## **Growth Recurring Economic Change In World History Clarendon Paperbacks:**

*Growth Recurring* Eric Lionel Jones, 1993 This study concerns the conflict in world history between economic growth and political greed E L Jones author of the groundbreaking *The European Miracle* proposes two fundamentally new frameworks One replaces industrial revolution or great discontinuity as the source of change and challenges the reader to accept early periods and non western societies as vital to understanding the growth process It shows that growth occurred independently in Sung China and Japan as well as in Europe The second framework offers a new explanation in which tendencies for growth were omnipresent but were usually suppressed The obstacles to growth and their subsequent erosion is reviewed providing an explanation of the modern world economy in which growth has recurred and East Asia has taken a prominent place

*Growth Recurring* Eric Lionel Jones, 2000 An affordable new edition intended for course use *The Colonizer's Model of the World* J. M. Blaut, 2012-07-23 This influential book challenges one of the most pervasive and powerful beliefs of our time that Europe rose to modernity and world dominance due to unique qualities of race environment culture mind or spirit and that progress for the rest of the world resulted from the diffusion of European civilization J M Blaut persuasively argues that this doctrine is not grounded in the facts of history and geography but in the ideology of colonialism Blaut traces the colonizer's model of the world from its 16th century origins to its present form in theories of economic development modernization and new world order
