the world of work and as we prepare ourselves emotionally for retirement I describe simple approaches to help the reader see their situation in a new light and discover promising options for a bright future I hope that this book will lift the spirits of even the most fearful reader

Gender Equality in Changing Times Angela Smith, 2020-09-09 This edited collection explores issues of gender equality in the global context Campaigns to achieve gender equality throughout the twentieth century brought about huge changes in westernised countries In particular the achievements of second wave feminism with regards to gender and sexual equality benefit many people today The famous seven demands of the second wave movement form the basis of the chapters of this book probing the advances made legally socially and culturally Contributors to this collection acknowledge the advances brought about by the second wave movement but highlight the work which still needs to be done in the twenty first century including the changes in society that have resulted

in shifts in masculinity Gender Equality in Changing Times is divided into two parts following an overview of theoretical debates and social contexts that lead us to the current period of gender and sexual relations Part One looks at gender equality by exploring the experience of being part of a group where gender boundaries still exist drawing on auto ethnographies of those in key groups that are central to this debate as well as interviews with members of such groups Part Two investigates wider representations of these groups offering an insight into the geopolitical world of gender relations in Saudi Arabia and China Ultimately this collection shows how much has been achieved yet how far is also left to go Students and scholars across a range of disciplines including gender studies history education sociology media studies politics business studies cultural studies and English literature and linguistics will find this book of interest

Why Do they Hate Us? Steve Slocum, 2019-07-16 IPBA BENJAMIN FRANKLIN AWARDS SILVER MEDALIST A BOOKLIST AND KIRKUS BEST BOOK OF 2019 Well researched cogently argued avoids clichés and deeply examines the complex relationship between Islam and the West Booklist starred review White supremacist racism has many faces A foreign policy that focuses on American interests and exploits foreign resources is one of those faces Nowhere has this become more evident than in the Middle East Decades of covert intervention by the CIA in the Middle East came home to roost when Al Qaeda operatives hijacked American airliners and flew them into the World Trade Center towers on 9/11 horrifically killing 3000 With Americans still in shock George W Bush asked Why do they hate us His bizarre answer They hate our freedoms squandered an opportunity for national introspection Instead he unleashed the power of a \$330 billion defense budget on the villages of Afghanistan and subsequently on Baghdad In the years after 9/11 Islamophobia became a mainstay in American society and in American political rhetoric It was the unfettered hate speech toward Muslims that opened the door for closeted racists to come out into the open with hate speech toward all nonwhite groups In Why Do They Hate Us author Steve Slocum brings to light Islam's origins as a social justice movement and paints a beautiful portrait of Islam's peaceful mainstream Why Do They Hate Us is sprinkled with stories from the lives of everyday Muslims and anecdotes from Slocum's five years living in Kazakhstan allowing the reader to catch a glimpse of the true soul of Islam You'll never look at Muslims in the same way again In an era of rampant Islamophobia Slocum's book is essential reading Todd H Green author of The Fear of Islam An Introduction to Islamophobia in the West Effectively countering pernicious misinformed narratives this is an essential contribution to interfaith studies Publishers Weekly

Desk 88 Sherrod Brown, 2019-11-05 Since his election to the U S Senate in 2006 Ohio's Sherrod Brown has sat on the Senate floor at a mahogany desk with a proud history In Desk 88 he tells the story of eight of the Senators who were there before him Perhaps the most imaginative book to emerge from the Senate since Senator John F Kennedy of Massachusetts produced Profiles in Courage David M Shribman The Boston Globe Despite their flaws and frequent setbacks each made a decisive contribution to the creation of a more just America They range from Hugo Black who helped to lift millions of American workers out of poverty to Robert F Kennedy whose eyes were opened by an

undernourished Mississippi child and who then spent the rest of his life afflicting the comfortable Brown revives forgotten figures such as Idaho's Glen Taylor a singing cowboy who taught himself economics and stood up to segregationists and offers new insights into George McGovern who fought to feed the poor around the world even amid personal and political calamities He also writes about Herbert Lehman of New York Al Gore Sr of Tennessee Theodore Francis Green of Rhode Island and William Proxmire of Wisconsin Together these eight portraits in political courage tell a story about the triumphs and failures of the Progressive idea over the past century in the 1930s and 1960s and more intermittently since politicians and the public have successfully fought against entrenched special interests and advanced the cause of economic or racial fairness Today these advances are in peril as employers shed their responsibilities to employees and communities and a U S president gives cover to bigotry But the Progressive idea is not dead Recalling his own career Brown dramatizes the hard work and high ideals required to renew the social contract and create a new era in which Americans of all backgrounds can know the Dignity of Work
