Guangzhou Travel Guide, China Albie Fox, 2020-02-04 Guangzhou Travel Guide China Tourism and Business Guide In terms of population Guangzhou is one of the largest cities in China It is a modern scientific technical educational and cultural center Thus it is incredibly popular among travelers The city's name is associated with numerous controversial stories Just a few decades ago residents of European countries called this city Canton It is believed that the modern name of the city has appeared because of an incorrect interpretation of the Cantonese dialect It is noteworthy that nowadays some Europeans officially use the old name of Guangzhou Canton It's hard to imagine that the stylish and large metropolis is one of the oldest cities in the world In fact Guangzhou is more than 2 000 years old According to the historical records it was founded in 862 BC as a trading port At that time this small town was the starting point of the Maritime Silk Road The strategic location of the city largely

contributed to its rapid development. Notably during its long history the city has always been an important center of shopping. At the present time Guangzhou is also known as a major center of trade. It is famous for its ultra modern shopping malls and colorful markets. It attracts not only shoppers but also adherents of excursion tourism. The city has managed to preserve its priceless historical monuments that belong to different eras. The territory of Guangzhou is home to more than 120 historical monuments of the national level. Besides that tourists certainly love to attend modern convention centers and galleries.

Guangzhou - Heart of the South Lindsey J. Bard, 2014-12-27 Welcome to Guangzhou and Canton and Panyu. The city has changed its name at least three times over the centuries and the people have changed with it. This tour guide for Guangzhou seeks to share with travelers the beauty of the southern capital. A place where each district in the older sections of town has a museum tucked around a corner while the newer sections of town have modern larger facilities for art and music presentations. This is the home of Cantonese Opera and the oldest Islamic mosque in China. Neither the city nor the

province it's the capital of Guangdong. It's a lot to be proud of! This guide focuses on seven noteworthy sites chosen for their cultural value, interest, fun, and insight into China and the Southern Chinese people. Some are old and showcase the history of the region; some are modern and focus on the issues facing today's society. Their order is based on the amount of time it takes to see each site, starting with approximately two hours for Chen Clan Academy and ending with Chimelong Safari Park, which takes all day. Readers will notice that in each chapter a different Chinese host is featured. To understand the importance of a place, it is best to ask those who live there, because they have the best stories. Each of these men and women volunteered to visit a site and share their experiences as a cultural insider. The hosts are native Chinese speakers who have various levels of English mastery. They are funny and sincere and offer a view of their city as few other tour guides have ever attempted. Their stories join the historical research, telling the story of Guangzhou, a city of 17 million people and a history of more than 10,000 years in the Zhujiang River Pearl River delta. It's been a heart of business and the West's entrance to the Middle Kingdom for more than 1,500 years. Follow its story and walk its streets with this guide. **DK**
