transforms multiple lives A Social-Scientific Examination of the Dynamics of Communication, Thought, and Selves
Sekalala, Seif, 2022-06-17 Intrapersonal communication has been considered and studied less in comparison to general communication and other related topics. Moreover, intrapersonal communication is usually mentioned in the context of studying other topics as opposed to being studied singularly. To fully understand the complexity and potential uses of this field of study, intrapersonal communication must be researched further. A Social Scientific Examination of the Dynamics of Communication Thought and Selves focuses on the concept of intrapersonal communication, discusses how and why we communicate with ourselves, and considers how scholars can help humans improve and harness intrapersonal communication in fields such as artificial intelligence. The book also makes a forceful case for the importance and potential utility of intrapersonal communication. Covering topics such as language, sociology, and cognitive science, this reference work is ideal for sociologists, psychologists, industry professionals, academicians, scholars, researchers, practitioners, instructors, and students.

Inside Fighter Ruby Scott, 2020-12-30 Each of us has been given one life, but when we feel broken or incomplete, is it possible to find love? Would you have the courage to take someone's hand towards a happier tomorrow? Dani is a confident, outgoing PR professional without a care in the world, but she is about to find out what can happen in a single moment when you are in the wrong place at the wrong time. Fighting to reclaim her confidence, her life, her strength, Dani is encouraged by her friend to take up Krav Maga. Meeting her instructor Logan is the first step on a journey that will transform both women's lives in a way neither could have foreseen. This is a slow burn lesbian romance where strength, courage, and hope go hand in hand. Because tomorrow will be better than today. This is the first book in the STRONGER YOU Series. Please note: this book contains one scene relating to a street mugging and contains a storyline involving PTSD. Have you read my other sapphic novels in The Stronger You Series: *Seconds Out On The Ropes*? Reviews: This is the first book I've read by this author, and it will definitely not be the last. I enjoyed the characters and the plot of the story. It sucks how one can see themselves damaged after being in an abusive relationship or being the victim of a crime, but it was great how they came together and realized they needed each other in order to heal. The intimate scenes were explosive. I'm off to read the next book in the series. Kindle Customer. Well-written. The psychological aspects of the novel are well done. Not overly. The romance is solid. Loved this book. BendOre. Excellent story about the effects of PTSD and overcoming them. Relatable characters and likable. Left me wanting more. I look forward to the second book in the series. Carley B. This was the first story Ruby wrote in first person view, and wow, she did it in such an amazing way. I mean, I already thought before that Ruby is a gifted writer, but after this book, I'm looking for a word that increases the word 'gifted'. I'm honestly just so very proud of her. Once more, Ruby touched me deeply, and my heart went out to both characters. I actually saw so much of myself in Logan that I sometimes thought Dani is speaking to me. It was almost scary. Of course, that also means that Ruby made me cry again. Like she does it just every time. Not sure how I should feel about that, but I think I will just say thank you. Thank you, Ruby, for letting me be a part of your

journey For letting me forget everything around me every time I read one of your books For letting me feel all those feelings Besides I don't know how you do it but your quotes at the beginning of your books always get to me This time especially the second one I will try to keep that in mind for whenever there are doubts again I won't reveal too much about the story What I can say is that as always you get all the feelings including some very hot scenes And you get to see characters that have to deal with some real baggage and that are doing that in such a wonderful way Last but not least I loved those diary entries so very much Everyone who reads the book will hopefully feel the same And the best about it is that this was just the start of a new series and there will be more I wanna finish my review with a saying that suits the book perfectly Maybe it's not always about trying to fix something broken Maybe it's about starting over and creating something better Conny Thoughts are Things Sheri L. Swinburne, 2015-03-31 LYNNS JOURNAL THE THIRD BOOK IN A TRILOGY Lynn Bosen grew up in a trailer park. Her father abused her until he died when Lynn was nine years old. Her mother was a recluse showing little interest or affection for Lynn. Lynn grew up with three survival qualities. She could run like the wind, she had a powerful mind, and she had a beautiful body. Boys and men were drawn to her. Lynn is now Lynn Bosen Noble. Her husband Mike Noble is a graduate professor and vice president of Great Rivers University GRU. Mike Noble has studied in diverse academic fields including studies of writing and healing. In Stem Cells That Divide Lynn was left for dead in an explosion meant to kill her and to destroy the Stem Cell Laboratory on the campus of GRU. She survived and Mike encouraged her to write of her life in a journal, thus Lynn's Journal. Lynn takes on the task with little enthusiasm, however, she addresses the challenge and she enjoys the process. You will respect her courage and her survival skills. She has trepidation about sharing it with Mike. This is her unexpurgated journal, or as some are wont to say, warts and all. Enjoy. *Lisa* Bonnie Bryant, 1999 Lisa's great aunt gives her a diary in which to record her feelings, like when she feels frustrated at being labeled a beginning rider when her friends don't understand her desire to be the very best, or when her mother drives her crazy.
