True Christians Can Change the World Dick Peterson,2008-09-15 This book discusses in depth some twelve doctrines that need to be removed from current rituals hymns and confessions of faith giving scriptural references to support the removal Further the damage these old doctrines have and are doing to society is presented According to the author the dogmas need to be removed so the church that many of us knew as children and growing up can return to be effective in helping solve some of the major crises facing this world the economy and the great financial difference between the rich and poor the issue of war as a way to solve world problems and environmental issues facing the planet For people who see Christianity being stolen by the Christian Right who still consider themselves Christian who believe in the message of Jesus and or who feel a loyalty to the church they remember this book is crucial reading to taking Christianity back **Vainglory**

Geraldine McCaughrean,2019-01-01 Vainglory begins in France in 1429 the year of the Siege of Orlans as Victoire de Gloriole regains possession of the family castle from the English following the Battle of Agincourt Having consolidated his position by marrying a beautiful Englishwoman Victoire sets out to rebuild a dynasty and a castle However some years on he finds himself without a legitimate heir and at war with a family of scheming cousins From Joan of Arc and the 15th century wars with the English through to Catherine de Medici and the slaughter of the Huguenots Vainglory tells the story of a power hungry family who will let nothing and no one get in their way Cleverly plotted and beautifully written it is a historical novel of rare class *And God Cried* Ralph Cole,2011-07-07 Experience the ultimate clasp between good and evil as Christ and Satan return to earth in human form to determine the fate of mankind forever So it came to be that Christ and Satan forged a pact that would finally determine the fate of mankind and with it their own as well Their return to earth will lead each in separate directions in using their specific powers to be the victor Jesus will help to restore faith in a couple after a horrific encounter between their son and a mad man a man who persevered through the devastating events of his childhood and an old man suffering through the loss of his beloved wife Satan s path follows one of total destruction He creates horrific events that will inflict thousands with a disease not seen in hundreds of years destroys a national treasure cold bloodily murders a world leader and utilizes the existing forces of evil to spread the word that he is walking among us The story is a roller coaster ride of emotions At the end there will be only one standing and the world s fate lies in the balance The outcome will shock you and will change the future and destiny of mankind forever *The Man Who Loved Dogs* Leonardo

and non Christians alike hold deeply engrained erroneous beliefs about God Because of the prevalent views of our culture and what we have grown up hearing we often buy into one or more of the false truths that have circulated for centuries Whatever the belief system it determines what we think God is like how we relate to Him how we think He relates to us and how we think salvation works Thus a saving relationship with God and our eternal destiny depend on a belief system solidly based on truth In the light of Scripture Les Leno examines the most basic tenets of Christianity the law obedience sin salvation atonement legalism faith and the gospel to uncover the real truth that lies hidden beneath layers of tradition and misinterpretation As you read this book you will discover a God who loves sinners unconditionally who comes looking for us when we are afraid to be found and who paid the ultimate price to win us back to love and loyalty Perhaps you will meet God for the first time Or maybe your faith in and love for God will be reaffirmed Whatever the case discover for yourself what is Truth or Tradition
