Loving My Lot Jeanne Harrison, 2015-04-13 Sometimes motherhood feels exhilarating And if we re honest sometimes it feels like being poked to death by plastic spoons So begins one of the frank reflections from Jeanne Harrison s gospel centered blog turned book Divided into five sections this collection of articles captures the journey of a young wife and mom wrestling to see Christ in the everyday world of competitive parenting idolatrous homemaking fickle love and painful surrender With a rare combination of vulnerability and strength Loving My Lot is for every woman who s ever struggled to embrace the life she s been given And for every woman who longs to draw closer to the One who gave it to her The Mother's Assistant and Young Lady's Friend , 1841 The Path of Happiness Trudy Joy, 2017-08-29 Have you ever had a feeling within you that felt bigger than you a knowing and overwhelming feeling that you must act upon something unknown When Trudy separated from her husband she needed something that would give her and her young daughter some hope some optimism and reassurance that their future life as a single parent family was going to be okay Trudy needed to understand that she was not the only one who was feeling unsure and insecure that she wasn't alone sailing in an ocean of heartbreak and uncertainty She wanted to read that someone had come through the worst of times and been able to create a positive new happily balanced life for themselves and their children When she found websites geared towards single parents their words of wisdom were very matter of fact Within the words there was nothing that seemed personal that she could connect to directly She didn't read anything that gave her the warm inner glow of comfort And The Path of Happiness was born Learning as she went Trudy found that writing about the incidents she encountered and had dealt with helped her with the rejuvenation process itself Challenges were surmounted goals reached and with each one Trudy learned a little more about herself Written from experience The Path of Happiness is Trudy's first hand survival guide for single parents with tips on everything from budgeting and lifestyle to dealing with the emotional rollercoaster and other obstacles encountered on her and her daughters journey *Happiness: the scientific path to achieving well-being* Vincenzo Berghella, 2013-11-17 The scientific evidence behind what makes people happy and the steps which we should take to achieve well being are reviewed The six intentional activities to create happiness are highlighted Practical exercise to increase your levels of happiness are listed Over 340 references are quoted at the end A Moment in Time A Journey of Happiness, Love, Laughter, Grief and Sorrow Chris M. Fisher, 2010-08-01 Born in rural Eastern North Carolina of parents near poverty this author has told a compelling story from the heart It is easy to read Having been born in the south the author scatters bits of southern humor throughout which brings a smile to your face Death brought on despair at an early age and drugs brought on challenges to an already confusing world Concealing a deep dark secret was hard and challenging at times and caused the author to question his God A failed relationship brought on many moments of sad reflection but a new love brought about happiness and laughter Hard work and determination gave birth to a successful career that delivered the author as an adult from a world of

poverty Through a process of discovering his inner self his values his motivation his goals and beliefs his life changed It is a story of encouragement that should be read by all who have an interest in the human journey Jan This is a compelling and beautiful love story It is an easy and fun read filled with insights not only into the climb out of poverty but the coming of age of a young man in the Sixties and beyond Loyd This author told a great story I read it in one sitting Peggi I was struck by the author s honesty and candid story He shows the story rather than simply telling it That is one can visualize the environment and even feel the tension Don I couldn t put the book down Before I knew it I had read A Moment in Time from cover to cover TO ORDER CLICK ON THE BARNES AND NOBLE OR THE AMAZON TAB AT TOP LEFT HAND CORNER OF THIS PAGE OR GO TO PLAY GOOGLE COM

**Finding Our Happiness Flow** Dr. Robert Puff, Ph.D.,2015-06-25 What is happiness Asking someone to define happiness is like asking him her to define success Happiness can mean a lot of different things and the definition may vary from one person to another To one person happiness may mean having lots of possessions To another person happiness may mean being very successful in his or her chosen career To still another person happiness may simply mean having a healthy and happy family Ask yourself What is happiness for you Here s another important question Can you control your happiness Some people say that happiness is a choice These people claim that you can choose to be happy regardless of the circumstances in your life That sounds good but happiness is such an abstract and often fleeting state How do we reach for it Is it a difficult process Can it be forced or can it be faked We all want to grasp happiness but how do we do that Finding Our Happiness Flow helps people just like you find the real meaning of happiness True happiness is within your grasp and it can be achieved by accepting what is and living in the present moment This book will teach you how to let go of the past and the
