and disappointment resembles a nightmare more than the quiet vacation she'd hoped for. The unexpected appearance of much changed town girl Devon Weber with whom Leslie shares a secret that haunts them both rekindles an old heart ache and reminds Leslie of just why she left. Even though her attraction to Dev comes roaring back, the one thing Leslie doesn't want is to pick up where they left off, especially not when she already has just the life she wants: a rewarding high power law practice, a condo in Manhattan, and a lover who satisfies her without demanding the intimacy Leslie avoids. Unfortunately, environmental biologist Devon Weber doesn't play by Leslie's rules. Two women whose lives turned out far differently than they'd once imagined discover that sometimes the shape of the future can only be found in the past, and love is strongest when dreams tremble.

**Finders Keepers** Radclyffe, 2023-06-13 Tally Dewilde forges her own path when she chooses to go into veterinary medicine and ignores her mother's desire that she establish a boutique clinic for the pets of the wealthy in Manhattan. When she arrives in upstate rural New York to join Sydney Valentine's animal hospital, the break with her old life seems complete on every level. Until an unwelcome reminder of the painful past arrives at her door in the form of Roman Ashcroft. Rome Ashcroft was forced to give up her dreams when accused of a crime that cost her everything. She intends to start a new life as a PA at the Rivers community hospital until a simple act of kindness throws all her plans into question. Her past it seems is not so easily forgotten when fate brings her and Tally Dewilde together along with an attraction neither welcomes.

**Passionate Rivals** Radclyffe, 2018-09-11 Onetime lovers, unexpected rivals. Emmett McCabe never expected to see Sydney Stevens, a woman with whom she'd shared a brief incendiary connection before it all went up in flames again. Luckily, ascending the cutthroat ladder of a high pressure surgery residency to reach the top spot makes it easy to ignore what's missing in her life. Then Sydney reappears after nearly five years. Emmett is barely over her shock when she discovers Sydney is her new competition for the coveted chief's position everyone, including Emmett, expects will be hers. Professional rivalry and long simmering passions create a combustible combination when the two are forced to work together, especially when past attractions won't stay buried.

**Promising Hearts** Radclyffe, 2006-06-13 The Montana frontier of the 1860s might be dangerous, but only if you have something to lose. Dr. Vance Phelps lost everything in the War Between the States: her professional future, her place in Philadelphia society, and her faith in herself. She travels to New Hero, Montana, with no hope of happiness and no desire for anything except forgetting. Mae is a frontier madam used to standing alone. She fiercely guards the well being of the lost young women who come under her care; she just never expected one of them to be a doctor wounded in body and soul. Can two outcasts find refuge in one another's hearts?
